**Timothy Morrisroe**

**Ace** Angela Chen, 2020-09-15 An engaging exploration of what it means to be asexual in a world that's obsessed with sexual attraction, and what the ace perspective can teach all of us about desire and identity. What exactly is sexual attraction and what is it like to go through life not experiencing it? What does asexuality reveal about gender roles, about romance and consent, and the pressures of society? This accessible examination of asexuality shows that the issues that aces face—confusion around sexual activity, the intersection of sexuality and identity, navigating different needs in relationships—are the same conflicts that nearly all of us will experience. Through a blend of reporting, cultural criticism, and memoir, Ace addresses the misconceptions around the “A” of LGBTQIA and invites everyone to rethink pleasure and intimacy. Journalist Angela Chen creates her path to understanding her own asexuality with the perspectives of a diverse group of asexual people. Vulnerable and honest, these stories include a woman who had blood tests done because she was convinced that “not wanting sex” was a sign of serious illness, and a man who grew up in a religious household and did everything “right,” only to realize after marriage that his experience of sexuality had never been the same as that of others. Disabled aces, aces of color, gender-nonconforming aces, and aces who both do and don't want romantic relationships all share their experiences navigating a society in which a lack of sexual attraction is considered abnormal. Chen's careful cultural analysis explores how societal norms limit understanding of sex and relationships and celebrates the breadth of sexuality and queerness.

And so Connor takes it upon himself to investigate—a pursuit that becomes even more pressing when Dad is hospitalized after a stroke. What Connor discovers will lead him and his father to a new, richer understanding of race, identity, and each other.

**How to Be Ace** Rebecca Burgess, 2020-10-21 PRISM AWARDS FINALIST 2021 GREAT GRAPHIC NOVELS FOR TEENS - YOUNG ADULT LIBRARY SERVICES ASSOCIATION (YALSA) 2022 When I was in school, everyone got to a certain age where they became interested in talking about only one thing: boys, girls and sex. Me though? I was only interested in comics. Growing up, Rebecca assumes sex is just a scary new thing they will 'grow into' as they get older, but when they leave school, start working and do grow up, they start to wonder why they don't want to have sex with other people. In this brave, hilarious and empowering graphic memoir, we follow Rebecca as they navigate a culture obsessed with sex - from being bullied at school and trying to fit in with friends, to forcing themselves into relationships and experiencing anxiety and OCD - before coming to understand and embrace their asexual identity. Giving unparalleled insight into asexuality and asexual relationships, *How To Be Ace* shows the importance of learning to be happy and proud of who you are.

Tiger Ace Gary L. Simpson, 1994 The first comprehensive study of the legendary Panzer commander. Though there have been numerous articles on Wittmann, none have come close to understanding the scope of his life and combat experiences. Wittmann's military exploits stand out from all the rest, as his Sturmgeschutz III and Tiger I crews succeeded in destroying 138 enemy tanks and 132 anti-tank guns and field artillery pieces. Gary Simpson conducted extensive research, travel, and interviews to uncover the true facts and situations that Michael Wittmann encountered on the battlefields of both the eastern and

wetsern fronts.

**Ace** McKenna James, 2021-10-28 Winning was all he ever cared about—until now. Ace Sidney drives me crazy. As a professional poker player, I never want to lose, but when that woman beats

me, it makes me want to punch something. She haunts my dreams. The kind of scorching hot dreams that end with me waking up in a sweat wishing she was right next to me. My friends are joining me in the Bahamas for a poker tournament I'm gonna rule. I know she'll be there, grinning as she flashes her cards, licking those red lips just to mess with my head. But this time I refuse to let her win. Sidney I've never been a member of Ace's fan club. The guy's an annoying peacock, strutting around like he's God's gift to the world. But when it's clear a dirty player is trying to cheat us both out of the tournament, I have no choice but to enlist his help. After a few drinks we agree to call a truce and join forces - for a limited time. With all those distractions, we're not prepared for the storm bearing down on our resort, or the passion rising between us...

**The ACE Programmer's Guide** Stephen D. Huston, James C. E. Johnson, Umar Syid, 2003 This book analyzes the application of the legal principle of non-discrimination in the context of energy network operation. Since the early 1990s, the duty not to discriminate has applied to energy network operators, in order to achieve a liberalized European energy market in which European consumers have a free and real choice of energy supplier. The book provides guidance to those working in the context of the non-discrimination obligation, such as energy network operators, regulatory authorities, national courts, and other energy market players, as well as those studying the rules for (academic) research purposes. The book's conclusions serve as a tool for critical consideration and offer suggestions for improvements to the legal framework and its application on a European, as well as a national, level. Several questions are answered, including why energy network operators have a non-discrimination obligation in the context of energy market liberalization, how European law has tried to remove and control the discrimination problem since the early 1990s, and when different treatment of energy network users amounts to 'forbidden' discrimination. The book's

conclusions are underpinned by comparisons with competition law, public procurement law, and telecommunications law, as well as a case study on how energy network operators and regulators in several Member States currently interpret and apply the non-discrimination obligation. (Series: Energy & Law - Vol. 15)

Ever resilient, Jack transitions from an ambulance driver at Verdun to become one of the few American volunteers to fly in a French fighter squadron. Jousting with German aces in flimsy wood and canvas aeroplanes during the day is hard enough for the inexperienced Jack without the additional pressure of having to match the bacchanalian excesses of his squadron mates at night, all while staying one step ahead of his past. But Jack figures that if he can shoot down five Germans and attain the coveted Ace status, all his troubles will be over. Set over the battlefields of Europe and the vast deserts of North Africa, *An Ace Minus One* is authentic in its depictions of early aviation and the colorful men and women who made this period one of the most exciting in history.
