Love Your Job Kerry E. Hannon,2015-01-28 AWARDS: Independent Publisher Book Award 2015 (Silver) and National Mature Media Award 2015 (Bronze) Step-by-step tips for revitalizing your career Yes, it is possible to have a job you love, and it doesn't require starting from scratch. Love Your Job is a guide to making work fulfilling and fun — again, or even for the first time. Why count down the hours of the day or the days to retirement when you could reinvigorate your workday, transforming the daily doldrums into a daily dose of enjoyable activity? Kerry Hannon, The New York Times columnist and AARP's Jobs Expert, focuses on the little things that can make a big difference in how we feel about work. Love Your Job is all about the routines, habits, and thought patterns that, over the years, may have turned a dream job into a drudge or, worse, a nightmare. Changing these habits and attitudes is simple, and this book shows you how to identify the little things that make work enjoyable and engaging. Using these simple techniques, you can adopt the attitude that will keep you happy and that might just lead to bigger and better things, no matter what stage of your career you are in. In this book, you will learn to: Develop new habits that bring more purpose into every single workday Rekindle your hope and motivation by celebrating small successes Recognize negative patterns that keep you from enjoying your job Craft an entrepreneurial attitude that will get you noticed and enrich your work life We all deserve to experience happiness and satisfaction every day, at every stage of our careers. Kerry Hannon explains that you don't have to make a huge career transition to love work again. But if you reinvent the way you see work, who knows where your new outlook will lead? Wake up to the countless possibilities that await you with Love Your Job.

Future Jobs Edward E. Gordon,2018-03-05 A pervasive disconnect exists between the job/career culture and the present economic reality in America. This book offers powerful strategies for stemming the employment crisis and proposes comprehensive solutions for businesses, government, and job seekers alike. America's low unemployment rate overshadows the fact that more than 20 million Americans are still unemployed. Moreover, more than eight million jobs are vacant because employers cannot find qualified candidates. It is projected that if this imbalance between available positions and skills is not quickly addressed, more than 14 million jobs will be vacant by 2020, and that many more people out of work. In Future Jobs, historical economist Edward E. Gordon explains how increasingly complex technologies, global demographic shifts, and outdated education-to-employment systems are converging and may imminently cause a labor-market crisis. How can we ensure that enough people possess the skills necessary to holding the jobs of today and tomorrow? This book points to a solution gaining traction across the United States: Regional Talent Innovation Networks (RETAINs), alliances of businesses, educators, government agencies, and nonprofit organizations that successfully bridge the talent gap. Additionally, it provides information on the most promising jobs and careers of the next decade for early-career job seekers and for workers who are looking to change career paths.

Great Jobs for Everyone 50+ Kerry E. Hannon,2012-08-30 The how-to guide to finding profitable, fulfilling work after 50 Aimed at workers aged 50+ looking for a new job—whether they have been laid off or taken early retirement, need supplemental income, or want to pursue an encore career—Great Jobs for Everyone 50+ is the definitive guide to finding lasting financial security and personal and professional fulfillment. Opportunities abound—the trick is knowing where to look and what to expect. Whether readers are interested in trying jobs they've long dreamed of doing, or just want something with flexible hours that brings in a little extra income, this book covers all the options. As Americans live longer and healthier lives, the desire to work longer—for the income, the mental engagement, or the chance to give back—has grown. But there is little guidance for the 50+ crowd looking for work and few role models who've blazed a path. In Great Jobs for Everyone 50+, author and personal finance, retirement, and career transitions expert Kerry Hannon shows the way, with compelling stories from people who've been there. Presenting the nitty-gritty details of available job opportunities, wages to expect, typical hours, and the qualifications and savvy needed to get hired, the book is loaded with practical advice on how to prepare both professionally and financially to start out on a new adventure. Shows where the best opportunities for new employment lie Helps readers find profitable and rewarding jobs to save for retirement Understands that different workers want different things from their jobs and shows how to cast a wide net to find an opportunity that fits Provides incredible insights into working after 50 from Kerry Hannon, a nationally renowned expert in personal finance, retirement, and career transitions Motivational, inspirational, and thoroughly practical, Great Jobs for Everyone 50+ explains how to find

part-time, temporary, work-at-home, or seasonal employment in profitable, rewarding jobs.

Bullshit Jobs David Graeber,2019-05-07 From bestselling writer David Graeber—"a master of opening up thought and stimulating debate" (Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled "On the Phenomenon of Bullshit Jobs." It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs. Graeber explores one of society's most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals shared by thinkers ranging from Keynes to Lincoln. "Clever and charismatic" (The New Yorker), Bullshit Jobs gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn their vocation back into an avocation and "a thought-provoking examination of our working lives" (Financial Times).

How to Get Any Job, Second Edition Donald Asher,2011-09-21 Philosophy majors and GPA-challenged students, rejoice! According to career guru Donald Asher, what you major in or how well you do in college are not indicators of future career success. In HOW TO GET ANY JOB WITH ANY MAJOR, Asher debunks the myth that only brainy students with specialized majors find high-paying, visible careers after college. The truth is that plenty of average folks with general, liberal arts majors have gone on to find lucrative and fulfilling careers—and anyone can do it by following Asher's advice. If you're just graduating, you'll learn to promote the skills you already have, recognize how employers hire and what skills they value most, and get influential people to help you. Or, if you're already in the work world, you'll learn to use internships, credential programs, post-baccalaureates, and grad school to jump-start a stalled career. Offering innovative ideas to help launch the perfect career, HOW TO GET ANY JOB WITH ANY MAJOR is the new job-hunter's handbook to success.

ACareerJob Introduction

In todays digital age, the availability of ACareerJob books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of ACareerJob books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of ACareerJob books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing ACareerJob versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, ACareerJob books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing ACareerJob books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for ACareerJob books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, ACareerJob books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of ACareerJob books and manuals for download and embark on your journey of knowledge?
