The Interpretation of The Meaning of The Holy Quran Volume 83 - Surah Al-Balad to Surah Al-Qadr Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013, I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah, I have completed the whole Quran on 29th October 2020 with 84 books. I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English. Currently, there is a great misunderstanding about Islam among Muslims and non-Muslims globally. The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims. The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non-Muslims. The wrong actions of the Muslims have led to many miseries and wars among Muslims. The wrong actions of Muslims have also led to many wars and clashes between Muslims and non-Muslims. In order to avoid miseries, wars and clashes from taking place between the whole mankind in the whole world, the whole mankind in the whole world need to understand the true teaching

of Islam. There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran. The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world (English). For this very reason I have written the interpretation of the Holy Quran in English. Prof. Nasoha Bin Saabin

<https://www.youtube.com/playlist?list=PLZuPsekljGMNgVGEoSGyNvRbj1-6gH438> I hereby seek refuge in Allah from thinking ability;

its allurements, its enticement and its deception for this work of mine which I have done to recite and comprehend the Qur'an in its original Arabic form then interpret what I have understood in English. While being incapable of praising as deep as we should, I offer to Allah, Rabb of all worlds, Most Gracious, Most Merciful, all my compliments that I can come up with and conceive with my humble thinking ability, and I offer my sincerest gratitude to Him for bestowing me, this humble, poor and servile one, His blessings

and felicity to offer the reciters an English interpretation of the Qur'an. I entreat our Great Rabb to look after, protect and support us together with all the people who serve for the religion of Allah, as He did for His prophet Muhammad (Peace Be Upon Him), his family and companions. In this work of mine, in which I have striven to comprehend the messages of our Rabb plainly and offer to all people, I have not sought for anything except than the countenance of Allah. Due to our weakness and our comprehension is limited, there are definitely deficiencies. However, my Rabb is witness that no wrong has been done intentionally. Therefore, I hope that our great Rabb forgives me. This interpretation that is presented here is a result of the analyses that were meticulously conducted by taking into account the ancient Arabic Language (with its vocabulary, grammar and literature) and the unity of the Qur'an. Evidences, sources and justifications relevant to this interpretation that we present are available in our work titled as Tebyinu'l Qur'an. Our readers who wish to get detailed information, review and examine our works, they can see these in Tebyinu'l Qur'an that has been published as 8 volumes or in our websites. The religion of Islam is, as the meaning, "The religion that strengthens people" [the set of principles that keep people away from the things like problems, sorrows, wars, weaknesses, spiritual illnesses, unhappiness and similar things and that ensure safety and security]. The religion of Islam taught in the Qur'an in fact distances people and societies from problems, fears, unhappiness, quarrels, wars and similar negative things. All the principles in the Qur'an are for the health, happiness and peaceful living of humanity. The name of the religion that Allah sent with Adam, Noah, ...Abraham, ...Moses, Jesus and Muhammad is Islam. The only source of the religion of Islam is the Qur'an. Some people and communities known as Muslims on earth adopted the views and understandings of some others as a religion by leaving the original messages of the Qur'an. Hence, intolerable problems among themselves and in their

relations with non-Muslims have emerged and still continue to emerge. Islam expounded by the Qur'an is very different from what it appears, particularly what the non-Muslims see on those people who claim to be Muslims. When you read the English interpretation of the Qur'an which is the source the religion of Islam, you will know the Qur'an and the religion of Islam more closely.

The 30 Parts of this publication gather in one place all relevant information needed to make the Qur'an more understandable and easier to study. This publication provides the following: 1.
