Abby's Book (The Baby-Sitters Club Portrait Collection) Ann M. Martin,2016-09-27 From the bestselling author of the generation-defining series The Baby-sitters Club comes a series for a new generation! So I guess this makes me an official SMS student--I'm writing my autobiography just like every other eight-grader here. This hasn't been easy. It's a big job, plus it's very emotional for me. Looking through all the family photos has made me remember some pretty difficult times. My family has been through a lot, but it hasn't all been bad. There was the period when my sister and I had to be color-coded so people could tell us apart! And then there was the crazy move to Stoneybrook, and my unforgettable first meeting with Kristy Thomas. So now here I am, a stoneybrookite, working on my first major school project. I sincerely hope I don't blow it.

Maggie & Abby's Neverending Pillow Fort Will Taylor,2018-04-03 A sparkling new series about two best friends on the adventure of a lifetime! Maggie's been waiting for her best friend Abby to get home from Camp Cantaloupe for SIX. WHOLE. WEEKS. But now that Abby's finally home, she's...different. All New Abby wants to do is talk about camp things and plan campy activities—she even has the nerve to call Maggie's massive, award-worthy pillow fort a “cabin.” But hey, at least she's willing to build a “cabin” of her own. And when Maggie discovers that a pillow in the back of her fort mysteriously leads right into Abby's new one, the two friends are suddenly just an arm's length away. Soon they're adding links and building more forts, until Maggie looks behind one pillow too many and finds herself face-to-face with...the authorities. Turns out their little pillow fort network isn't the first to exist. A massive network of linked-up pillow and sofa forts already spans the globe, and the kids who run it are not happy with Maggie and Abby. With just three days to pass their outrageous entrance requirements or lose the links forever, Maggie and Abby pull out all the stops to try to save their network. There's only a little bit of summer left to burn, and Maggie and Abby are both determined to win back their pillow fort freedom. But can their friendship—and their scrappy homemade network—survive the mission?

Abby's Reign Tammy Barborek,2018-01-22 Jenny Crenshaw was an ordinary teenage girl in high school, hanging out with her best friend Kerri. When Jenny started having headaches every day, she thought it may be stress from school and her eighteenth birthday coming up. But what was happening to Jenny was far more than an ordinary headache. It waited for Jenny; watching her, taunting with vivid images of burning flesh and screams she could not fight off. It was a feeling that she was more than just a teenage girl. When Jenny was angry, horrible things seem to happen all around her, and the words of another kept filling her head. Who was this? What did they want with her? It had begun and nothing could stop the knowledge that something was coming for her. Would she survive a curse of hundreds of years old or would it take her to the depths of hell? A rage that burned inside her would soon unleash the truth behind a curse that haunted her dreams. Would she survive or would it consume her? Would an angel come to rescue her or could the curse destroy everything and everyone around her? The thoughts ran rampant inside her head. She kept hearing voices over and over; as if her head would explode. The small town of Newton, Massachusetts, would never be the same, as the hauntings become real. Would Sara Crenshaw, Jenny's mother, be able to save her daughter or will all be lost to the past? Could Jenny's best friend, Kerri, help her uncover the past and change its course? Maybe, but she is the chosen one. Could the town, her friends, and all that Jenny loved, be destroyed as they come to claim her? Or will the divine love of an angel save her? Maybe. But then again, maybe not!

Abby's father, Josh, has raised his precious daughter himself, but his overprotectiveness has become stifling. Abby longs to forge out on her own and see the world after a childhood trapped indoors: she suffers from bronchopulmonary dysplasia, which means a case of the sniffles can rapidly escalate into life-threatening pneumonia. But when Abby's doctor declares her healthy--for now--her grandmother Millie whisks her away to Europe to visit the Christmas markets that her mother cherished and chronicled in her travel journals. Despite her father's objections, Abby and Millie embark on a journey of discovery in which Abby will learn secrets that force her to reevaluate her image of her mother and come to a more mature understanding of a parent-child bond that transcends death. New York Times and USA Today bestselling author Steena Holmes offers a tender and heartfelt exploration of parental love and a daughter's longing for connection in the poignant next chapter following *Saving Abby*.

This Is Not the Abby Show Debbie Reed Fischer,2016-07-12 "Abby's funny and engaging first-person narrative recalls the tone of Jeff Kinney's *Wimpy Kid* and Rachel Renee Russell's *Dork Diaries*, and the ultimate message--friends can help bring out the best in someone--is heartwarming." --Booklist Fans of *Joey Pigza*, *Meg Cabot*, and *Because of Mr. Terupt* will root for hilarious, one-of-a-kind Abby as she navigates ADHD, middle school, family, and friendships. Abby was born for the spotlight. Now it's her time to shine! Abby is twice exceptional--she is gifted in math and science, and she has ADHD. Normally, she has everything pretty much under control. But when Abby makes one HUGE mistake that leads to "The Night That Ruined My Life," or "TNTRML," she lands in summer school. Abby thinks the other summer-school kids are going to be total weirdos. And what with her parents' new rules, plus all the fuss over her brother's bar mitzvah, her life is turning into a complete disaster. But as Abby learns to communicate better and finds friends who love her for who she is, she discovers that her biggest weaknesses could be her greatest assets. Hilarious and heartwarming, *This Is Not the Abby Show* is for everyone who knows that standing out is way more fun than blending in. "Like Jack Gantos's *Joey Pigza* books, this lively novel from Fischer offers a firsthand view of life with ADHD." --Publishers Weekly "A captivating portrayal of one girl's experiences with ADHD. . . . Fischer's spunky and introspective protagonist offers a sympathetic mirror for many kids, both boys and girls." --Kirkus Reviews "The characters are likable and fun to follow from start to finish, and their growth rings true. The author does a great job of shining some light on ADHD and how it can affect people differently." --School Library Journal

Yet all along the way, uncertainties about her own identity and the nature of her birth family prevent her from feeling truly happy and satisfied. Abby's discovery that their new neighbor, Kathryn, had worked for the adoption agency that placed Abby propels Abby on a search for the truth about her birth family. This search carries her on a whirlwind of emotions and in due course, the discovery of her birth family's history. All, however, is not as it first appears. What new insights will be revealed?
