**Victoria & Abdul (Movie Tie-In)** Shrabani Basu, 2017-08-29 Soon to be a Major Motion Picture starring Dame Judi Dench from director Stephen Frears, releasing September 22, 2017. History's most unlikely friendship—this is the astonishing story of Queen Victoria and her dearest companion, the young Indian Munshi Abdul Karim. In the twilight years of her reign, after the devastating deaths of her two great loves—Prince Albert and John Brown—Queen Victoria meets tall and handsome Abdul Karim, a humble servant from Agra waiting tables at her Golden Jubilee. The two form an unlikely bond and within a year Abdul becomes a powerful figure at court, the Queen's teacher, her counsel on Urdu and Indian affairs, and a friend close to her heart. This marked the beginning of the most scandalous decade in Queen Victoria's long reign. As the royal household roiled with resentment, Victoria and Abdul's devotion grew in defiance. Drawn from secrets closely guarded for more than a century, *Victoria & Abdul* is an extraordinary and intimate history of the last years of the nineteenth-century English court and an unforgettable view onto the passions of an aging Queen.

The Image of Mahatma Gandhi in Modern Arabic Literature Abdul Ali, 2018-12-30 A huge body of literature has been produced on the life and contribution of Mahatma Gandhi in different languages of the world. The Arabic language is no exception. The Indian freedom movement under the leadership of Gandhi had a great impact on the Arab intelligentsia who nourished the nationalist momentum of the Arab masses. Greatly inspired by the Indian national movement for freedom launched on secular lines, the Arabs started paying attention to India's historical background of independence as well as to its vast moral and spiritual potentialities. The leaders of the rising Arab nationalism looked eagerly to India for inspiration, thereby marking the beginning of the restoration of the age-old Indo-Arab relations that had suffered a temporary setback following the falling of both India and the Arab world under foreign domination. The teachings and principles of Mahatma Gandhi attracted the attention of Arab intelligentsia and men of letters. In the course of time he became so popular in the Arab world that all his minor and major activities were sympathetically reported in the Egyptian press. Several renowned Arab journalists, writers and poets wrote articles, books and poetical compositions on different aspects of the life of Gandhi which cannot be neglected by historians while making an overall assessment of his life and personality. The present book is the first systematic attempt at illuminating his image as reflected in the voluminous modern Arabic literature produced on him in both prose and poetry.

*Becoming Kareem* Kareem Abdul-Jabbar, Raymond Obstfeld, 2017-11-21 The first memoir for young readers by sports legend Kareem Abdul-Jabbar. At one time, Lew Alcindor was just another kid from New York City with all the usual problems: He struggled with fitting in, with pleasing a strict father, and with overcoming shyness that made him feel socially awkward. But with a talent for basketball, and an unmatched team of supporters, Lew Alcindor was able to transform and to become Kareem Abdul-Jabbar. From a childhood made difficult by racism and prejudice to a record-smashing career on the basketball court as an adult, Kareem Abdul-Jabbar's life was packed with coaches who taught him right from wrong and led him on the path to greatness. His parents, coaches Jack Donahue and John Wooden, Muhammad Ali, Bruce Lee, and many others played important roles in Abdul-Jabbar's life and sparked him to become an activist for social change and advancement. The inspiration from those around him, and his drive to find his own path in life, are highlighted in this personal and awe-inspiring journey. Written especially for young readers, *Becoming Kareem* chronicles how Kareem Abdul-Jabbar became the icon and legend he is today, both on and off the court.

**Dafidi and Abdul** Joe Ordia, Joe Ordia Joe Ordia, 2009-11 Dafidi and Abdul met in high school and they developed a strong friendship almost immediately. Though one is Jewish and the other Arab, they did not let their ethnic differences get in the way. They attended Boston College where they both played basketball; with Dafidi leading BC to the national playoffs. Then, Abdul was stricken with renal failure and discovered that he needed a kidney transplant. Dafidi was tested and he was a perfect match with Abdul. He offered to donate a kidney after the championship game. But, just prior to the big game, Abdul took a turn for the worse, and Dafidi had to make a decision: forsake his friend, or forgo the championship and save his friend. The decision was easy for Dafidi. He calmly declared, There are things in life that are more important than basketball. Dafidi was dressed for the championship game, but no one really expected him to play, having donated a kidney only one week earlier. A technical foul was called against Louisville with the score tied and only two seconds to go and Dafidi was called to take the shot. Would Dafidi save the day and the game? According to religious scholar Thomas Henshaw, This book is really about the expression of God's love through the friendship between Dafidi and Abdul.

*Who was sheeba?* Abdul Waheed , Who was the queen of Sheba? This remains an unsolved mystery till date. Just a little glimpse: Her description is found in the Holy Quran and the old Bible that she lived in a country named Yemen in the Arab region, where she was a prosperous queen. She belonged to an idolatrous religion and when she heard about King Solomon of Israel, she thought of going to Israel to see his grandeur. Going there, she saw something which she had not expected because when she saw his throne in the court of King Solomon of Israel, she was astonished and believed that he had special knowledge. It is surprising when the history of a person is not found after that, similarly about the Queen of Sheba too, after marrying Solomon, her description is not found in the Holy Quran or the Old Bible. This is surprising even for the history experts and writers, some people have even said that she was a witch but what is the truth? You assess what is in front of you. There is no doubt that this is a true incident because its ruins and archaeological evidence have also been found. This small book is presented before you on this subject. Please read it and increase your knowledge. If you find any gap then please inform immediately and if you have any more knowledge then please tell. I respect your knowledge and feel free to add it. I will try. Thank you Yours- Abdul Waheed, Barabanki, Uttar Pradesh, Bharat (India)

**ISLAM'S PEACEFUL WARRIOR: ABDUL GHAFFAR KHAN** Jeanne E. Gendreau,2013-12-20 Is violence Islam's true message? No, said the great Muslim leader Abdul Ghaffar Khan. Islam's Peaceful Warrior: Abdul Ghaffar Khan tells the true story of Khan's amazing life. A close colleague of Mahatma Gandhi, Ghaffar Khan founded a popular movement of nonviolent Muslims in South Asia. In a profound spiritual victory, many of his followers chose to die rather than fight when confronted. He taught that being Muslim means never hurting another person, that men and women are equal, and that God gives victory to those who refuse to fight. Today, this is a message the world longs to hear.

*Coach Wooden and Me* Kareem Abdul-Jabbar, 2017-05-16 Former NBA star and Presidential Medal of Freedom recipient Kareem Abdul-Jabbar explores his 50-year friendship with Coach John Wooden, one of the most enduring and meaningful relationships in sports history. When future NBA legend Kareem Abdul-Jabbar was still an 18-year-old high school basketball prospect from New York City named Lew Alcindor, he accepted a scholarship from UCLA largely on the strength of Coach John Wooden's reputation as a winner. It turned out to be the right choice, as Alcindor and his teammates won an unprecedented three NCAA championship titles. But it also marked the beginning of one of the most extraordinary and enduring friendships in the history of sports. In *Coach Wooden and Me*, Abdul-Jabbar reveals the inspirational story of how his bond with John Wooden evolved from a history-making coach-player mentorship into a deep and genuine friendship that transcended sports, shaped the course of both men's lives, and lasted for half a century. *Coach Wooden and Me* is a stirring tribute to the subtle but profound influence that Wooden had on Kareem as a player, and then as a person, as they began to share their cultural, religious, and family values while facing some of life's biggest obstacles. From his first day of practice, when the players were taught the importance of putting on their athletic socks properly; to gradually absorbing the sublime wisdom of Coach Wooden's now famous Pyramid of Success; to learning to cope with the ugly racism that confronted black athletes during the turbulent Civil Rights era as well as losing loved ones, Abdul-Jabbar fondly recalls how Coach Wooden's fatherly guidance not only paved the way for his unmatched professional success but also made possible a lifetime of personal fulfillment. Full of intimate, never-before-published details and delivered with the warmth and erudition of a grateful student who has learned his lessons well, *Coach Wooden and Me* is at once a celebration of the unique philosophical outlook of college basketball's most storied coach and a moving testament to the all-conquering power of friendship.
