Eric Hammel

The ACEs Revolution! John R. Trayser,2016-01-25 A template for the prevention of ACEs as well!

Aces Wild Amanda DeWitt,2022-09-13 What happens in Vegas when an all-asexual online friend group attempts to break into a high-stakes gambling club? Shenanigans ensue. A fast-paced, thrilling diversion.—Kirkus Reviews Some people join chess club, some people play football. Jack Shannon runs a secret blackjack ring in his private school's basement. What else is the son of a Las Vegas casino mogul supposed to do? Everything starts falling apart when Jack's mom is arrested for their family's ties to organized crime. His sister Beth thinks this is the Shannon family's chance to finally go straight, but Jack knows that something's not right. His mom was sold out, and he knows by who. Peter Carlevaro: rival casino owner and jilted lover. Gross. Jack hatches a plan to find out what Carlevaro's holding over his mom's head, but he can't do it alone. He recruits his closest friends—the asexual support group he met through fandom forums. Now all he has to do is infiltrate a high-stakes gambling club and dodge dark family secrets, while hopelessly navigating what it means to be in love while asexual. Easy, right? A wild romp told in a can't-look-away-from voice, *Aces Wild* is packed with internet friend hijinks and ace representation galore!

Race of Aces John R Bruning,2020-01-14 The astonishing untold story of the WWII airmen who risked it all in the deadly race to become the greatest American fighter pilot. In 1942, America's deadliest fighter pilot, or ace of aces -- the legendary Eddie Rickenbacker -- offered a bottle of bourbon to the first U.S. fighter pilot to break his record of twenty-six enemy planes shot down. Seizing on the challenge to motivate his men, General George Kenney promoted what they would come to call the race of aces as a way of boosting the spirits of his war-weary command. What developed was a wild three-year sprint for fame and glory, and the chance to be called America's greatest fighter pilot. The story has never been told until now. Based on new research and full of revelations, John Bruning's brilliant, original book tells the story of how five American pilots contended for personal glory in the Pacific while leading Kenney's resurgent air force against the most formidable enemy America ever faced. The pilots -- Richard Bong, Tommy McGuire, Neel Kearby, Charles MacDonald and Gerald Johnson -- riveted the nation as they contended for Rickenbacker's crown. As their scores mounted, they transformed themselves from farm boys and aspiring dentists into artists of the modern dogfight. But as the race reached its climax, some of the pilots began to see how the spotlight warped their sense of duty. They emerged as leaders, beloved by their men as they chose selfless devotion over national accolades. Teeming with action all across the vast Pacific theater, *Race of Aces* is a fascinating exploration of the boundary between honorable duty, personal glory, and the complex landscape of the human heart. Brings you into the cockpit of the lethal, fast-paced world of fighter pilots . . . Fascinating. -- Sara VladicExtraordinary . . . a must-read. -- US Navy Captain Dan PedersenA heart-pounding narrative of the courage, sacrifice, and tragedy of America's elite fighter pilots. -- James M. ScottVivid and gripping . . . Confirms Bruning's status as the premier war historian of the air. -- Saul David

Aces Up Covington Clarke,2019-12-02 *Aces Up* is a novel by American author Covington Clarke. The story revolves around a group of adventurers who are drawn into a high-stakes game of chance and deception. As the plot unfolds, readers are taken on a thrilling journey filled with intrigue, danger, and unexpected twists. Clarke's engaging storytelling and vivid characters make *Aces Up* an exciting and captivating read.

Ace Angela Chen,2020-09-15 An engaging exploration of what it means to be asexual in a world that's obsessed with sexual attraction, and what the ace perspective can teach all of us about desire and identity. What exactly is sexual attraction and what is it like to go through life not experiencing it? What does asexuality reveal about gender roles, about romance and consent, and the pressures of society? This accessible examination of asexuality shows that the issues that aces face—confusion around sexual activity, the intersection of sexuality and identity, navigating different needs in relationships—are the same conflicts that nearly all of us will experience. Through a blend of reporting, cultural criticism, and memoir, *Ace* addresses the misconceptions around the “A” of LGBTQIA and invites everyone to rethink pleasure and intimacy. Journalist Angela Chen creates her path to understanding her own asexuality with the perspectives of a diverse group of asexual people. Vulnerable and honest, these stories include a woman who had blood tests done because she was convinced that “not wanting sex” was a sign of serious illness, and a man who grew up in a religious household and did everything “right,” only to realize after marriage that his experience of sexuality had never been the same as that of others. Disabled aces, aces of color, gender-nonconforming aces, and aces who both do and don't want romantic relationships all share their experiences navigating a society in which a lack of sexual attraction is considered abnormal. Chen's careful cultural analysis explores how societal norms limit understanding of sex and relationships and celebrates the breadth of sexuality and queerness.

The Black Aces Jim Mudcat Grant,Tom Sabellico,Pat O'Brien,2007-08 For most of the first half of the twentieth century, African-Americans were excluded from Organized Baseball. But their love of the game, and their desire to play could not be denied. Despite that ban, blackball was being played in just about every cow pasture and field available throughout the country. Black players criss-crossed the country in Negro League games and on barnstorming tours, bringing baseball to places where the Major Leagues never dreamed of going. Many gifted athletes never got the chance to compete in the Majors, until the door was finally opened in 1947 with the signing of Jackie Robinson and Larry Doby. Once given that chance to compete, African-Americans showed the country that they were deserving of the opportunity. Many became superstars, but, on the mound, only 13 African-Americans ever reached the magic plateau of twenty wins in a season. This book tells the story of those thirteen men and a few of their predecessors, the obstacles they faced, and the determination they showed to succeed. But it is a story about so much more than just baseball. Against the backdrop of their grit and determination, it reflects the story of all African-American baseball players through the creation of the Negro Leagues, the evolution of the game, and the parallel integration of baseball and America.

Malcolm Lane Hart,D.B. West,2023-10-11 While Malcolm Hyde may look like your very own personal Jesus, he's anything but a saint. Covered in tattoos and leather, he's a smoking hot biker and nothing but trouble. As the president of the Dirty Aces MC, Malcolm is known for being cold and calculating. One bad decision - getting into business with the wrong person - is all it takes to bring down the entire MC. It's happened before to his predecessor, which is why Malcolm refuses to let it happen again on his watch. He doesn't trust anyone except for the few men who wear the same ace of spades patch on their back. And that's exactly why he doesn't ever take his eyes off of me - the new girl. I never intended to make an enemy out of Malcolm or the MC when I was sent to steal everything I could from them. After Malcolm finds out what I've been doing, he's furious and shows no mercy until I spill all of my secrets, ones that could very well end my life. That's when he makes me a surprising offer - he's willing to take care of all of my problems, and the only thing he's asking for in return is for me to completely surrender myself to him. Spending two weeks in bed with a bad boy biker sounds more like a reward than a punishment. There's just one little catch - once he claims my body, there's no guarantee he won't steal my heart too.

American Ace Marilyn Nelson,2016-01-12 This riveting novel in verse, perfect for fans of Jacqueline Woodson and Toni Morrison, explores American history and race through the eyes of a teenage boy embracing his newfound identity Connor's grandmother leaves his dad a letter when she dies, and the letter's confession shakes their tight-knit Italian-American family: The man who raised Dad is not his birth father. But the only clues to this birth father's identity are a class ring and a pair of pilot's wings. And so Connor takes it upon himself to investigate—a pursuit that becomes even more pressing when Dad is hospitalized after a stroke. What Connor discovers will lead him and his father to a new, richer understanding of race, identity, and each other.

Adverse Childhood Experiences Gordon G. J. G. Asmundson,Tracie O. Afifi,2019-10-03 *Adverse Childhood Experiences: Using Evidence to Advance Research, Practice, Policy, and Prevention* defines ACEs, provides a summary of the past 20 years of ACEs research, as well as provides guidance for the future directions for the field. It includes a review of the original ACEs Study, definitions of ACEs, and how ACEs are typically assessed. Other content includes a review of how ACEs are related to mental and physical health outcome, the neurodevelopmental mechanisms linking ACEs to psychopathology, sexual violence and sexual health outcomes, and violence across the lifespan. Important and contemporary issues in the field, like reconsidering how ACEs should be defined and assessed, the appropriateness of routine ACEs screening, thinking about ACEs from a public health and global perspective, strategies for preventing ACEs, understanding ACEs and trauma-informed care and resilience, and the importance of safe stable and nurturing environments for children are discussed. *Adverse Childhood Experiences* is a useful evidence-based resource

for professionals working with children and families, including physicians, nurses, social workers, psychologists, lawyers, judges, as well as public health leaders, policy makers, and government delegates. Reviews the past 20 years of ACEs research Examines ACEs and mental and physical health Discusses the neurodevelopment mechanisms of ACEs and psychopathology Examines ACEs and violence across the lifespan Reconsiders the definition and assessment of ACEs Examines the issue of routine ACEs screening Discusses ACEs from a public health and global perspective Summarizes effective ACEs prevention, trauma-informed care, and resilience Provides recommendations for the future directions of the ACEs field

Aces Against Germany Eric Hammel,2020-12-05 ACES AGAINST GERMANY The American Aces Speak Volume II Eric Hammel In the second volume of his critically acclaimed series, The American Aces Speak, noted military historian Eric Hammel brings fresh first-person accounts from thirty-nine U.S. Army Air Corps fighter aces who blasted their way across the skies of North Africa, the Mediterranean, and northern and southern Europe in the great crusade against Hitler's vaunted Luftwaffe and the other Axis air forces. Coupled with a clear, concise historical overview of America's brilliant air war against the Axis in Europe and North Africa, Hammel's detailed interviews bring out the most thrilling in-the-cockpit experiences of some of our country's best pilots. Climb aboard a P-38 Lightning as Maj. Bill Leverette fights America's highest-scoring single personal air battle against the Luftwaffe. And get into the cockpit of a P-47 Thunderbolt as 15-victory ace Capt. Don Bryan scores his dream kill by outwitting the pilot of a far speedier German jet in the closing days of the war in Europe. As he did in four companion volumes, Hammel has collected some of the very best air-combat tales from America's war against Germany. Nearly all the stories in *Aces Against Germany* have never before been told, and the others have been enhanced by details and viewpoints brought out by Hammel's superb interviewing Together, the five volumes of nearly 200 first-person aerial-combat stories from World War II, Korea, and Vietnam stand as an enduring testament to the combat airmen who fought their wars strapped into the cockpits of America's lethal high-performance fighter aircraft. *Aces Against Germany* is a highly charged emotional rendering of the now-dim days of personal combat at the very edge of our living national history. There was never a war like it, and there never will be again. These are the stories of America's eagles in their very own words. Critical Acclaim for The American Aces Speak Series The Book World says: "Aces Against Japan is a thunderous, personal, high-adventure book giving our 'men in the sky' their own voice." Book Page says: "Eric Hammel's book is recommended reading. It is a must for any historian's bookshelf." The Library Journal says: "No PR hype or dry-as-dust prose here. Hammel allows his flyers to tell their stories in their own way. Exciting stuff aviation and World War II buffs will love." The Providence Sunday Journal says: "A treat that deftly blends a chronology of the Pacific War with tales that would rival a Saturday action matinee." Infantry Magazine says: "If you would like to read one book that will give you a broad overview and yet a detailed look at what a fighter pilot's air war was like this is the book." The Bookshelf says: "Hammel is one of our best military historians when it comes to presenting that often complex subject to the general public. He has demonstrated this facility in a number of fine books before [*Aces Against Germany*] and now he does so again. Not to be missed by either buff or scholar."

Aces Bill Yenne,2020-10-13 *Aces* is an illustrated history of the brave World War II fighter pilots who earned the title of ace, with archival and modern photos of their aircraft.

The EC Archives: Aces High Irv Werstein,Carl Wessler,2019-06-25 Experience the dangers and thrills of aerial combat with *Aces High*! This handsome volume collects issues #1-5 of the classic war comic, including unforgettable stories from the all-star artistic lineup of George Evans, Wally Wood, Jack Davis, Bernie Krigstein, Irv Werstein, Carl Wessler, and Jack Oleck. • *Aces High* issues #1-5, the complete series, in full color! • Features stories drawn by all-star comic artists George Evans, Wally Wood, Jack Davis, and Bernie Krigstein! • Dark Horse reprints the infamous comic series, including all the original ads, text pieces, and letters!

Aces Wild Erica S. Perl,2013-06-11 Zelly Fried has finally convinced her parents to let her get a dog, with the help of her grandfather Ace. Unfortunately, said dog (also named Ace) is a shoe-chewing, mud-tracking, floor-peeing kind of dog. Despite Zelly's best efforts to drag Ace (literally!) to puppy kindergarten, his flunking report card says it all: This Ace is wild. Also wild is the other Ace in Zelly's life. Grandpa Ace has decided to begin dating again and is dining and dancing every night, against his doctor's orders. Determined to get both Aces under control, Zelly enlists the help of her two best friends, Allison and Jeremy (despite the fact that they don't quite see eye to eye). They need to come up with a plan, fast. But how? It's not like either Ace ever does what he's told.

Aces & Queens J.R. Roberts, In tracking a man named Resnick to Kingman, Arizona as a favor for his friend, Talbot Roper, Clint unexpectedly finds a high stakes poker tournament in progress. His friends Luke Short and Bat Masterson are there, as well as bounty hunter Anne Archer. Hoping they will reconnect, as she is the one woman he thinks about during his travels, he is disappointed to find she's married. She begs him to help her discover the kind of man her husband really is, and if this poker tournament was the kind of thing she was going to have to look forward to. At the same time he is still trying to find Resnick. When someone tries to ambush the Gunsmith, he has to figure out if it's because of Resnick, the poker tournament, or something else, entirely.

Black Aces High Robert K. Wilcox,2004-03-13 The author of *Scream of Eagles* pens a riveting account of a modern fighter squadron at war and the exploits, triumphs, and traumas of its pilots. A fast-moving look behind the scenes.--Publishers Weekly. 8-page photo insert. Martin's Press.

Aces in the Wind David Lee Cooper,2021-10-15 This is the story of family trees. The book weaves together the tangle of branches that hold the characters in their grasp. The turbulent times of the Great Depression, WWII, and the social change of the 1960s serve merely as the backdrop to these peoples' lives. The reader meets James at pivotal points in his life. We begin by watching the relationship he has with his son. Then we veer back to James's father and how they live. There are decisions made, and great strengths and weaknesses are within each character. The women are complex and are the nails that hold the framework of these characters' lives. The characters deal with life head on and try to engage the better parts of their nature to navigate the waters of life. Like a grand poker game, the stakes are high and the players are serious. Some characters grow beyond themselves, while others halt and falter along the way. When the hands are shown and the money is paid, sometimes it comes down to how many aces are in the wind.

Home Game Lisa Suzanne,2021-02-09 Getting fired and dumped in the same thirty seconds makes for a pretty bad Tuesday. But by Thursday, I'll be in Vegas celebrating my brother's wedding. Since I could use a fresh start, he offers me a place to stay with a buddy of his. At the bachelorette party, a raunchy game results in a quest to find me a one-night stand. When a hunk with dark blue eyes and perfect bone structure hits me with a silly line at the bar, my mission is complete. I vow to move on from our steamy night as I head to the rehearsal dinner, certain one of my brother's hot pro football player groomsmen will be my Prince Charming. Then the best man turns around. Dark blue eyes. Perfect bone structure. A body I won't soon forget. And apparently my new roommate. This is the first book in the VEGAS ACES series.

Dick Bong: Ace Of Aces General George C. Kenney,2014-08-15 Major Richard "Dick" Ira Bong died at the tender age of 24 on the 6th August 1945 in a flight accident during testing of the P-80 Shooting Star Fighter. His fame was such that news of his death vied with the atomic bomb attack on Hiroshima in the US press, his legendary exploits at the helm of his P-38 Lightning had made him a household name. Bong had only recently received the Congressional Medal of Honor for his exploits of downing 40 enemy Japanese planes in the Southwestern Pacific. His tally of 40 victories made him the highest scoring American ace of all time, a record that is unlikely to ever be broken. In this biography his former commanding officer General George C. Kenney recounts his life; from his early life in Wisconsin, his sweetheart Marge, and his aerial exploits. Kenney enriches the narrative with personal anecdotes that illuminate the modest unassuming but determinedly heroic, Ace of Aces. Highly recommended.

Aces In Combat Eric Hammel,2020-12-05 ACES IN COMBAT The American Aces Speak Eric Hammel Adding to the acclaimed first four volumes of his exciting, in-the-cockpit series, The American Aces Speak, leading combat historian Eric Hammel comes through with yet another engrossing collection of first-person accounts by American fighter aces serving in World War II and the Korean War. As are the four earlier volumes, *Aces In Combat* is a highly charged excursion into life and death in the air, told by men who excelled at piston-engine and jet-engine aerial combat and lived to tell about it. It is an emotional rendering of what brave airmen felt and how they fought in the now-dim days of America's living national history. View the Battle of Midway through Lieutenant Jim Gray's eyes as he must balance the needs of fellow pilots against the needs of his nation. Share the

fear with Captain Charlie Sullivan as would-be rescuers deep in the New Guinea jungle attempt to turn him into a blood sacrifice. Crew a Canadian Mosquito night fighter as Lieutenant Lou Luma stalks the wily Hun—and bags an ace—over an airfield deep in Germany. Share Lieutenant Bud Fortier’s and Major George Loving’s grief when, on missions nearly eight years apart, they look on helplessly as trusted wingmen dive to their deaths in treacherous ground-attack runs. And watch anxiously as Captain Tom Maloney hovers between life and death for ten lonely days after stepping on a mine on an enemy-held beach. These are America’s eagles, and the stories they tell are their own, in their very own words.

Ki-61 and Ki-100 Aces Nicholas Millman,2015-11-20 This is the story of the elite Japanese Army Air force (JAAF) aces that flew the Kawasaki Ki-61 Hien (Swallow), and the Ki-100 Goshikisen in the Pacific Theatre of World War 2. The former, codenamed 'Tony' by the allies, was a technically excellent aircraft, possessing power, stability and a good rate of climb - differing radically from the usual Japanese philosophy of building light, ultra-maneuvrable fighters. Its pilots soon realised, however, that the type was plagued by a number of dangerous mechanical issues. Then as the war moved relentlessly closer to Japan's doorstep, a desperate, expedient innovation to the Ki-61 airframe by fitting it with a radial instead of inline engine resulted in one of the finest fighters of World War 2 - the Ki-100. This book uses the latest findings to provide a gripping account of some of the most remarkable and hard-pressed fighter pilots of the war. It reveals how these men, unlike so many of their unfortunate late-war colleagues, could surprise Allied aircraft in high-performance fighters and claim successes in the face of enormous odds.

This is likewise one of the factors by obtaining the soft documents of this **Aces** by online. You might not require more epoch to spend to go to the book foundation as well as search for them. In some cases, you likewise get not discover the broadcast Aces that you are looking for. It will definitely squander the time.
