

Ada's

Cindy Woodsmall

Ada's Legacy Robin Hammerman, Andrew L. Russell, 2015-10-01 Ada's Legacy illustrates the depth and diversity of writers, thinkers, and makers who have been inspired by Ada Lovelace, the English mathematician and writer. The volume, which commemorates the bicentennial of Ada's birth in December 1815, celebrates Lovelace's many achievements as well as the impact of her life and work, which reverberated widely since the late nineteenth century. In the 21st century we have seen a resurgence in Lovelace scholarship, thanks to the growth of interdisciplinary thinking and the expanding influence of women in science, technology, engineering and mathematics. Ada's Legacy is a unique contribution to this scholarship, thanks to its combination of papers on Ada's collaboration with Charles Babbage, Ada's position in the Victorian and Steampunk literary genres, Ada's representation in and inspiration of contemporary art and comics, and Ada's continued relevance in discussions around gender and technology in the digital age. With the 200th anniversary of Ada Lovelace's birth on December 10, 2015, we believe that the timing is perfect to publish this collection of papers. Because of its broad focus on subjects that reach far beyond the life and work of Ada herself, Ada's Legacy will appeal to readers who are curious about Ada's enduring importance in computing and the wider world.

The Hope of Refuge Cindy Woodsmall, 2009-08-11 The first book in the Ada's House series, The Hope of Refuge is a moving story of love, hope, and new beginnings from New York Times bestselling author Cindy Woodsmall. The widowed mother of a little girl, Cara Moore is struggling against poverty, fear, and a relentless stalker. When her stalker ransacks her home, Cara and her daughter, Lori, flee New York City for an Amish community, eager for a fresh start. But she discovers that long-held secrets about her family history ripple beneath the surface of Dry Lake,

Pennsylvania, and it's no place for an outsider. One Amish man, Ephraim Mast, dares to fulfill the command he believes that he received from God—"Be me to her"—despite how it threatens his way of life. While Ephraim tries to do what he believes is right, will he be shunned and lose everything, including the guarded single mother who simply longs for a better life? A complete opposite of the hard, untrusting Cara, Ephraim's sister Deborah also finds her dreams crumbling when the man she has pledged to build a life with begins withdrawing from Deborah and his community, including his mother, Ada Stoltzfus. Can the run-down house that Ada envisions transforming unite them toward a common purpose—or will it push Mahlon away forever?

Ada's Violin Susan Hood, 2016-05-03 A town built on a landfill. A community in need of hope. A girl with a dream. A man with a vision. An ingenious idea.

Hope Crossing Cindy Woodsmall, 2014-11-04 Hope Crossing...where Ada's House stands as a haven for weary souls looking for kindness, faith, and second chances. The Hope of Refuge Two very different women are pulled by their strongest desires. Deborah Mast joined the Amish church and longs to marry her fiancé, but he is changing. Cara Moore is forced to look into a life that was meant to be hers. Will Ada's House help them realize their hearts' desires or will it force them to accept what life has done to each of them? The Bridge of Peace Living out her passion for teaching, Lena Kauffman's work is suddenly interrupted by a series of pranks and accidents targeted toward her and her students. When tragedy strikes her dear friend Grey Graber's family on school property, the school board begins to blame her for the trouble. As grief and confusion take their toll on Grey and Lena's friendship, they are both forced to face a new reality that may offer the peace and love they each long for. The Harvest of Grace Fleeing a terrible mistake, Sylvia Fisher dedicates herself to saving the failing Blank farm. When prodigal son Aaron returns, he is surprised by this unusual

farmhand who opposes all his plans. Will Aaron and Sylvia's unflinching efforts toward opposite futures mask the bigger picture—a path to forgiveness, grace, and the promise of love? This three-in-one collection includes the entirety of the best-selling Ada's House trilogy, now at a new low price!

Ada's Rules Alice Randall, 2013-01-01 Ada Howard, the wife of the preacher at Nashville's Full Love Baptist Tabernacle, has a whole lot of people to take care of. There's her husband, of course, and the flock that comes with him, plus the kids at the day care centre where she works, two grown daughters, and two ailing, wayward parents. It's no wonder she can't find time to take care of herself. And her husband's been so busy lately she's suspicious some other woman may be taking care of him...Then it comes: the announcement of her twenty-five-year college reunion in twelve months' time, signed with a wink by her old campus flame. It sets Ada thinking about the thrills of young love lost, and the hundred or so pounds gained since her college days, and she decides it's high time to change her body, and her life. So she starts laying down some rules. The first rule is: Don't Keep Doing What You've Always Been Doing. And so begins her unforgettable journey on the way to less weight and more love...For anyone who has ever found themselves at a crossroads, with one hand in their pocket and the other in the cookie jar, *Ada's Rules* is a warm, funny and soulfully wise novel about falling back in love with the life you have.

The Last Stargazers Emily Levesque, 2020-08-04 The story of the people who see beyond the stars—an astronomy book for adults still spellbound by the night sky. Humans from the earliest civilizations through today have craned their necks each night, using the stars to orient themselves in the large, strange world around them. Stargazing is a pursuit that continues to fascinate us: from Copernicus to Carl Sagan, astronomers throughout history have spent their lives trying to answer the biggest questions in the universe. Now, award-winning astronomer Emily Levesque shares the

stories of modern-day stargazers in this new nonfiction release, the people willing to adventure across high mountaintops and to some of the most remote corners of the planet, all in the name of science. From the lonely quiet of midnight stargazing to tall tales of wild bears loose in the observatory, *The Last Stargazers* is a love letter to astronomy and an affirmation of the crucial role that humans can and must play in the future of scientific discovery. In this sweeping work of narrative science, Levesque shows how astronomers in this scrappy and evolving field are going beyond the machines to infuse creativity and passion into the stars and space and inspires us all to peer skyward in pursuit of the universe's secrets.

The Hope of Refuge Cindy Woodsmall, 2009-08-11 The first book in the Ada's House series, *The Hope of Refuge* is a moving story of love, hope, and new beginnings from New York Times bestselling author Cindy Woodsmall. The widowed mother of a little girl, Cara Moore is struggling against poverty, fear, and a relentless stalker. When her stalker ransacks her home, Cara and her daughter, Lori, flee New York City for an Amish community, eager for a fresh start. But she discovers that long-held secrets about her family history ripple beneath the surface of Dry Lake, Pennsylvania, and it's no place for an outsider. One Amish man, Ephraim Mast, dares to fulfill the command he believes that he received from God—"Be me to her"—despite how it threatens his way of life. While Ephraim tries to do what he believes is right, will he be shunned and lose everything, including the guarded single mother who simply longs for a better life? A complete opposite of the hard, untrusting Cara, Ephraim's sister Deborah also finds her dreams crumbling when the man she has pledged to build a life with begins withdrawing from Deborah and his community, including his mother, Ada Stoltzfus. Can the run-down house that Ada envisions transforming unite them toward a common purpose—or will it push Mahlon away forever?

The Bridge of Peace Cindy Woodsmall, 2010-08-31 Love alone isn't enough to overcome some obstacles. Lena Kauffman is a young Old Order Amish schoolteacher who has dealt all her life with attention raised by a noticeable birthmark on her cheek. Having learned to move past the stares and whispers, Lena channels her zest for living into her love of teaching. But tensions mount as she is challenged to work with a rebellious young man and deal with several crises at the schoolhouse that threaten her other students. Her lack of submission and use of ideas that don't line up with the Old Ways strengthen the school board's case as they begin to believe that Lena is behind all the trouble. One member of the school board, Grey Graber, feels trapped by his own stifling circumstances. His wife, Elsie, has shut him out of her life, and he doesn't know how long he can continue to live as if nothing is wrong. As the two finally come to a place of working toward a better marriage, tragedy befalls their family. Lena and Grey have been life-long friends, but their relationship begins to crumble amidst unsettling deceptions, propelling each of them to finally face their own secrets. Can they both find a way past their losses and discover the strength to build a new bridge?

Aunt Ada's Antiques Martin Rudnick, 2001-06 A broken engagement prompts Julia Morgan to move to San Francisco in search of a new life. The first letter at her new address is from her Aunt Ada of Pensacola, Florida, pleading for help. She believes there is a conspiracy afoot to deprive her of her antique collection. Out of work and low on funds Julia wonders how to respond. Over the years Aunt Ada has gifted her with a few ancient items. An appraisal proves them to be valuable and a source of funding for a trip to Pensacola. Julia enters the world of antiques expecting boredom. She encounters excitement, danger, and romance.

Ada's Violin Susan Hood, 2016-05-03 From award-winning author Susan Hood and illustrator Sally Wern Comport comes the extraordinary true tale of the Recycled Orchestra of Paraguay, an

orchestra made up of children playing instruments built from recycled trash. Ada Ríos grew up in Cateura, a small town in Paraguay built on a landfill. She dreamed of playing the violin, but with little money for anything but the bare essentials, it was never an option...until a music teacher named Favio Chávez arrived. He wanted to give the children of Cateura something special, so he made them instruments out of materials found in the trash. It was a crazy idea, but one that would leave Ada—and her town—forever changed. Now, the Recycled Orchestra plays venues around the world, spreading their message of hope and innovation.

Ada's Ideas Fiona Robinson, 2016-08-02 Ada Lovelace (1815–1852) was the daughter of Lord Byron, a poet, and Anna Isabella Milbanke, a mathematician. Her parents separated when she was young, and her mother insisted on a logic-focused education, rejecting Byron's "mad" love of poetry. But Ada remained fascinated with her father and considered mathematics "poetical science." Via her friendship with inventor Charles Babbage, she became involved in "programming" his Analytical Engine, a precursor to the computer, thus becoming the world's first computer programmer. This picture book biography of Ada Lovelace is a compelling portrait of a woman who saw the potential for numbers to make art.

Cuba (Winner of the Pulitzer Prize) Ada Ferrer, 2022-06-28 In 1961, at the height of the Cold War, the United States severed diplomatic relations with Cuba, where a momentous revolution had taken power three years earlier. For more than half a century, the stand-off continued--through the tenure of ten American presidents and the fifty-year rule of Fidel Castro. His death in 2016, and the retirement of his brother and successor Raúl Castro in 2021, have spurred questions about the

country's future. Meanwhile, politics in Washington--Barack Obama's opening to the island, Donald Trump's reversal of that policy, and the election of Joe Biden--have made the relationship between the two nations a subject of debate once more. Now, award-winning historian Ada Ferrer delivers an ambitious chronicle written for an era that demands a new reckoning with the island's past. Spanning more than five centuries, *Cuba: An American History* reveals the evolution of the modern nation, with its dramatic record of conquest and colonization, of slavery and freedom, of independence and revolutions made and unmade. Along the way, Ferrer explores the influence of the United States on Cuba and the many ways the island has been a recurring presence in US affairs. This is a story that will give Americans unexpected insights into the history of their own nation and, in so doing, help them imagine a new relationship with Cuba. Filled with rousing stories and characters, and drawing on more than thirty years of research in Cuba, Spain, and the United States--as well as the author's own extensive travel to the island over the same period--this is a stunning and monumental account like no other. --

The Harvest of Grace Cindy Woodsmall, 2011-08-09 Reeling from an unexpected betrayal, can Sylvia find relief from the echoes of her past...or will they shape her future forever? Although Sylvia Fisher recognizes that most Old Order Amish women her age spend their hours managing a household and raising babies, she has just one focus—tending and nurturing the herd on her family's dairy farm. But when a dangerous connection with an old beau forces her to move far from home, she decides to concentrate on a new start and pour her energy into reviving another family's debt-ridden farm. After months in rehab, Aaron Blank returns home to sell his Daed's failing farm and move his parents into an easier lifestyle. Two things stand in his way: the father who stubbornly refuses to recognize that Aaron has changed and the determined new farmhand his parents love like

a daughter. Her influence on Aaron's parents could ruin his plans to escape the burdens of farming and build a new life. Can Aaron and Sylvia find common ground? Or will their unflinching efforts toward opposite goals blur the bigger picture— a path to forgiveness, glimpses of grace, and the promise of love.

The Swallowtail Legacy 1: Wreck at Ada's Reef Michael D. Beil, 2022-02-15 A vibrant contemporary mystery with a classic feel about grappling with grief, righting past wrongs, redefining family, and finding yourself. An Edgar Award Nominee! Twelve-year-old Lark Heron-Finch is steeling herself to spend the summer on Swallowtail Island off the shores of Lake Erie. It's the first time she and her sister will have seen the old house since their mom passed away. The island's always been full of happy memories—and with a step father and his boys and no mom, now everything is different. When Nadine, a close family friend, tells Lark about a tragic boat accident that happened off the coast many years before, Lark's enthralled with the story. Nadine's working on a book about Dinah Purdy, Swallowtail's oldest resident who had a connection to the crash, and she's sure that the accident was not as it appeared. Impressed by Lark's keen eye, she hires her as her research assistant for the summer. And then Lark discovers something amazing. Something that could change Dinah's life. Something linked to the crash and to her own family's history with Swallowtail. But there are others on the island who would do anything to keep the truth buried in the watery depths of the past. A compelling and complex mystery with a classic feel, *Wreck at Ada's Reef* is a perfect coming-of-age middle grade novel for fans of *The Parker Inheritance*, *Holes*, *The Westing Game*, and anyone looking for a satisfying puzzle that stretches across decades. Named to the Vermont Golden Dome Book Award List

Ada Lace, on the Case Emily Calandrelli, 2017-08-29 From Emily Calandrelli—host of Xploration

Outer Space, correspondent on Bill Nye Saves the World, and graduate of MIT—comes the first novel in a brand-new chapter book series about an eight-year-old girl with a knack for science, math, and solving mysteries with technology. Ada Lace—third-grade scientist and inventor extraordinaire—has discovered something awful: her neighbor’s beloved Yorkie has been dognappped! With the assistance of a quirky neighbor named Nina (who is convinced an alien took the doggie) and her ever-growing collection of gadgets, Ada sets out to find the wrongdoer. As their investigation becomes more and more mysterious, Ada and Nina grow closer, proving that opposites do, in fact, attract.

Ada, or Ardor: A Family Chronicle Vladimir Nabokov, 2024-02-17 Published two weeks after his seventieth birthday, *Ada, or Ardor* is one of Nabokov's greatest masterpieces, the glorious culmination of his career as a novelist. It tells a love story troubled by incest. But more: it is also at once a fairy tale, epic, philosophical treatise on the nature of time, parody of the history of the novel, and erotic catalogue. *Ada, or Ardor* is no less than the superb work of an imagination at white heat. This is the first American edition to include the extensive and ingeniously sardonic appendix by the author, written under the anagrammatic pseudonym Vivian Darkbloom.

Twenty-First Century Science Fiction David G. Hartwell, 2013-11-05 *Twenty-First Century Science Fiction* is an enormous anthology of short stories—close to 250,000 words—edited by two of the most prestigious and award-winning editors in the SF field and featuring recent stories from some of science fiction's greatest up-and-coming authors. David Hartwell and Patrick Nielsen Hayden have long been recognized as two of the most skilled and trusted arbiters of the field, but *Twenty-First Century Science Fiction* presents fans' first opportunities to see what their considerable talents come up with together, and also to get a unique perspective on what's coming

next in the science fiction field. The anthology includes authors ranging from bestselling and established favorites to incandescent new talents including Paolo Bacigalupi, Cory Doctorow, Catherynne M. Valente, John Scalzi, Jo Walton, Charles Stross, Elizabeth Bear, and Peter Watts, and the stories selected include winners and nominees of all of the science fiction field's major awards. One of Publishers Weekly's Best Science Fiction Books of 2013 At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Stars Uncharted S. K. Dunstall, 2018-08-14 In this rip-roaring space opera, a ragtag band of explorers are out to make the biggest score in the galaxy. On this space jump, no one is who they seem . . . Captain Hammond Roystan is a simple cargo runner who has stumbled across the find of a lifetime: the Hassim, a disabled exploration ship--and its valuable record of unexplored worlds. His junior engineer, Josune Arriola, said her last assignment was in the uncharted rim. But she is decked out in high-level bioware that belies her humble backstory. A renowned body-modification artist, Nika Rik Terri has run afoul of clients who will not take no for an answer. She has to flee off-world, and she is dragging along a rookie modder, who seems all too experienced in weapons and war . . . Together this mismatched crew will end up on one ship, hurtling through the lawless reaches of deep space with Roystan at the helm. Trailed by nefarious company men, they will race to find the most famous lost world of all--and riches beyond their wildest dreams . . .

Ada Lace, on the Case Emily Calandrelli, Tamson Weston, 2017-08-29 Eight-year-old Ada, who has a knack for science, math, and solving mysteries, teams up with her best friend, Nina, to find a missing dog.--
