

Addict

Caroline Jean Acker

The Addict Michael Stein,2009-10-06 “A gripping, illuminating book . . . Dr. Stein is drawn, in an almost Sherlock Holmesian way, toward trying to fathom and analyze addicts’ behavior. . . . hauntingly and successfully, Stein lets readers make a doctor’s experiences their own.” — New York Times “Beautifully told... [with] great insight, empathy and compassion.” — Abraham Verghese, author of *The Tennis Partner*, *My Own Country*, and *Cutting for Stone* *The Addict* is the powerful and revealing narrative of Dr. Michael Stein’s year-long treatment of a young woman addicted to Vicodin. Dr. Stein has followed up his award winning book *The Lonely Patient* with “a useful, sensible, and often inspiring guide to how the medical profession does—and should—treat the sick, and the sick at heart.” (Francine Prose, *O* magazine)

When Society Becomes an Addict Anne Wilson Schaef,1988-04-20 An incisive look at the system of addiction pervasive in Western society today.

The Drug Addict as a Patient Marie Nyswander Robinson,1956

Being a Drug Addict James Craig,2009-11 James Craig, M.D., had a thriving medical practice, a loving family, and a house becoming of his profession. And with all of this, it was not meant to last. At least not without change. A closer look revealed a body of lies and deceptions so engrained that he had nowhere to look but up as federal agents finally confronted Dr. Craig about false patients receiving controlled narcotics. Dr. Craig leads readers through the tumultuous upbringing that set a pattern for addiction, and then finally through the knowledge and understanding he discovered that broke the chains of his past. James shows readers how to overcome the past and how to be rid of projections for the future that needlessly destroy them today. By revealing overlooked workings of the human psyche, he shows you how to live in the present. For James Craig it was *Being a Drug Addict*, but the lessons he has learned will help anyone struggling with addiction. Dr. Craig dares everyone to try the changes outlined in this book. There is nothing to lose but some hopelessness, misery, and pain. James C. Craig, M.D. is a physician in private practice in Ellijay, Georgia, where he lives with his wife, Leslie, and son, Anderson. He received his undergraduate training at Emory University and medical school training at The Medical College of Georgia.

Loving an Addict, Loving Yourself Candace Plattor,2016-10-28 Are you feeling exasperated and helpless about your family member's addiction? Are you at your wit's end, having tried everything you can think of to make them stop? If someone you love is engaging in addictive behaviors such as alcohol and drug misuse, eating disorders, smoking, gambling, Internet addiction, sex addiction, compulsive overspending, or relationship addiction, you are undoubtedly experiencing unpredictability in your relationship. Some of the most common emotions you will experience include: - Guilt and shame - Anger and anxiety - Confusion and powerlessness Whether the addict in your life is your spouse, partner, parent, child, friend, or colleague, the key to changing this reality for yourself lies in shifting your focus from your loved one's addiction to you own self-care. This book presents a dramatically fresh approach to help you get off the roller-coaster chaos of addiction, maintain your own sanity and serenity, and live your best life.

Understanding and Helping an Addict (and Keeping Your Sanity) Andrew Proulx,2021-01-23 To solve a problem one must first understand the problem. Unfortunately, that's hard to do with addiction and alcoholism because it makes no sense. Why do people keep on with their substance use when it's ruining their life and making them miserable? In this important book, medical doctor and addiction survivor Dr. Andrew Proulx--a leading expert on addiction psychology--explains the effects of addictive substances on the brain and mind, and why addicts and alcoholics behave the way they do. He then goes on to explain exactly how form a bond with an addicted loved one and to use this bond to help the addict to move to a willingness and mental readiness to accept the help they need. He then explains your role in your loved ones treatment and subsequent recovery and relapse prevention. Dr. Andrew provides guidance for loved ones of addicts to remove themselves from the addict's circle of chaos and to take a different approach to helping the addict that's more effective, and also allows them to take back their own life and sanity. -- Adapted from page [4] cover.

Who Says I'm an Addict? David Smallwood,2014-06-02 Do you worry that you drink too much? Or perhaps you fear that your dependence on drugs, food, sex, or some other vice is spiralling out of control, and taking your quality of life with it? In *Who Says I'm an Addict?*, David Smallwood looks at the issue of addiction with compassion, clarity, and wisdom that comes not only from his own difficult journey with addiction, but from his considerable experience overseeing treatment programmes in rehabilitation clinics. David looks in detail at all areas of addiction, from denial, hitting rock bottom, and dealing with shame and guilt, to how our family of origin and the traumas we go through in childhood influence us in later life. He then explores the road to long-term recovery, guiding the reader on how to do the emotional work necessary to ensure that they avoid relapse and can finally lay their demons to rest and get on with re-building their life.

Without Shame Barbara Theodosiou,2020-02-25 In this guide for grief in times of loss, author Barbara Theodosiou describes how self-care, forgiveness, and service can be present, even as the coronavirus pandemic alters our lives in large and small ways. Barbara Theodosiou and her family reveal the pain, loss, and connection that emerge from addiction, trauma, codependency, and recovery in this unique view into the heart of a national crisis. The ringing phone startles Barbara during another sleepless night. She knows it must be Daniel, her big-hearted, intelligent son who has spent years cycling through hospitals, jails, and treatment centers. Although Daniel’s childhood struggles started much earlier, he was sixteen when Barbara discovered he was horribly addicted to DXM, the drug found in many over-the-counter cough medicines. After picking up the pieces from one more of her son’s relapses, Barbara seeks support in the online refuge she created when she had nowhere else to turn: *The Addict’s Mom*. There, she can “Share Without Shame” with others who understand. These other mothers know that it can become normal to hope your son will be locked up so he isn’t sleeping on the street. These other moms understand how it feels to realize you have not just one addicted child but two--Barbara discovered her oldest son Peter’s addiction just six months after Daniel’s. And when that happens, sometimes all a mother can do is try to save herself. But this isn’t just a mother’s story. *Without Shame* encompasses Daniel’s own poetry and prose, Peter’s story of healing against all odds, their sister Nicole’s story of balancing compassion and independence, and other often unheard voices. This multifaceted story reveals what it truly means to describe addiction as a family disease.

Addict in the House Robin Barnett,2016-08-01 This is a straightforward, rich resource for anyone who lives with, and loves, an addict. —Publishers Weekly Everyone suffers when there’s an addict in the family. Written by an expert in alcohol and drug addiction and recovery, this no-nonsense guide will help you understand the causes of addiction, end enabling behaviors, support your loved one’s recovery, and learn how to cope with relapses. If you’re the family member of an addict, you may feel confused, guilty, and scared of doing the wrong thing. And when you don’t know how to help, you may find yourself in a codependent role, trying so hard to keep your addicted loved one alive, out of jail, or emotionally appeased that you may actually prevent them from realizing they need help. Drawing on her own personal experience with her brother’s addiction, *Addict in the House* offers a pragmatic, step-by-step guide to dealing with a loved one’s addiction, from accepting the reality of the disease to surviving what may be repeated cycles of recovery and relapse. You’ll learn how to encourage your addicted loved one to get help without forcing it, and finally find the strength to let go of codependence. With this revealing and straightforward book, you’ll have the support you need to take an honest look at how addiction has affected the family, cope with the emotional hurdles of having an addicted family member, create and maintain firm boundaries, and make informed decisions about how to best help your loved one.

The Addict Sam Nelson,2004-06 *The Addict* cuts through gender, racial and generational gaps to expose the cause of addictions.

The Addict and the Law Alfred Ray Lindesmith,1965

The Addict's Dictionary Trent Elliot Walker,2009-09-07 When addiction strikes, the addict's thought processes begin to deteriorate. Simple concepts such as “Time”, “Budget”, and “Responsibility”, are all affected. “*The Addict's Dictionary*” exposes this change in thinking. “Addictive Thinking” is at the root of addiction and has a terrible impact on the addict as well as those people in relationships with the addict. Filled with interview stories from recovering addicts, “*The Addict's Dictionary*” opens up a window of understanding on the addictive mind. The author's goal is to, “provide a book containing the information I wish I had when I first became involved with an addict.” This is a must read for the addict because it helps the addict understand what is happening to him or her. This is also a must read for family, friends, or anyone in a romantic relationship with the addict as “*The*

Addict's Dictionary" will help you understand what the addict needs from you, and more importantly what you need to do to help yourself.

Addicted to an Addict Honey,2018-12-18 In Honey's debut novel, a man must learn how to cope with his wife's heroine addiction while raising two daughters and being the mayor of Atlanta. Atlanta's mayor, The Honorable Josiah J. Bishop, has an addiction to his wife, Mink, that is just as powerful as her toxic love affair with heroin. As her life spirals out of control due to her obsession with the needle, his love and devotion to her is slowly shredding his soul into tiny pieces. But he just can't let her go. The brotha's loyalty to the love of his life and the mother of his two young, adorable daughters is deeper than any ocean. No matter how far Mink drags Josiah down into the murkiness of drugs, booze, and danger on the streets of the ATL, he's determined to love, cherish, and honor her until death. He's hooked on her. It's just that simple. The only thing Mink is faithful to is her next fix. She'll cop it wherever she can and by any means, trying desperately to escape from the secret demons of her past that haunt her daily. Mink's troubled soul remains a prisoner of addiction, twirling violently like a tornado and destroying everything in its path. Not even the love of a good man can set her free from emotional bondage. As Election Day approaches, Josiah's bid to serve a second term in City Hall is jeopardized when Mink commits her most heinous act. The media is going wild to cover the tragic murder and robbery of one of Mink's fellow addicts, a wealthy and prominent Hollywood filmmaker who was more than generous to her after she left yet another treatment facility. She's on the run from justice, ignoring Josiah's pleas to turn herself in. Mink realizes that she's at the end of her rope, but Josiah isn't sure if he has any more forgiveness in his heart for his wife. He will always love her, but finally, he desires love in return. His addiction to Mink has blinded him of that one basic need all this time. Now Josiah has a decision to make. Will he stay in the clutches of addiction to the drug called Mink? Or will he kick the habit once and for all and free himself forever?

The Sober Addict DC Hyden Casac,Daniel Dc Hyden,2020-10-23 Addiction is a terminal disease if left untreated... If you can imagine having 50% of who you are actively trying to kill you then you have an idea of what it is like living with this disease. The Sober Addict is a book for all those impacted by the disease addiction. Within the pages of DC Hyden's book, addicts, family members, enablers, and helpers will find unconventional ways to combat addiction from Onset to Remission. This guide will help you learn how to function with this dysfunctional and chronic illness.

How to Grow an Addict J.A. Wright,2015-11-03 2016 INTERNATIONAL BOOK AWARDS - WINNER IN ADDICTION & RECOVERY 2016 NATIONAL INDIE EXCELLENCE AWARDS (NIEA)- WINNER IN ADDICTION & RECOVERY 2016 INDEPENDENT PUBLISHER BOOK AWARDS (IPPY)- BRONZE MEDAL — LITERARY FICTION 2015 FOREWARD REVIEWS INDIEFAB BOOK OF THE YEAR AWARDS HONORABLE MENTION FOR GENERAL FICTION 2015 USA BEST BOOK AWARDS FINALIST FOR GENERAL FICTION Randall Grange has been tricked into admitting herself into a treatment center and she doesn't know why. She's not a party hound like the others in her therapy group—but then again, she knows she can't live without pills or booze. Raised by an abusive father, a detached mother, and a loving aunt and uncle, Randall both loves and hates her life. She's awkward and a misfit. Her parents introduced her to alcohol and tranquilizers at a young age, ensuring that her teenage years would be full of bad choices, and by the time she's twenty-three years old, she's a full-blown drug addict, well acquainted with the miraculous power chemicals have to cure just about any problem she could possibly have—and she's in more trouble than she's ever known was possible.

Hooked: When You Love an Addict Peggy L. Watson,2018-06-15 Whoever the addict is to you—husband, wife, son, daughter, parent, or best friend—you need help on that broken road. What do you do while the addict is in and out of rehab, in and out of jail, in and out of your home, and in and out of your wallet? What do you do if they never clean up? You've kicked them out and they've come back with fresh promises. You've tried everything you know to do and called every number you've been given seeking help. Yet little to nothing has actually changed. What do you do? What can you do? When You Love an Addict is full of specific Scriptures and practical advice concerning the very problems you are facing: how to talk to an addict, recognizing the difference between enabling and helping, making decisions about the addict, repairing broken relationships, building low self-esteem, maintaining joy, recognizing relapse, and many other topics. Step out of denial. Stop ignoring the problems. You can learn to do more than just cope. You can make decisions that give you a life of joy and peace. You can't make your loved one stop using, but you can reclaim your life, your peace of mind, and your own stability. When you are tired of living in the ruins of your shattered life, put to use the principles you will find in When You Love an Addict. You too can overcome!

Ending Addiction for Good Richard Taite,Constance Scharff,2012-11 There is hardly a family in the post-industrial world that hasn't been affected in some way by addiction. Yet seeking treatment for a struggling loved one is, for most people, a frightening and overwhelming prospect. Ending Addiction for Good offers a powerful message of hope. Drawing on their own histories of addiction recovery, authors Taite and Scharff examine the unique and highly successful treatment protocol practiced at the Cliffside Malibu Addiction Treatment Center. Using clear and direct language, they look beyond the limits of conventional treatment to show how creating an individualized, evidence-based, and integrated approach that targets the whole person - mind, body, and spirit - not just the addiction, can provide a sure path to recovery. In doing so, they empower both the addict and the families of addicts to begin their recovery. Ending Addiction for Good may well be the most important book dealing with alcoholism and drug addiction to come along in years.

Creating the American Junkie Caroline Jean Acker,2002-04-26 Heroin was only one drug among many that worried Progressive Era anti-vice reformers, but by the mid-twentieth century, heroin addiction came to symbolize irredeemable deviance. Creating the American Junkie examines how psychiatrists and psychologists produced a construction of opiate addicts as deviants with inherently flawed personalities caught in the grip of a dependency from which few would ever escape. Their portrayal of the tough urban addict helped bolster the federal government's policy of drug prohibition and created a social context that made the life of the American heroin addict, or junkie, more, not less, precarious in the wake of Progressive Era reforms. Weaving together the accounts of addicts and researchers, Acker examines how the construction of addiction in the early twentieth century was strongly influenced by the professional concerns of psychiatrists seeking to increase their medical authority; by the disciplinary ambitions of pharmacologists to build a drug development infrastructure; and by the American Medical Association's campaign to reduce prescriptions of opiates and to absolve physicians in private practice from the necessity of treating difficult addicts as patients. In contrast, early sociological studies of heroin addicts formed a basis for criticizing the criminalization of addiction. By 1940, Acker concludes, a particular configuration of ideas about opiate addiction was firmly in place and remained essentially stable until the enormous demographic changes in drug use of the 1960s and 1970s prompted changes in the understanding of addiction—and in public policy.

The Happy Addict Beth Burgess,2013-06 If you are an addict who has got clean and sober, and you are now looking to take the next steps to improve your life, this book is for you. Many people put down the drink or drugs, but are still struggling to be happy and healthy. The Happy Addict teaches you how to overcome the hurdles that often face us in recovery, and how to use your experience of addiction for good. This book will show you different ways of thinking and being, so you can have positivity and peace of mind, along with your sobriety. This is an essential book for anyone who feels their recovery could always be improved.--pg. 3

The Addictive Personality Craig Nakken,2009-09-29 Craig Nakken brings new depth and dimension to our understanding of how an individual becomes an addict. Since its publication in 1988, The Addictive Personality has helped people understand the process of addiction. Now, through this second edition, author Craig Nakken brings new depth and dimension to our understanding of how an individual becomes an addict. Going beyond the definition that limits dependency to the realm of alcohol and other drugs, Nakken uncovers the common denominator of all addiction and describes how the process is progressive. Through research and practical experience, Nakken sheds new light on: Genetic factors tied to addiction; Cultural influences on addictive behavior; The progressive nature of the disease; and Steps to a successful recovery The author examines how addictions start, how society pushes people toward addiction, and what happens inside those who become addicted. This new edition will help anyone seeking a better understanding of the addictive process and its impact on our lives.

Whispering the Secrets of Language: An Psychological Journey through **Addict**

In a digitally-driven world wherever monitors reign great and immediate interaction drowns out the subtleties of language, the profound strategies and mental subtleties concealed within words frequently move unheard. Yet, nestled within the pages of **Addict** a charming literary treasure sporting with organic thoughts, lies an exceptional quest waiting to be undertaken. Published by a skilled wordsmith, that marvelous opus invites readers on an introspective trip, gently unraveling the veiled truths and profound impact resonating within the very fabric of each and every word. Within the emotional depths of this touching evaluation, we can embark upon a sincere exploration of the book is primary styles, dissect their interesting publishing type, and yield to the strong resonance it evokes deep within the recesses of readers hearts.
