The Complete Guide to Affiliate Marketing on the Web Bruce C. Brown, 2009

Affiliate marketing is a highly profitable online advertising method in which website merchants pay independent third parties to promote the products or services of an advertiser on their Web site. In other words, affiliate marketing involves posting a company's banner on your Web site or blog and attempting to send visitors to their Web site. If someone clicks on that banner or goes to that site and buys something, you will be paid a commission. While some affiliates pay only when a sale is made, some selling big ticket items like cars, credit cards, travel, and so forth have modified the model and pay for qualified leads. Affiliate marketing is now viewed as a key component of a company's online marketing strategy. Affiliate marketing is an advertising technique that originally was developed by Amazon.com. In this new book you will learn how to master the art and science behind affiliate marketing in a matter of hours. By investing a few dollars you can easily increase the number of visitors to your Web site and significantly increase sales. Affiliate Manager Boot Camp Shawn Collins,2013-08-02 In *Affiliate Manager Boot Camp: Recruiting, Educating, and Retaining Affiliates*, author Shawn Collins presents a three-step approach for affiliate managers to recruit, educate, and retain affiliates in their affiliate programs. The book describes a method that focuses on quality over quantity when it comes to affiliates, and it recommends working side by side with affiliates as valuable partners in a mutually beneficial affiliation. *Affiliate Manager Boot Camp: Recruiting, Educating, and Retaining Affiliates* is not about the other nuts and bolts of starting and running an affiliate program. You won't learn about policing affiliates, setting budgets and projections, determining commission rates, etc. It's all about recruiting, educating, and retaining affiliates for a strong affiliate program. Collins' first affiliate management book, *Successful Affiliate Marketing for Merchants*, published in 2001, was dubbed the bible of affiliate marketing by Revenue Magazine. He also wrote the international best-selling *Extra Money Answer* in 2013, which was a step-by-step guide for creating an affiliate website.
