Doors in the Air David Weale, 2012-04-01 Doors in the Air is the story of a boy who is fascinated by doors. He marvels at how stepping through a doorway can take him from one world to another. He is especially enthralled by the doors of his imagination, which he refers to as doors in the air. He delights in discovering that when he passes through these doors, he leaves behind all feelings of boredom, fear and unpleasantness. Doors in the Air is a lilting journey through house doors, dream doors and, best of all, doors in the air.

The Book of Air and Shadows Michael Gruber, 2009-03-17 "In this ingenious literary thriller . . . [the] murder of a Shakespearean scholar...and an unlikely romance . . . make for a gripping, satisfying read." —Publishers Weekly (starred review) A fire destroys a New York City rare bookstore—and reveals clues to a treasure worth killing for. . . . A disgraced scholar is found tortured to death. . . . And those pursuing the most valuable literary find in history are about to cross from the harmless mundane into inescapable nightmare. From the acclaimed, bestselling author of *Tropic of Night* comes a breathtaking thriller that twists, shocks, and surprises at every turn as it crisscrosses centuries, from the glaring violence of today into the dark shadows of truth and lies surrounding the greatest writer the world has ever known. "If you love books—their physical presence, the craft of making them, the art of collecting them . . .

make room on the shelf for a new guilty pleasure from Michael Gruber . . . smart . . . [and] packed with enough excitement to keep your inner bibliophile as happy as a folio in vellum.” —Ron Charles, *The Washington Post* “While the novel will appeal to those who enjoyed *The Da Vinci Code* or *The Rule of Four*, critics agree that its lively dialogue, compellingly flawed characters, sense of humor, and intelligent exploration of religion and cryptology elevate it far above the genre's standard fare. Readers expecting car chases, kidnappings, globe trotting, sex, and murder won't be disappointed, either.” —Bookmarks magazine

Into Thin Air Jon Krakauer, 1998-11-12 #1 NATIONAL BESTSELLER • The epic account of the storm on the summit of Mt. Everest that claimed five lives and left countless more—including Krakauer's—in guilt-ridden disarray. A harrowing tale of the perils of high-altitude climbing, a story of bad luck and worse judgment and of heartbreaking heroism. —PEOPLE A bank of clouds was assembling on the not-so-distant horizon, but journalist-mountaineer Jon Krakauer, standing on the summit of Mt. Everest, saw nothing that suggested that a murderous storm was bearing down. He was wrong. By writing *Into Thin Air*, Krakauer may have hoped to exorcise some of his own demons and lay to rest some of the painful questions that still surround the event. He takes great pains to provide a balanced picture of the people and events he witnessed and gives due

credit to the tireless and dedicated Sherpas. He also avoids blasting easy targets such as Sandy Pittman, the wealthy socialite who brought an espresso maker along on the expedition. Krakauer's highly personal inquiry into the catastrophe provides a great deal of insight into what went wrong. But for Krakauer himself, further interviews and investigations only lead him to the conclusion that his perceived failures were directly responsible for a fellow climber's death. Clearly, Krakauer remains haunted by the disaster, and although he relates a number of incidents in which he acted selflessly and even heroically, he seems unable to view those instances objectively. In the end, despite his evenhanded and even generous assessment of others' actions, he reserves a full measure of vitriol for himself. This updated trade paperback edition of *Into Thin Air* includes an extensive new postscript that sheds fascinating light on the acrimonious debate that flared between Krakauer and Everest guide Anatoli Boukreev in the wake of the tragedy. I have no doubt that Boukreev's intentions were good on summit day, writes Krakauer in the postscript, dated August 1999. What disturbs me, though, was Boukreev's refusal to acknowledge the possibility that he made even a single poor decision. Never did he indicate that perhaps it wasn't the best choice to climb without gas or go down ahead of his clients. As usual, Krakauer supports his points with dogged research and a good dose of humility. But rather than continue the heated discourse that has raged since *Into Thin Air*'s denouncement of guide Boukreev, Krakauer's tone is conciliatory; he points most of his criticism at G. Weston De Walt, who coauthored *The Climb*, Boukreev's version of events. And in a touching conclusion, Krakauer recounts his last conversation with the late Boukreev, in which the two weathered climbers agreed to disagree about certain points. Krakauer had great hopes to patch things up with Boukreev, but the Russian later died in an avalanche on another Himalayan peak, Annapurna I. In 1999, Krakauer received an Academy Award in Literature from the

American Academy of Arts and Letters--a prestigious prize intended to honor writers of exceptional accomplishment. According to the Academy's citation, Krakauer combines the tenacity and courage of the finest tradition of investigative journalism with the stylish subtlety and profound insight of the born writer. His account of an ascent of Mount Everest has led to a general reevaluation of climbing and of the commercialization of what was once a romantic, solitary sport; while his account of the life and death of Christopher McCandless, who died of starvation after challenging the Alaskan wilderness, delves even more deeply and disturbingly into the fascination of nature and the devastating effects of its lure on a young and curious mind.

Free Air Sinclair Lewis, 2020-09-16 Book Excerpt: ...to Mr. Boltwood of the control of men, not to take a chauffeur. Her father never drove, but she could, she insisted. His easy agreeing was pathetic. He watched her with spaniel eyes. They had the Gomez roadster shipped to them from New York. On a July morning, they started out of Minneapolis in a mist, and as it has been hinted, they stopped sixty miles northward, in a rain, also in much gumbo. Apparently their nearest approach to the Pacific Ocean would be this oceanically moist edge of a cornfield, between Schoenstrom and Gopher Prairie, Minnesota. * * * *
*Claire roused from her damp doze and sighed, Well, I must get busy and get the car out of this. Don't you think you'd better get somebody to help us? But get who? Whom! No! It's just 'who,' when you're in the mud. No. One of the good things about an adventure like this is that I must do things for myself. I've always had people to do things for me. Maids and nice teachers and you, old darling! I..
