Air Monica Roe,2022-03-15 An action-packed, empowering middle grade novel about a girl who has to speak up when her wheelchair motocross dreams get turned upside down. Twelve-year-old Emmie is working to raise money for a tricked-out wheelchair to get serious about WCMX, when a mishap on a poorly designed ramp at school throws her plans into a tailspin. Instead of replacing the ramp, her school provides her with a kind but unwelcome aide—and, seeing a golden media opportunity, launches a public fundraiser for her new wheels. Emmie loves her close-knit rural town, but she can't shake the feeling that her goals—and her choices—suddenly aren't hers anymore. With the help of her best friends, Emmie makes a plan to get her dreams off the ground—and show her community what she wants, what she has to give, and how ready she is to do it on her own terms. *Air* is a smart, energetic middle grade debut from Monica Roe about thinking big, working hard, and taking flight.

The Book of Air and Shadows Michael Gruber,2009-03-17 “In this ingenious literary thriller . . . [the] murder of a Shakespearean scholar...and an unlikely romance . . . make for a gripping, satisfying read.” —Publishers Weekly (starred review) A fire destroys a New York City rare bookstore—and reveals clues to a treasure worth killing for. . . . A disgraced scholar is found tortured to death. . . . And those pursuing the most valuable literary find in history are about to cross from the harmless mundane into inescapable nightmare. From the acclaimed, bestselling author of *Tropic of Night* comes a breathtaking thriller that twists, shocks, and surprises at every turn as it crisscrosses centuries, from the glaring violence of today into the dark shadows of truth and lies surrounding the greatest writer the world has ever known. “If you love books—their physical presence, the craft of making them, the art of collecting them . . . make room on the shelf for a new guilty pleasure from Michael Gruber . . . smart . . . [and] packed with enough excitement to keep your inner bibliophile as happy as a folio in vellum.” —Ron Charles, *The Washington Post* “While the novel will appeal to those who enjoyed *The Da Vinci Code* or *The Rule of Four*, critics agree that its lively dialogue, compellingly flawed characters, sense of humor, and intelligent exploration of religion and cryptology elevate it far above the genre's standard fare. Readers expecting car chases, kidnappings, globe trotting, sex, and murder won't be disappointed, either.” —Bookmarks magazine
