The Yuckiest Alphabet Book in the World Margaret Novak, 2020-09-22 With hilariously yucky ABCs, *The Yuckiest Alphabet Book in the World* celebrates a love for everything muddy, messy, icky, and gooey! Learning the alphabet has never been yuckier! This colorful, cringey collection cycles through each letter of the alphabet, pairing the ABCs with wonderfully yucky words and hilarious imagery to create an icky-sticky fun tour of our weird little language. Prepare your stomach (and your brain) for combinations like... A is for apple, rotten and wormy B is for boogie, bright green and germy C is for candy, stuck to your hair D is for dragon, breathing stinky fire everywhere Y is for yak, drooling and stinky Zzzzzz is for bedtime, and bedtime is YUCKY! Let this book be a resource for your kids and a reading activity for the whole family! Organized from atrocious A to zany Z and decked out with illustrations that are bound to turn your tummy, *The Yuckiest Alphabet Book in the World* is the perfect balance of yuck and yay! Just look at the cover: draped in striped, brightly colored fur, this book boasts a "so-ugly-its-cute" aesthetic that would look good on any bookshelf or nursery. But it's not what's on the outside that counts...it's what's on the inside, which is why we've opted for sturdy board pages for this

colorful kids' book. Revisit the fun of learning with this whimsical exploration of the English language.

P Is for Pterodactyl Raj Halдар, Chris Carpenter, 2018-11-13 A New York Times Bestseller!

A raucous trip through the odd corners of our alphabet. –The New York Times Let's get real—the English language is bizarre. A might be for apple, but it's also for aisle and aeons. Why does the word gnat start with a G but the word knot doesn't start with an N? It doesn't always make sense, but don't let these rule-breaking silent letters defeat you! This whimsical, funky book from Raj Halдар (aka rapper Lushlife) turns the traditional idea of an alphabet book on its head, poking fun at the most mischievous words in the English language and demonstrating how to pronounce them. Fun and informative for word nerds of all ages!

The Categorical Universe of Candice Phee Barry Jonsberg, 2014-09-09 Candice Phee isn't a typical twelve-year-old girl. She has more than her fair share of quirks, but she also has the very best of intentions and an unwavering determination to make sure everyone around her is happy—which is no easy feat when dealing with a pet fish with an identity crisis, a friend who believes he came from another dimension, an age-old family feud, and a sick mom. But she is on a mission. Her methods might be unique, but Candice will do whatever it takes to restore order to her world and make sure everyone is absolutely, categorically happy again.

Operation Alphabet Al MacCuish, 2021-07-08
Welcome to England's Ministry of Letters, the place where all the words in the world - in books, magazines, newspapers, road signs, posters, and more-start their lives, and from which the letters coordinate their critical missions to help children learn the alphabet. This book tells the story of Charlie Foxtrot, who starts school and finds mastering the alphabet confusing. The members of the Ministry's Special Alphabet Service set off on a mission to Scotland to help Charlie

and to open his mind to the power of letters and words. The charming artwork, reminiscent of classic children's book illustrations from the 1950s and 1960s, combines with the witty text to bring the characters of the alphabet to life.

Tiffany Aching Complete Collection Terry Pratchett,2015-09-01 This collection includes all five Tiffany Aching novels in Terry Pratchett's beloved and bestselling Discworld series, including the final Discworld novel, The Shepherd's Crown. The Wee Free Men: Armed with only a frying pan and her common sense, young witch-to-be Tiffany Aching must defend her home against the monsters of Fairyland. Luckily she has some very unusual help: the local Nac Mac Feegle—aka the Wee Free Men. A Hat Full of Sky: Tiffany Aching is ready to begin her apprenticeship in magic. She expects spells and magic—not chores and ill-tempered nanny goats! Surely there must be more to witchcraft than this! Indeed, there is. . . . Wintersmith: When the Spirit of Winter takes a fancy to Tiffany Aching,

he wants her to stay in his gleaming, frozen world. Forever. It will take the young witch's skill and cunning, as well as help from the legendary Granny Weatherwax and the irrepressible Wee Free Men, to survive until Spring. I Shall Wear Midnight: As the witch of the Chalk, Tiffany Aching performs the distinctly unglamorous work of caring for the needy. But someone—or something—is inciting fear, generating dark thoughts and angry murmurs against witches. Tiffany must find the source of unrest and defeat the evil at its root, for if she falls, the whole Chalk falls with her. . . . The Shepherd's Crown: Deep in the Chalk, something is stirring. The owls and the foxes can sense it, and Tiffany Aching feels it in her boots. An old enemy is gathering strength. This is a time of endings and beginnings, old friends and new, a blurring of edges and a shifting of power. Now Tiffany stands between the light and the dark, the good and the bad. There will be a reckoning. .
