**I Am a Book. I Am a Portal to the Universe** Stefanie Posavec, Miriam Quick, 2020-09-03 Hello. I am a book. But I'm also a portal to the universe. I have 112 pages, measuring twenty centimetres high and twenty centimetres wide. I weigh 450 grams. And I have the power to show you the wonders of the world.

**Me I Am!** Jack Prelutsky, 2011 An illustrated poem which celebrates children who enjoy doing all kinds of activities. This poem originally appeared in The Random House book of poetry for children, published in 1983.

**I Am** Douglas Connelly, 2007-07-11 This eight-session LifeGuide® Bible, Douglas Connelly looks at the I Am statements of Jesus. In the midst of friends' grief, a crowd's hunger and followers' fear, Jesus made some bold claims: I am the Resurrection. I am the Bread of Life. I am the Way. His claims are still true in our grief, fear and uncertainty. This LifeGuide® Bible studies helps us see Jesus more clearly and live with hope and confidence because of who he is.

**Before Abraham Was I Am:** Cleo Newsome Jr., 2010-05-20 When God created the universe, He also created the Metaphysical universe." This paraphrase from Donald Walch's book "A Conversation with God" aptly points to the intricate matrix of themes, ideas and concepts which formulate a complete world view of how things work. This is important because our individual belief system has a direct impact on all of the events and important episodes in our lives and generally affects the quality and longevity of life as a whole. God as the omnipotent catalyst of the entire creative process does not interfere with our choices, but instead allows us to reap the benefits or suffer the consequences of our decisions. When we learn to raise our thinking to the higher consciousness of divine mind, the quality of life both individually and as a people will be naturally uplifted from an uncertain existence of coincidence and chance to a progressively stable and secure co-existence with the sustaining grace of God's unlimited cosmos. This book represents an attempt to explore some of the more relevant concepts of mankind's symbiotic relationship to an immaculate Holiness in which we intuitively have always known to exist but through the daily grind of everyday living have somehow lost touch. The book is not amid at any particular religion, culture or ethic group but is a rather modest endeavor to discuss an array of universal themes and concepts common to us all.

**Who Do I Say I Am?** Naomi Somone, 2020-02-28 In the Bible, Jesus asked his disciples, "Who do you say I am?" The question is just as relevant today, although we must turn it upon ourselves. Many of us are people pleasers, which means no one knows who we truly are. We put up a constant façade, but that façade is dangerous because soon, no one knows who we are since we don't know who we are either. Who Do I Say I Am? presents one woman's journey to finding herself. Author Naomi Somone uses philosophy, fables, Bible verses, and her personal testimony to give readers a roadmap to knowing, being, and expressing themselves. Inspired by the techniques of both Alcoholics Anonymous and Celebrate Recovery, Naomi plows away the clouds of unwanted circumstances so we see clearly. We can live life to its fullest potential, and we do this by renewing our minds. Learn who you are through self-examination, self-love, and self-confidence. Through forgiveness, excel at overcoming bitterness, resentment, people pleasing, and fear. Discover the spiritual self-help tools you were born with.

**I Am Divine Within** C. J. Savage, 2016-03-18 The purpose of this meditation journal is to create a sacred space where you can practice expressive writing. A safe place where you can write, release, and embrace your truth. After your time of silence (going within) you can write down inspiring thoughts, prayers, or what has been revealed to you during your meditation. You can look back on the gifts that you received from the Divine through inspiration and practicing gratitude. I am grateful for the opportunity to share this meditative journal and my deepest reflective thoughts with you. I believe it is my life purpose to provide spiritual inspiration to those who are on the path of self-realization and spiritual development. The ability to pray, meditate, and tap into the transformed mind of the Divine within has been a rewarding process. I have learned so much about my Divine self and all my hidden talents. The process of meditating and journaling has allowed me to reconnect with my higher self the Divine within. I have spent a great deal of time meditating and praying in an attempt to give this journal a broad perspective on the journey of self-realization and spiritual development while embracing the many spiritual paths that leads me back to my home in the body of Jesus Christ. Most importantly knowing I am still as God created me. I AM LIGHT. I Am Divine Within. This book was birthed out of asking God for divine directive on how to be of service to others on the path of self-discovery and spiritual development.

**The Semantics of I Am** Geoff Keall, 2021-04-05 Sometimes the events of life can leave us resigned to feeling trapped within a seemingly inescapable maze of intolerable suffering. A constant struggle with challenges can be a sign of living from the ego. The good news is that there are ways to transform an attitude from ego limitation to one of infinite possibilities and abundance. In a guide to improving the whole self, Geoff Keall interweaves personal stories inspired by his family's recovery from generational childhood sexual assault with practical wisdom to guide others through a simple formula that encourages a change in perspective to escape limiting views and constant mental chatter and move toward greater self-awareness in all areas of life. Through his insight and tips, others will learn how to: • overcome early misunderstandings to eliminate anxiety, fears, and frustration; • quiet self-defeating mind chatter; • create abundance from thoughts; and • live in a state of grace and calm. The Semantics of I AM shares personal anecdotes, tips, and revelations that reveal a different way of thinking that leads to inner peace and a better view of what it means to be alive.

**I Am In Control** Shacara Thompson Curry, 2020-01-16 Do you desire to live your life to your greatest potential? Do you get in your own way because of fear of the unknown? I Am in Control is a book full of tools that I have used to overcome my struggles of self-doubt and self-worth. I realized that God's Word outlined everything I needed to understand the power I have within me, and I want you to understand that you pose that same power. We are people that are already equipped to do the things necessary to fulfill our purpose, yet so many of us do not live to see our greatest potential. Why? Because we doubt God. By doubting ourselves, we are doubting God's work. He tells us many times that we are already equipped. From birth, we were created with a plan. Our lives are not an accident but on purpose. We are not here to just exist. We are here to encourage. We are here to love. We are here to be evidence of God's existence. We are here to impact lives. We are here to do the work that God has assigned us to. I know that we don't always know what that work is initially. God has created us already equipped with a plan, so

lean on those instincts that are within you, those gut pulls, those heavy desires on your heart, those visions that are constantly running in your head, those urges to do something amazing. Run with all of that. God has placed it in you. You must believe. You must act on those urges. You must move on those thoughts. You must have faith that God got you. You must know that you are equipped. You have to know that God makes no mistakes. You have to make the choice that you will walk in the promises that God has created for you. Through this book, I share my journey to this realization. I equip you with the tools I used to overcome myself. I pray that this helps you on your journey to living your best life.

**We Am The Song** Richard Prism,2016-04-23 We are the dangerous, problematic and troubled species threatening the health and equilibrium of the whole Earth. We are the bearers of heroic myths and legends of explanation and survival of a complex, bloody past – which, as William Faulkner said “is not even past.” We are the oblivious couriers of indecipherable ancient messages, speakers of lonely lives of the spirit we cannot share. Meanwhile there are individual lives to be led, being born, growing, thriving, loving, surviving and dying to be negotiated, dreams to pursue in a world of change coming at us at the speed of light. So what remains of We Am, if We ever was ? Can it be recreated ?

*Who I Am* Charlotte Rampling,2017-03-02 Oscar-nominated Charlotte Rampling most recently appeared in hit ITV drama *Broadchurch*, the BBC's *London Spy* and HBO's *Dexter*, and the feature film *45 Years*. Her career has spanned popular entertainment and arthouse cinema, having starred in English, French and Italian films from 1966's *Georgy Girl* (opposite Lynn Redgrave), to films with French director François Ozon, including 2003's *Swimming Pool*. Having shied away from biographies and autobiographies (“too personal”) Rampling has now written *Who I Am* (first published in French) a lyrical, and intimate self-portrait via reminiscences. Highly personal, packed with photographs from her personal archive, Rampling recounts her childhood and youth as the daughter of an army officer (who won a gold medal for the 4 x 400 relay in the infamous 1936 Berlin Olympics), and the memories and passions that would inspire her life and later work as an actress. Written in a style that gives a unique insight into her screen persona, it is an idiosyncratic and beguiling insight of one of the most consistently adventurous and interesting actors.

*i am not tall @ all* Narges,2017-02-10 *i am not tall @ all* by Narges Narges is not in love with writing @ all, nor does she love her fingers' dedication to painting & creating art in all media & mediums. She has no choice – in both, movement of her hands occupying her fingers and her ways of thinking, moving, being, sinking. Seeing. Sinning. Singing. Signing. Nor does she deliberately move form & all its formats. Only, she knows that that she is missing home. When asleep, she leaps, diving into the deep space, as she let her “hers” go, ears go. Yet, she still sees how the eraser follows. Her Mom replied: “Oh no.” Narges was a little girl when her mother had to let her go. Her mother was 16 when she gave birth to her. Narges was ten years old when she first had to migrate from Tehran to Munich, Germany, where her father had migrated to years before. She is about to move back to the United States, so the question is then where is home? Narges still remembers the last words her mom told her, telling, saying; “Narges-am, Dokhtaram, Kochooloye man. Toye in rah, u need 2 alwayz remember this 1, first thing, Khoone-h Ye Khoda Bargh Nadare, Ke Nouresh Bere-h.” Meaning, “God's house doesn't run on electricity for its light, therefore there are no Blackouts in a human heart.” Fatemeh kisses her child at Tehran, Mehrabad's airport,

whispering this long whisper: “God is always in you, goodbye child.” Fatemeh is a believer. “God formed us. But not through a Big Bang, oh no...” She said. “But rather true a Bud.” Us, this is the shape of human matter, “iEye” over the human soul, “u,” the solo. Narges is not in love with writing, neither does Narges like to paint; she has no choice, except to accept to submit to the moves meant for her fingers in this life, minus time.

**The Man Who Made Pan Am** Max Watson,2015-09-02 By any measure, Juan Terry Trippe was a remarkable business leader - a visionary, devious, shrewd, deeply flawed, and ultimately inscrutable genius. Franklin D. Roosevelt, a Harvard man, once called him the most fascinating Yale gangster I ever met. Trippe built Pan American Airways from a single scrap of paper - a license to fly airmail from Key West to Havana - into the world's largest airline. In the process, he all but single-handedly shaped the world of air travel. If Juan Trippe had never existed, it's safe to say that the world would look very different from the way it does today. Here's his extraordinary story.
