Angels in My Hair Lorna Byrne, 2011-11-01
INTERNATIONAL BETSELLER • In this uplifting autobiography, a modern-day Irish mystic shares her vivid encounters and conversations with the angels and spirits she has known her entire life. With an afterword on angels and America and a bonus chapter on how to connect with your angel Lorna Byrne physically sees and talks with angels every day and has done so ever since she was a baby. As a young child, she assumed everyone could see the angels who always accompanied her. Adults, however, were often skeptical, concerned that Lorna did not seem to be focusing on the world around her. Today, sick and troubled people from all around the world are drawn to her for comfort and healing, and theologians of different faiths seek her guidance. *Angels in My Hair* is a moving and deeply inspirational chronicle of Lorna's remarkable life story. Invoking a wonderful sense of place, she describes growing up poor in Ireland and marrying the man of her dreams—only to have the marriage cut short by tragedy. *Angels in My Hair* has garnered overwhelming responses from readers from many walks of life, giving them hope and helping them to realize that no matter how alone they might feel they always have a guardian angel by their side.

I Have an Angel of My Very Own Patty F Childs, 2019-05-13 Who would have thought it, Death

would snatch you that day. I wonder... Did the Angels carry you away? When Patty Childs unexpectedly lost her husband, she began wondering about life after death and what Heaven was like. While picturing angels carrying her husband, Patty contemplated whether he saw Heaven's golden gates or if his loved ones were waiting for him, along with his dog, Old Blue. In an inspirational poem accompanied by vivid illustrations, Patty asks questions about our loved ones' lives in Heaven. Within her verse, Patty wonders whether the sun shines in Heaven, whether the streets are made from gold, whether its eternal dwellers must live by the Golden Rule, or whether they are able to see God and stand in his glory. I Have An Angel of My Very Own shares a moving poem and accompanying illustrations that will bring joy, hope, and comfort to those suffering from loss.

Angel Fire L. A. Weatherly, 2012-01-24 In Book Two of L. A. Weatherly's wildly romantic, action-packed trilogy, the angels are back with a vengeance . . . and they don't have heaven in mind. In the wake of the Second Wave, the angel menace has exploded, and Alex and Willow are on the lam. Willow's prophetic dream points them to Mexico City, where they connect with a fledgling group of angel killers led by the exotically beautiful Kara, an Angel Killer from Alex's past. But the team remains suspicious of Willow, even after the more-experienced Alex takes over as leader, training them hard for a rush attack on the Seraphic Council, or "The Twelve." This elite group of all-powerful angels is also under the scrutiny of Willow's angel-father, Raziel, who has

his own sinister plan to defeat them. What Willow hasn't told Alex is that there was also a mysterious boy in her dream, one she felt overpoweringly attracted to. When brooding, gorgeous Seb shows up in the flesh, he turns out to be another – possibly the world's only other – half angel. He's been searching for Willow all his life, and when Alex enlists this rival to help keep Willow safe, he can't predict what chemistry will pass between them . . . or how far Willow might go to keep Alex safe. Will their love endure or spell doom for the human race?

Iron Angel Alan Campbell, 2008-04-29 In this stunning follow-up to his epic fantasy debut, Alan Campbell propels readers into a captivating city battling for its own survival—and that of humankind—in a world of deities and demons, fallen angels and killers. After a destructive battle, the ancient swaying city of Deepgate has been overtaken. Most of the chains that suspend it have given way, toxic fumes are emanating from blazing structures, and the temple once inhabited by the ruling Presbyter now dangles upside down above the once-uncharted abyss. The victorious Spine have initiated martial law and are ruthlessly pursuing all who attempt to leave. Amid the turmoil, two captives are returned. Arriving by ship are the young angel Dill, now toughened by war, and traitor assassin Rachel Hael. Incarcerated in the slowly crumbling temple, the two await their fate, while from the abyss beneath them ghosts rise—for the death of the god Ulcis has left open the gates to Hell. But on orders from his divine brethren, Cospinol, the god of brine and fog, is traveling

the world to Deepgate to seal this breach. His great skyship is being dragged through the air by the giant John Anchor, a monster of a man enslaved to pull the god's vessel, moving slowly, inevitably, toward the city. As the city waits, teetering on the brink, myriad plans for vengeance are set in motion, from the continent of Pandemia to Heaven itself. Among them is a ghostly archon sent to deliver a message to the gods on earth—using Dill as his vessel. Thrust from his body, Dill's own soul returns to Hell. When Dill and Rachel are attacked by Spine assassins, Rachel has no choice but to try to escape with the creature that calls itself Dill...and to somehow find a way to restore her friend's soul before it's too late. For powerful forces are stirring, and in the coming battle between gods, it is the world of men that is at stake.

Falling Angel William Hjortsberg, 2012-03-13
Edgar Award Finalist: The hunt for a vanished singer leads a detective into the depths of the occult in this "terrific" novel (Stephen King). Big-band frontman Johnny Favorite was singing for the troops when a Luftwaffe fighter squadron strafed the bandstand, killing the crowd and leaving the singer near death. The army returned him to a private hospital in upstate New York, leaving him to live out his days as a vegetable while the world forgot him. But Louis Cyphre never forgets. Cyphre had a contract with the singer, stipulating payment upon Johnny's death—payment that will be denied as long as Johnny clings to life. When Cyphre hires private investigator Harry

Angel to find Johnny at the hospital, Angel learns that the singer has disappeared. It is no ordinary missing-person's case. Everyone he questions dies soon after, as Angel's investigation ensnares him in a bizarre tangle of black magic, carnival freaks, and grisly voodoo. When the sinister Louis Cyphre begins appearing in Angel's dreams, the detective fears for his life, his sanity, and his soul. Falling Angel was the basis for the Alan Parker film *Angel Heart*, starring Mickey Rourke, Robert De Niro, and Lisa Bonet. This ebook features an illustrated biography of William Hjortsberg including rare photos from the author's personal collection.

out for your soul . . . and they don't have heaven in mind. (Age 14 and up) Willow knows she's different from other girls, and not just because she loves tinkering with cars. Willow has a gift. She can look into the future and know people's dreams and hopes, their sorrows and regrets, just by touching them. She has no idea where this power comes from. But the assassin, Alex, does.

Angel Mage Garth Nix, 2019-10-01 A new fantasy masterpiece from Garth Nix, bestselling author of the Old Kingdom series. More than a century has passed since Liliath crept into the empty sarcophagus of Saint Marguerite, fleeing the Fall of Ystara. But she emerges from her magical sleep still beautiful, looking no more than nineteen, and once again renews her single-minded quest to be united with her lover, Palleniel, the archangel of Ystara. It's a seemingly impossible quest, but Liliath is one of the greatest practitioners of angelic magic to have ever lived, summoning angels and forcing them to do her bidding. Four young people hold her interest: Simeon, a studious

doctor-in-training; Henri, a dedicated fortune hunter; Agnez, a glory-seeking musketeer; and Dorotea, icon-maker and scholar of angelic magic. The four feel a strange kinship from the moment they meet but do not suspect their importance. And none of them know just how Liliath plans to use them, as mere pawns in her plan, no matter the cost to everyone else . . . Fans of Cassandra Clare, Holly Black, and Leigh Bardugo will fall in love with *Angel Mage*, a feminist fantasy that takes place in an alternate European world ruled by fearsome magic and deadly passions. * PW Best Books 2019 * Bank Street College of Education Best Children's Book of the Year (2020) *

Angel's Glow Brannon Hollingsworth, Davis E. Riddle, Shiloh! It is the bloodiest battle the nation had ever experienced. Men from both sides had their notions of gallantry ripped away by

ragged shrapnel and hot lead in the woods of Tennessee. For Corporal Alisdair Peacock, among the torn bodies was waged another battle, one to save the stricken from their wounds. Wielding a terrible bone saw and using his pocket sewing kit, the young preacher-turned-surgeon fought through the battle and the dreadful disease-filled days that followed to stave off the reaper of death. Against him fought the creeping malevolence that plagued armies in war throughout time called disease. But this foe was not some unseen creature in the air or water, but a bizarre man lying mere feet away among the stricken. Filled with malice, the nameless stranger killed his prey with a mere touch, spreading fevers and plagues with hateful abandon. Would Peacock discover his vengeful enemy and his wicked plans before time was out? Would he discover God's true mission for him? Would he discover the truth of the Angel's Glow?

Green Angel Alice Hoffman, 2010-02-01 Alice Hoffman is at her magical best in a new novel about loss and healing. When her family is lost in a terrible disaster, 15-yr-old Green is haunted by loss and by the past. Struggling to survive physically and emotionally in a place where nothing seems to grow and ashes are everywhere, Green retreats into the ruined realm of her garden. But in destroying her feelings, she also begins to destroy herself, erasing the girl she'd once been as she inks ravens into her skin. It is only through a series of mysterious encounters -- with a ghostly white dog and a mute boy -- that Green relearns the lessons of love and begins to heal as she tells her own story.

Angel Power Janice T. Connell, 2015-03-18 There are many angels, maybe as many as the stars in the sky And every single one of these precious beings offers the world unique blessings. ANGEL POWER describes the special tasks and responsibilities of each of the Nine Choirs of Angels. The Seraphim, Cherubim, and Thrones are angels of goodness, love, and wisdom. The Angels of Dominion are angels of leadership. From the Virtue Angels flow miracles of healing, comfort, and peace. The Power Angels are special warriors against evil and defenders of goodness. The Principalities, Archangels, and Angels administer our planet. By illuminating each Choir's special powers, the author enables us more easily to draw upon its particular, radiant light. Weaving her own personal angel experiences together with angel prayers and with true angel stories she has been told, the author teaches us to open ourselves to angelic guidance, support, and protection. Her book spreads before us a dazzling and profoundly reassuring prospect of angel power at work -- a vision so beautiful and potent that those who experience it feel they know heaven on earth.

Angel Boy David Muecke, 2010-05 This book illustrates that life has its highs and lows, but tomorrow is another day, so make the most of each and every day. A modern-day Huck Finn is said to illustrate the character (Angel Boy) and his experiences. Only with the riches that you are born with, love of life, family, and friends, can you truly live. These, along with his dramatic occurrences in life, are fluid throughout the book. My reason for creating Angel Boy is to tell

the world that life is exactly what you make of it. If you believe in yourself, I mean truly believe, then a person can do just about anything they dream of. You only get one chance at life, so live it wisely! It is up to you to make the right choices each and every day. This story will enlighten you and illustrates to you that the world is yours. Yours to experience to the fullest. Do it right, give it all that you have, and live it richly like Angel Boy! Find your place to call home! This book is great for people of all ages! Can you tell what parts of the book are based on true life experiences and what are not? Sure this book has a touch of real experiences and can entertain all sorts of readers. Enjoy Angel Boy, it is only one of several books to follow.

Angel of the Underground David Andreas, 2017-12-08
A teenage girl in foster care confronts spiritual doubt and soul-chilling terror

in “a sinister and atmospheric story that will appeal to horror fans” (Booklist). When three children in a Catholic group home are brutally murdered, the survivors are hurried into separate foster homes across Long Island. Robin Hills, a fifteen-year-old who has spent the past several years under religious care, is thrust into a new, dysfunctional family with no spiritual beliefs. No longer protected by the religion and the nun she had come to love, Robin is completely alone and enveloped in fear. As the murders continue and Robin fears she may become the next victim, her faith increasingly falters. However, she finds solace in a budding friendship with Dennis, a boy her age living in her new foster home. Dennis’s kindness, his acceptance of Robin, and his bravery in the face of evil—born of his passion for horror movies—combine to reassure her that she’ll survive the killings. Armed with this new friendship and fueled by a rage she finally discovers within herself, Robin must find the courage and self-reliance to confront the darkest aspects of human depravity. “Andreas’s debut novella, *Angel of the Underground*, will remind many horror fans of Stephen King’s first published novel, *Carrie* . . . Andreas’s tight and tense horror tale is a spellbinding and clever debut. He also has more on his mind than merely a straightforward thriller. His smart, sympathetic and engaging teen heroine grapples with the Catholic faith that has sustained her for so many years but now seems to have abandoned her. Proving good things come in small packages (the novel is just 165 pages), *Angel of the Underground* is a tight and thoughtful

thriller, and a stellar introduction to a fresh new voice.” –Shelf Awareness “The grit in Angel is laudable—as is Andreas’ determination to push our faces right up into some very uncomfortable domestic horrors.” –Rue Morgue Magazine
