Aquarius Liberty Phi,2023-05-30 From ancient times, people have wanted to understand the rhythms of life and looked to the skies for answers. The Ancient Greeks and Romans turned to the celestial bodies for inspiration and devised narratives to which they referred to make decisions and choices. Maybe the options have changed, but we are still seeking wisdom and guidance in life today. Whether it's working out your ideal career, your perfect partner or to understand more about how you communicate, Liberty Phi has the answers. A student of astrology for over 20 years, in her Planet Zodiac series, Liberty will take you on a deep dive into your star sign and birth chart. Only by understanding the meaning, nature and power of each planet and how that's relevant to your birth chart – which is relevant only to you – can you really harness the power of the zodiac. You can then use this knowledge to work out how planetary patterns might influence you and how they will affect your life in a rather profound way. You will learn, for instance, what sort of impression you are likely to make when you enter a room, how you function in a group, or how spontaneous you are likely to be. Whatever your star sign, these books will help you to take an in-depth and tailored exploration of your star sign and will give you the tools to harness the zodiac and take control of your life.

Individual books for each sign of the zodiac help readers to understand and make sense of their sometimes confusing and often conflicting character traits as well as helping them to accept and appreciate themselves better. The darker, more difficult, and often disliked, parts of the personality are seen not as shameful, but as life challenges and essential material for the business of living wisely and well.
