**Arbor Day** Martin J. Smouse, 2021-05-18 Each year in April, my sixth-grade class was guided by a representative of the city of Cape Canaveral, Florida, to go to a preselected location to plant a tree. It was fun and exciting to think that we were planting a tree to help the environment and add a beautiful, living green tree to the city of Cape Canaveral's landscape. But why do you plant trees on Arbor Day, Mr. Smouse? was the question I got time after time. The sad part was, I didn't have an answer for them. I didn't know myself. That is how Arbor Day came about—the book, that is. After a couple of years of hearing that question and not knowing the answer, I had to do a little research to find out the origins of Arbor Day. That's when I wrote this narrative poem that explains why we observe Arbor Day. Yes, that is how the book Arbor Day came about. However, to find out the origins of the holiday and why people plant trees on Arbor Day, you will have to open the pages of this book, travel back in time, and discover this for yourself. I hope you enjoy reading the book as much as I enjoyed learning about the history and writing this creative work. 2

**The Russian Assassin** Jack Arbor, 2017-07-24 What if your father wasn't the man you thought he was? Former KGB assassin Max Austin's peaceful life in Paris is shattered when his mother's imminent death brings him back to a world he only wants to forget. Before he's even unpacked his bags, a brutal act of terrorism sends Max running for his life and forces him to uncover secrets about his father's past to save his family's lives. Max's sister and nephew become pawns in a game that started a generation ago. As Max races from the alleyways of Minsk to the tony neighborhoods of Zurich, and finally to the gritty streets of Prague, he must confront his past and come to terms with his future to preserve his family name. If you like intrigue, twists, and high-octane excitement, you'll love this tight, fast-paced adventure, starring Jack Arbor's stoic hero, ex-KGB assassin-for-hire Max Austin.

**Arbor's Descent** J.L. Brown, 2021-09-13 The burning of Arbor, and the hate that fueled it, stole much from Evangeline Clarion, but the fiery artist and powerful elemental witch survived the flames of fanaticism and opened the art gallery of her dreams with the help of her familiar and coven. As Eva wades into life as the director of the Manor Arts and high priestess of the Witches of Arbor coven, her conflicted heart struggles to choose between two loves—the dashing mercurial Alexander and the alluring ethereal beauty Celeste. When Arbor's affable new mayor hires an architecture firm run by a dangerously stunning mother-daughter duo with their own unique magic and an old score to settle to oversee the downtown's reconstruction, chaos descends upon the vulnerable community, and the Witches of Arbor are once again called upon to protect those who spurn them. Yet jealousy, vengeance, and an unforeseen foe with a ravenous hunger for power brings Eva to her knees. With the aid of her familiar, coven, a

few unexpected allies, and the magic within her, Eva must reconcile her heart and summon the power to rise again.

**Arbor Day Square** Kathryn O. Galbraith, 2016-02-02 Inspired by the creation of Arbor Day, this gentle picture book illuminates the experience of establishing roots in a new home and the comfort that a familiar landscape can provide. Katie and her papa are among a group of settlers building a town in the middle of the dusty, brown prairie. Every week the trains bring more people who build houses, fences, and barns. But one thing is missing: trees. The townspeople take up a collection to order trees from back east and Katie adds her own pennies and Papa's silver dollar. When the tiny saplings finally arrive, Katie helps dig holes and fetch water. Then, in a quiet corner off the public square, Katie and Papa plant a flowering dogwood in memory of Mama. Kathryn O. Galbraith's gentle story of community building, the timelessness of love, and the power of ritual will resonate with readers.

**Trees Are Majestic** Hyacinth J. Burgess-Gregory, 2018-12-23 Trees Are Majestic targets readers four to ten years old, but is an appealing book for the whole family. It engages readers into observing the beauty, utility, and majesty of trees, as well as the joy and excitement that comes from planting and nurturing a small seed until it becomes a majestic tree. The book is delightfully written in poetic verse, which will easily capture the reader's attention and stimulate vocabulary building. A book to be enjoyed equally for silent reading as well as for audible reading. Trees Are Majestic is, in fact, a salute to Arbor Day!
