Attract and Repel Jennifer Boothroyd,2017-08-01 A colorful magnet holds a drawing to a fridge. Paperclips stick to a magnet. Magnetic forces are at work all around you. But what exactly is a magnet? And how do magnets work?

Law of Attraction Michael J. Losier,2007-06-11 The Secret opened the world to the power of positive thinking. Now, Law of Attraction will guide you through every step toward getting the life you've always desired -- and deserved. Have you noticed that sometimes what you need just falls into place? Perhaps you've met the perfect client or life partner merely by being at the right place at the right time. On the other hand, there are some people who find themselves in one terrible relationship after another or who seem unable to shake off their bad luck. These experiences are evidence of a very powerful force. It's called the Law of Attraction, and right now it's attracting people, jobs, situations, and relationships to you. The Law of Attraction can be defined as: I attract to my life whatever I give my attention, energy, and focus to, whether positive or negative. Now, with this book, readers can learn how to use the Law of Attraction deliberately and integrate it into their daily life. By doing this, they will attract all they need to do, know, and have so they can get more of what they want and less of what they don't want. With its easy-to-follow 3-step formula (Identify Your Desire, Give Your Desire Attention, and Allowing), complete with tips, tools, exercises, and scripts, Law of Attraction shows readers how to: Attract their ideal mate and ideal relationships Increase wealth and abundance Improve their business with more customers, clients, and referrals Discover their ideal job, true calling, or career and more!

Attract: 4 Simple Steps to Engaging Your Ideal Client with Zero Prospecting Josh Schoenly,2016-10-18 In today's real estate world, many agents feel as though they're losing. They are trained to market themselves in a miserable and stressful manner: shouting to the masses and begging for business. It's humiliating and ineffective. Plus, there are no retirement plans, pension plans, or paths to exit with a profit. But it doesn't have to be this way. As a real estate agent Josh Schoenly experienced these negatives firsthand and became determined to find a more effective and enjoyable way to attract clients. He succeeded, and now so can you. In this book, Josh shares how you can take control with the winning strategies to attract business in a predictable and enjoyable fashion, without the hassle. Using direct response internet marketing and Josh's four-principle approach of Identify, Attract, Connect, and Converse, you'll build an audience of people who will be begging you to be their agent. You're about to learn how to play an entirely different game-a game you can win.

How To Attract The Wombat Will Cuppy,2016-04-15 Here is one of Will Cuppy's three classic "How-To's," considering notable birds and animals whose habits (and often existence) seem to have disturbed Cuppy ("Birds Who Can't Even Fly," "Optional Insects," "Octopuses and Those Things"), as well as more mundane creatures like the frog, the gnat, and the moa, who have no visible vices but whose virtues are truly awful. Spanning the breadth of the animal kingdom, Cuppy neatly classes his observations for easy reference: Problem Mammals, Pleasures of Pond Life, Birds Who Can't Sing and Know It. Included with 50 shorter pieces are longer meditations like "The Poet and the Nautilus," "Swan-apping, Indeed!" and "How to Swat a Fly," which codifies the essentials of this simple activity in ten hilarious principles. All this, plus over 100 delightful Nofziger drawings! But the seat of honor is, of course, occupied by the Wombat, the nocturnal star of three essays. Whether asleep in Rossetti's silver epergne or tunneling under the lawn, the wombat never fails to fascinate Cuppy, clearly supplying his alter ego for the animal kingdom.

How to Attract Good Luck A.H.Z. Carr,2014-01-30 Luck is not chance—it can be cultivated. This engaging guide shows how to attract “chance” opportunities, and avoid “bad luck,” in ways that will dramatically improve your life. Why do some people seem to have all the luck? According to writer and economist A. H. Z. Carr, there’s much more to luck than just the random caprices of fate—“luck” is an accessible mind-set that anyone can achieve. The difference between “chance” and “luck,” says Carr, lies in our mental attitude. Carr teaches readers how to develop their character and adjust their mind-set to pick out the opportunities for happiness and success that are available to us all, but which most unthinkingly pass by. This is no volume of superstition—this is a real guide for people who want to tap into the opportunities for a better life that surround us.

Game Roosh Valizadeh,2018-08-21 Game teaches men a 9-step program for meeting and attracting women in an age when smartphones, feminism, and anti-masculinity propaganda have made connecting with the opposite sex harder than ever. It will help you achieve casual or monogamous relationships while safeguarding you from sexual harassment and rape accusations that have increased due to the spread of social justice and hashtag activism. Game was written after the author's 17-year obsessive journey into the art of seducing women. The book begins with... -The 8 beliefs you must internalize to attract women without conscious effort -How to maximize your physical appearance so that most of a seduction is complete before you even begin talking -The hygiene and body flaws that turn women off without you realizing it -8 attraction triggers that cause a woman to be deeply drawn into a man -3 destroyers of attraction that turn off just about all women in their physical prime The biggest chapter is on approaching. Even if you don't have a large social circle, or any friends at all, Game teaches you how to have pleasant face-to-face interactions with women. You'll learn... -How to walk out your front door and casually meet women during the day in a way that won't make you anxious -How to meet girls at night in bars, clubs, or on the street -Dozens of word-for-word examples of how to approach women and converse with them -The best way to know that a girl likes you and will show up on a first date -The number one sign that a girl is ready to be kissed so that you never have to worry about being physically rejected -How to move things to the bedroom on the same day or night you meet a girl If you're not a fan of casual hook-ups, the book has you covered with a traditional dating program. You'll learn... -How to contact a girl using a text messaging script that gets right to the point of scheduling a date -6 fun date questions to ask that help reveal if she's worth a long-term relationship -6 conversational guidelines that prevent you from running out of things to say -How to qualify and tease a girl so that she always sees you as a high-value man -The smoothest way to move things to a private home when she's ready for intimacy -A safe progression to having consensual sex that won't get you in trouble with the law Once you start dating a girl you like, you'll enjoy the chapter on relationships. You'll learn... -How to lovingly mold a girl into your ideal partner while resisting her efforts to train you into a beta male slave -The most important standards you must uphold to maintain the integrity of the relationship -How to regain attraction after your girlfriend becomes distant -6 warning signs that tell you a girl is not worth marriage -How to know if your girlfriend is cheating on you You'll also find two large appendices. They share... -The best way to enter social circles where women will see you as the apex male -How to get intimate with a girl in your social circle so that things don't get weird or awkward -An easy trick to identify which foreign cities contain women that will be most receptive to your look and personality -How to plan for trips that maximize the chance you'll get lucky with foreign women The above only scratches the surface of what Game contains. It is seminal work of a hyper-sexualized man who dedicated tens of thousands of hours into understanding women and attracting them while fending off

defamatory attacks from mainstream feminists and fake news journalists who want to criminalize healthy masculinity. Whether your goal is to have fun in a big city with lots of women or fall in love with only one before getting married, Game will help you accomplish your goals in a way that keeps you safe from degrading cultural winds that continue to divide men and women.

Money Magnetism J. Donald Walters,2004-06-17 This book can change your life by changing how you think and feel about money. Offering simple, powerful techniques for attracting material and spiritual success, Money Magnetism is a practical, easy-to-understand guide that will help you quickly realize results. With its fresh, new insights Money Magnetism goes far beyond the scope of other money books. According to Walters, anyone can attract wealth—there need be no limits to the flow of your abundance. Through numerous stories and examples from his own life and others', Walters vividly—sometimes humorously—shows you how and why the principles of money magnetism work, and how you can immediately start applying them in your own life.
