Lord of the World Robert Hugh Benson,1908 The novel's protagonist is a British Roman Catholic priest, Father Percy Franklin, who looks identical to the

mysterious U.S. Senator Julian Felsenburgh of Vermont. The senator appears as a lone and dramatic figure promising world peace in return for blind obedience. No one quite knows who he is or where he comes from, but his voice mesmerizes. Under his leadership, war is abolished. Felsenburgh becomes the President of Europe, then of the world, by popular acclaim. Everyone is fascinated with him, yet still no one knows much about him. People are both riveted and frightened by the way he demands attention. Most follow without question. Having been a close observer of President Felsenburgh's rise, Father Franklin is called to Rome, a Hong Kong-style enclave ruled by Pope John XXVI and raised to the College of Cardinals. Meanwhile, defections among bishops and priests increase. At Cardinal Franklin's instigation, the pope abolishes the Eastern Catholic Churches and forms a new religious order, the Order of Christ Crucified. All its members, including the Pope, vow to die in the name of the faith.

The Sound of God Samuel Greene,2011-04-29 Deep calleth unto deep; Psalms 42:7 says. Are you listening? Perhaps we need to be a little more attentive. One thing is for sure, God has no problem speaking, for the Lord shall cause His glorious voice to be heard. My prayer is that the Lord can use this book to help us hear. I pray the Lord instills in every one of us a zeal, a desire, and an unsatisfied heart that longs to know the real Jesus and to hear His voice.

The Trees Ali Shaw,2016-08-02 The Trees. They arrived in the night: wrenching through the ground, thundering up into the air, and turning Adrien's suburban street into a shadowy forest. Shocked by the sight but determined to get some answers, he ventures out, passing destroyed buildings, felled power lines, and broken bodies still wrapped in tattered bed linens hanging from branches. It is soon apparent that no help is coming and that these trees, which seem the work of centuries rather than hours, span far beyond the town. As far, perhaps, as the coast, where across the sea in Ireland, Adrien's wife is away on a business trip and there is no way of knowing whether she is alive or dead. When Adrien meets Hannah, a woman who, unlike him, believes that the coming of the trees may signal renewal rather than destruction and Seb, her technology-obsessed son, they persuade him to join them. Together, they pack up what remains of the lives they once had and set out on a quest to find Hannah's forester brother and Adrien's wife--and to discover just how deep the forest goes. Their journey through the trees will take them into unimaginable territory: to a place of terrible beauty and violence, of deadly enemies and unexpected allies, to the dark heart of nature and the darkness--and also the power--inside themselves.

The Lords of Silence Chris Wraight, 2019-02-05 The galaxy has changed. Armies of Chaos march across the Dark Imperium, among them the Death Guard, servants of the Plague God. But shadows of the past haunt these traitors... The Death Guard have returned to prominence with the return of Mortarion and their fabulous model range, and Chris Wraight's previous work with them (in his *Space Wolves* novels, notably) makes him the perfect person to delve into their particular darkness. The Cadian Gate is broken, and the Imperium is riven in two. The might of the Traitor Legions, kept shackled for millennia behind walls of iron and sorcery, has been unleashed on a darkening galaxy. Among those seeking vengeance on the Corpse Emperor's faltering realm are the Death Guard, once proud crusaders of the Legiones Astartes, now debased creatures of terror and contagion. Mighty warbands carve bloody paths through the void, answering their lord primarch's call to war. And yet for all their dread might in arms, there is no escape from the vicious legacies of the past, ones that will pursue them from the ruined daemon-worlds of the Eye of Terror and out into the smouldering wastes of the Imperium Nihilus.

Agnes Sanford and Her Companions William L. De Arteaga, 2015-08-17 Agnes Sanford was arguably the most original and spiritually fruitful theologians of the twentieth century. Among her achievements were the discovery and development of the inner healing ministry, the development of a theology of the light of God (missing in Western theology), and the first ever theology of nature prayers--as in stilling storms. She and her husband developed a school to teach ministers and lay leaders healing and deliverance prayer, and the gifts of the Spirit a decade before the charismatic renewal made such things acceptable in mainline churches. In spite of these achievements, she is largely ignored and unrecognized today. This work examines her career and shows why her theology, though deeply biblical, was unacceptable to orthodox critics. Sanford was part of a group who worked from the 1900s through the 1960s to make healing and deliverance prayer as normal in church. They had to confront the erroneous established theology of cessationism, which affirmed that the healing

ministry of the church was past.

Christ's Object Lessons—Illustrated Ellen G. White,2013-02-05 Heritage Edition—Over 100 illustrations of a century ago. Unabridged, original text consisting of inspiring and profound lessons from the stories and parables which Jesus told. Christ the Great Teacher gave much of His instruction as He walked with His disciples through the hills and valleys of Palestine or rested by the lake or river. In His parable teaching He linked divine truth with common things and incidents, as may be found in the experiences of the shepherd, the builder, the tiller of the soil, the traveler, and the homemaker. Familiar objects were associated with thoughts true and beautiful—thoughts of God's loving interest in us, of the grateful homage that is His due, and of the care we should have one for another. Thus lessons of divine wisdom and practical truth were made forcible and impressive. The Scripture says, "All these things spake Jesus unto the multitude in parables; . . . that it might be fulfilled which was spoken by the prophet, saying, I will open My mouth in parables; I will utter things which have been kept secret from the foundation of the world." Matt. 13:34, 35. Natural things were the medium for the spiritual; the things of nature and the life-experience of His hearers were connected with the truths of the written word. Leading thus from the natural to the spiritual kingdom, Christ's parables are links in the chain of truth that unites man with God, and earth with heaven. In this volume the parables are grouped according to their subjects, and their lessons are developed and illustrated. The book is full of gems of truth, and to many readers it will give a richer meaning to the common surroundings of everyday life.
