Ava Miles

Ava's Story Jennifer Rohde Dickerson, 2012-05-22 Ava Elaine was born with a condition unheard of by many who will read her story: congenital diaphragmatic hernia, or CDH. She began her journey on October 22, 2010. From the moment she came into my life, with her amazing, beautiful red hair and pretty blue eyes, I knew pure love. After one brief moment of skin-to-skin touch with her, she was whisked from my arms to a waiting team of doctors and nurses and put on a ventilator. Ava's courageous battle against seemingly insurmountable odds tells the story of her amazing impact on the lives of her family, friends, doctors, nurses, and even complete strangers. From her delivery at Parkland to the NICU at Children's Medical Center in Dallas, she touched the lives of everyone who came to know her. "Ava quickly got a reputation for being a fighter. From the time she entered the NICU, Ava clenched her little fists in preparation for her fight. Grandpa bought her a set of pink boxing gloves, and Team Ava was always standing at the ready in her corner. The staff at the hospital marveled at her ability to overcome a number of obstacles and difficult medical procedures. She would surprise us all, by telling us in her own way that she was not giving up without a fight." —Elias Lopez, chaplain, Children's Medical Center In the words of Dr. James Thomas, "Ava was endowed with a unique grace that those who knew her could feel. Perhaps Ava was a vehicle for a greater force or maybe she possessed a larger-than-life charisma." How could one little girl's battle for life have such a life-changing effect on those who loved her?

Ava's Place Emily Beck Cogburn, 2017-01-31 Sometimes starting over is the best way home... Most days, divorced mom Ava Olson is just trying to keep it all together. With three school-age children and only a part-time job at a local newspaper, she barely has time to juggle the small stuff, much less stand back and consider the big picture. Besides, dreaming about what-ifs is a dangerous habit, especially when her real concern should be the competition from a much younger new editor.... That is, until she meets Ford, a café owner who wins her over with his warm smile and delicious po' boy sandwiches—and makes her wonder if there could still be more to life than work and kids. Then a new opportunity opens up, and suddenly Ava is making big changes. Like moving eighty miles away to New Orleans, working full-time—and discovering just how sweet a future in the sultry Louisiana city might be—even if she has to explore it on her own. When Ava begins investigating a story that promises huge headlines, she's ready for the front page.... But can she rewrite the story of her own life, complete with a love interest and a very happy ending? Insightful, humorous, and down-to-earth, Emily Beck Cogburn's new novel celebrates the possibilities of change, the courage it takes to make our most heartfelt dreams come true—and the joy of finding your place in the world. Praise for Emily Beck Cogburn's *Louisiana Saves the Library* "Readers who enjoy rooting for the underdog will ardently cheer on Cogburn's plucky, courageous library heroines." —Booklist "For book and library lovers, this endearing tale will particularly appeal... A fast-paced, pleasant read." —RT Book Reviews

Ava's Man Rick Bragg, 2010-01-20 NATIONAL BESTSELLER • With the same emotional generosity and effortlessly compelling storytelling that made *All Over But the Shoutin'* a beloved bestseller, Rick Bragg continues his personal history of the Deep South. This time he's writing about his grandfather Charlie Bundrum, a man who died before Bragg was born but left an indelible imprint on the people who loved him. Drawing on their memories, Bragg reconstructs the life of an unlettered roofer who kept food on his family's table through the worst of the Great Depression; a moonshiner who drank exactly one pint for every gallon he sold; an unregenerate brawler, who could sit for hours with a baby in the crook of his arm. In telling Charlie's story,

Bragg conjures up the backwoods hamlets of Georgia and Alabama in the years when the roads were still dirt and real men never cussed in front of ladies. A masterly family chronicle and a human portrait so vivid you can smell the cornbread and whiskey, Ava's Man is unforgettable.

July 1945—Noah Weatherby returns from war to the woman he fell in love with, one letter at a time. Understanding he's been given a second chance to make something of his life, he begins to search for a greater purpose while battling memories of the horrors of war and how to live with them moving forward. Anna Sims has been praying for Noah's safe return since she started writing him after her brother, Noah's best friend, died. He's every inch the hero she imagined, but she knows he's haunted by what he did in the war. Struggling to help him, she's faced with a greater problem: her still-grieving mother doesn't want him to be around. Noah is a reminder that her own son is never coming back. As Noah and Anna both move forward to create a new life together, they face their deepest shadows while holding fast to the sunshine they find in each other's arms. Hopefully, this book will empower children to overcome obstacles in their formative years. Also, may it serve to everyone how gratifying it is to help others gain self-assurance in a world full of challenges. One book may not solve all the problems of our youngest generation, but if it helps one boy or girl enjoy their right to a good

childhood, it is worth all the efforts of all involved. Recommended ages: 8 to 88 Tim Ackley
