You Are Awesome Neil Pasricha, 2019-11-05 #1 international bestseller Publishers Weekly bestseller The Globe and Mail (Toronto) The Toronto Star bestseller The Vancouver Sun bestseller From Neil Pasricha—New York Times, million-copy bestselling author of The Book of Awesome series and The Happiness Equation, thought leader for the next generation, and one of the most popular TED speakers in the world—comes a revelatory and inspiring book that will change the way we view failure and help us build resilience. We are lucky. For most of us, famine, plague, economic depression, and other life-threatening catastrophes are the stuff of history books. We're living in an era with the highest-ever rates of longevity, education, and wealth. Cars drive us home as our phones entertain us before we arrive to food delivered to the front door. We have it all! But there's just one side effect. We no longer have the tools to handle failure...or even perceived failure. When we fall, we lie on the sidewalk crying. When we spill, we splatter. When we crack, we shatter. We are turning into an army of porcelain dolls. A rude email from the boss means calling in sick. Only two likes on our post means we don't have friends. Cell phones show us we're never good enough. Yesterday's butterflies are tomorrow's panic attacks. Record numbers of students have clinical anxiety. And what about depression, loneliness, and suicide? All rising! What do we desperately need to learn? RESILIENCE. And we need to learn it fast. Read *You Are Awesome* to learn: • The single word that keeps your options open after failure • What every commencement speech gets wrong • 3 ways to dramatically accelerate your ability to learn and adapt • The 2-minute morning practice that helps eliminate worry • Why you need an Untouchable Day (and how to get one) • and much, much more... Because the truth is, you really are awesome.

On Being Awesome Nick Riggle, 2017-09-19 In this lively treatise, pro-skater-turned-philosopher Nick Riggle presents a theory of awesomeness (and its opposite, suckiness) that's both sharply illuminating and more timely than ever "Nick Riggle's fun book is 'awesome' by its own definition. But don't miss its profound ambition, which is to show how philosophy unearths the structure of ordinary language, defines the meaning of life in routine business, and poses the question of how best to live." —Aaron James, author of *Assholes: A Theory* We all know people who are awesome and people who suck, but what do we really mean by these terms? Have you ever been chill or game? Do you rock or rule? If so, then you're tapped into the ethics of awesomeness. Awesome people excel at creating social openings that encourage expressions of individuality and create community. And if you're a cheapskate, self-promoter, killjoy, or douchebag, you're the type of person who shuts social openings down. Put more simply: You suck. From street art to folk singers, Proust to the great etiquette writer Emily Post, President Obama to former Los Angeles Dodger Glenn Burke, Riggle draws on pop culture, politics, history, and sports to explore the origins of awesome, and delves into the nuances of what it means to suck and why it's so important to strive for awesomeness. An accessible and entertaining lens for navigating

the ethics of our time, *On Being Awesome* provides a new and inspiring framework for understanding ourselves and creating meaningful connections in our everyday lives.

The Book of (Holiday) Awesome Neil Pasricha, 2011-11-17 “Neil Pasricha is a gift. This book would make even the grinchiest Grinch love the holidays again.”—A. J. Jacobs There’s nothing like the holidays. They bring out the best, and sometimes the worst, in everyone. Luckily, Neil Pasricha is here to remind us that not only are the holidays great, but there’s actually even more to celebrate than we realize. From Christmas, Hanukkah, and Kwanzaa, to other holidays throughout the year, such as Mother’s Day and Thanksgiving, *The Book of (Holiday) Awesome* will show you why holidays are...AWESOME.

- Making the first footprint in fresh snow
- When the in-laws leave
- Waking up and realizing it’s Christmas
- Just barely wrapping a gift with that tiny scrap of leftover wrapping paper
- When they finally stop playing Christmas songs on the radio
- Knowing “Kwanzaa” is worth more Scrabble points than “Hanukkah” or “Christmas”

The Awesome Eva Darrows, 2015-05 Seventeen-year-old Maggie Cunningham is tough, smart, and sassy. She's also not like other girls her age, but then, who would be when the family business is monster hunting? Combat boots, ratty hooded sweatshirts, and hair worn short so nothing with claws can get a grip, Maggie's concerns in life slant more toward survival than fashion or boys. Which presents a problem when Maggie's mother informs Maggie that she can't get her journeyman's license for hunting until she loses her virginity. Something about virgin blood turning vampires into pointy rage monsters. Maggie's battled ghosts and goblins and her fair share of house brownies, but finding herself a boy - fitting in with her peers - proves a much more daunting task than any monster hunt. Did you know normal girls don't stuff their bras with holy water balloons or carry wooden stakes in their waistbands? And they care about things like matching and footwear. Of course, they also can't clean a gun blindfolded, shoot a crossbow, or exorcise ghosts from a house. Which means they're lame and Maggie's not. Because Maggie's awesome. The Awesome, in fact. Just ask her. She'd be more than happy to tell you. After she finds herself a date...
