**Maggie's Back Book** Maggie Lettvin,1976 A teacher and public-television personality outlines a program of exercises and other strategies for alleviating and eliminating forms of lower-back pain

The Back Book Ziya L. Gokaslan, Lee Hunter Riley III,2009-01-30 Eighty percent of Americans experience back pain in varying degrees at some point in their lives. In fact, back pain is second only to the common cold as a reason why people visit a doctor. In *The Back Book*, Johns Hopkins surgeons Ziya L. Gokaslan and Lee Hunter Riley explain the causes and complexities of back pain and the various paths to diagnosis and treatment. Stressing the importance of individualized treatment, they discuss the process of establishing a treatment plan that is acceptable to the person with pain as well as to the attending physician. They also:

- lay out reasonable expectations for surgical and nonsurgical treatment
- illuminate the possibilities, risks, and limitations of back surgery
- describe how to select a surgeon and the importance of choosing the right one

Informative and reassuring, *The Back Book* provides readers with the knowledge they need to understand their back pain and get started on the route to relief.

**Back** Henry Green, 2016-10-18 Back is the story of Charley Summers, who is back from the war and a POW camp having lost the woman he loved, Rose, to illness before he left and his leg to fighting. In other words, Charley has very little to come back to, only memories, and on top of that he has been deeply traumatized by his experience of war. Rose's father introduces him to another young woman, Nancy, and Charley becomes convinced that she is in fact Rose and pursues her. Back is at once a Shakespearean comedy of mistaken identities, a voyage into the world of madness, and a celebration of the improbable healing powers of love.

The Kingdom of Back Marie Lu, 2020-03-03 From #1 New York Times bestselling author Marie Lu comes a historical YA fantasy about a musical prodigy and the dangerous lengths she'll go to make history remember her--perfect for fans of Susanna Clarke and The Hazel Wood. Two siblings. Two brilliant talents. But only one Mozart. Born with a gift for music, Nannerl Mozart has just one wish--to be remembered forever. But even as she delights audiences with her masterful playing, she has little hope she'll ever become the acclaimed composer she longs to be. She is a young woman in 18th century Europe, and that means composing is forbidden to her. She will perform only until she reaches a marriageable age--her tyrannical father has made that much clear. And as Nannerl's hope grows dimmer with each passing year, the talents of her beloved younger brother, Wolfgang, only seem to shine brighter. His brilliance begins to eclipse her own, until one day a mysterious stranger from a magical land appears with an irresistible offer. He has the power to make her wish come true--but his help may cost her everything. In her first work of historical fiction, #1 New York Times bestselling author Marie Lu spins a lush, lyrically-told story of music, magic, and the unbreakable bond between a brother and sister.

Each story and lesson in the book guides readers to release the blocks to what they most long for: happiness, security and clear direction. The lessons help readers relinquish the need to control so they can relax into a sense of certainty and freedom. Readers will learn to stop chasing life and truly live. Making the shift from fear to faith will give readers a sense of power in a world that all too often makes them feel utterly powerless. When the tragedies of the world seem overwhelming, this book will help guide them back to their true power. Gabrielle says, “My commitment with this book is to wake up as many people as possible to their connection to faith and joy. In that connection, we can be guided to our true purpose: to be love and spread love. These words can no longer be cute buzz phrases that we merely post on social media. Rather, these words must be our mission. The happiness, safety, and security we long for lies in our commitment to love.” When readers follow this path, they’ll begin to feel a swell of energy move through them. They will find strength when they are down, synchronicity and support when they’re lost, safety in the face of uncertainty, and joy when they are otherwise in pain. Follow the secrets revealed in this book to unleash the presence of your power and know always that *The Universe Has Your Back*.
