*Balik-terrorism* Zachary Abuza, 2005 The author warns that despite the regeneration of the ASG as a bona fide terrorist organization, the primary security threat confronting the GRP comes from the Communist Party of the Philippines and their armed wing, the New People's Army. To that end, the GRP will focus on the ASG and MILF in as much as they expect it to garner U.S. material support and assistance. He advises U.S. Defense department and policymakers regarding institutional frailties of the GRP and institutional corruption within the Philippine armed forces. While the author suggests that training continue, he cautions about being drawn into a quagmire. Despite the MILF's ties to the ASG and JIO, he also suggests that the U.S. should continue to support the peace process and to try to wean the MILF off their relationship with terrorist organizations.

**Balik-Tanaw: The Road Taken** Soledad S. Reyes, 2023-03-23 *Balik-Tanaw: The Road Taken* is the memoir of the distinguished Filipino critic, Soledad S. Reyes. This book is a record of Reyes's journey of more than seven decades where personal narrative intertwines with people and events, with social and political movements with which the country sought to negotiate the treacherous shoals in the postwar years. The account carries a fair amount of biographical data (as lodged in the critic's memory in the absence of diaries), from her childhood into her college years. But as the context becomes wider and more complex, the narrative takes on a more analytical frame as she tries to make sense of disparate experiences whirling about her in the tumult of the 1970s and beyond, and in the startling changes in the political landscape, local and global, that now grip the Filipino nation. This account, according to the author, is a story of an individual constructing a narrative that seeks to impose order upon chaos by retrieving aspects of the past and weaving a series of recalcitrant experiences into a coherent whole. **Outwitted by a Husky** Shea Balik, 2020-02-25 Come join us for a fun-filled vacation in Mystic Pines, Alaska, where the weather isn't always warm but our hospitality is. Spencer Clarke and his four best friends decided to take the abandoned town of Mystic Pines and turn it into a vacation destination for the LGBTQ community. But nothing about Mystic Pines was as he thought it would be, especially when he encounters someone who challenges his notions of family. When Reese Alston heard about Mystic Pines, he had to admit to being intrigued by the idea of a town that would accept everyone for who they were. But when he moved there in hopes of opening an animal daycare, he found that not everyone was as accepting as he wished. An animal lover at heart, Reese was dismayed to find out that Spencer Clarke was adamant no pets would ever be allowed in his resort. Will they be able to come to a compromise? Or will one husky have to outwit them both to see the future they were meant to have? Warning: This series takes place in the middle of the Alaskan Triangle. Anything could happen, from Bigfoot, to aliens, to disappearances and upside-down trees, so expect the unexpected.

**Balik Kampung** Ma C Ee, 2016-10-12 Since 2006, over 500 young Americans have travelled to Malaysia under the auspices of the Fulbright Program to serve as English Teaching Assistants (ETAs) in public secondary schools. Fulbright is a U.S. State Department funded educational exchange program between the U.S. and over 150 countries around the world that seeks to increase mutual understanding between Americans and the citizens of other countries. The ETA program in Malaysia, administered by a bi-national commission known as the Malaysian-American Commission on Educational Exchange (MACEE), is one of the largest Fulbright programs in the world and has impacted thousands of students, teachers, and ETAs in communities across the country. This compilation of essays, stories, and reflections has been written by present and former ETAs and compiled by MACEE to celebrate the breadth of experiences and depth of connections made possible by this cultural and educational exchange. **A Flicker of Hope** Shea Balik,2019-05-29 Kegan Tulach already knew that monsters were real. He'd faced them. Watched in horror as they killed those he loved. Then run from them. It was his response for the past two years. But now, on his twenty-first birthday, running wasn't an option. He had no where to go. It was time for him to face his worst nightmare. There weren't many people who could do what Bjorn did. Fight monsters and live to tell the tale. It was a job thrust upon him as a kid. If he had known the true hell that would be cursed upon him, he would have preferred to die even though he'd only been fourteen at the time. Now, years later, he had hope that the curse would come to an end. The question was, would he choose the death he'd so desperately craved for more than a millennia, or would he do the one thing he swore he'd never do? Choose love. If Kegan and Bjorn can find a way past their fears, they may discover something worth living for - each other. This is a stand alone with an HEA, but reading the first book is recommended for full enjoyment.

*Bubbly* Shea Balik,2017-10-19 Raise your wine glasses high to toast the men of Dahlonia while they discover the secret to happiness - LOVE. There was no doubt about it, Macalister Whitmore was as straight-laced as they came. He worked all the time, never did anything that would be considered fun, and almost always wore a suit and tie, even in the laid back southern town of Dahlonia, where the dress code tended to be jeans and t-shirts. It was how his parents raised him and Macalister was sure even a tanning salon couldn't change that. David Wilson wanted to throttle his best friend for sending Mac to his tanning salon to try and loosen up the uptight lawyer. He had never met anyone that had actually worn a suit to a tanning salon before. What Mac needed was a doctor to remove that stick from his ass. Then again, if Mac continued to look down his nose at David, he would remove it himself. Still, it seemed that opposites do attract, so they decide to give each other a chance. Happily ever after may sound like a dream come true, but no one ever said it didn't come with pain and heartache. Will they walk away from each other, or walk through hell for the chance to pop some Bubbly and celebrate finding their happy ending.

*Turkey and the US in the Middle East* Gürcan Balik,2016-05-26 Written by the former chief foreign policy advisor to the Turkish president and based on unprecedented access to official documents and communiqués, this book gives the inside story of Turkish US relations from the first Gulf War, through debates on the Iraqi Kurdish question, the 2003 invasion of Iraq and into the present day. Using events in Iraq as the basis for a theoretical case study, Gurcan Balik argues that Turkey influenced US foreign policy on several key occasions, and that Turkish support was instrumental in the first intervention in Iraq. After Iraq's 1991 uprisings, however, Turkey's interests in the Middle East began to diverge from those of the US, and their relationship gradually deteriorated, evident in Turkey's refusal to open up its northern border to aid the US advance to Baghdad in 2003. Balik contends that an 'Iraq gap' then emerged, which has since had major implications for the Turkish economy and for the future of the Middle East. Turkey and the US in the Middle East contains hitherto unpublished primary source material, and is an essential addition to the scholarship of the period.

*War with Japan: The advance to Japan* Great Britain. Ministry of Defence (Navy),1995 This Naval Staff History, originally published on a restricted basis, and not on sale to the general public, is now available in four books. Book 1 provides a summary of the strategy of the war with Japan and a description of Japan's military and economic situation, including the Japanese assault on the British, American and Dutch possessions which began in 1941. Book 2 describes the operations in the Solomon Islands which stopped the Japanese advance southward, and the campaign in New Guinea which furnished the Allies with a main base in the Admiralty Islands. Book 3 covers the reconquest of Burma and the operations of the Eastern Fleet. Book 4 opens with a description of the military situation of the Japanese and ends with their surrender on August 14th.
