Wampar-English Dictionary Hans Fischer,Bettina Beer,2021-12-09 This ethnographic dictionary is the result of Hans Fischer's long-term fieldwork among the Wampar, who occupy the middle Markham Valley in Morobe Province, Papua New Guinea (PNG). Their language, Dzob Wampar, belongs to the Markham family of the Austronesian languages. Today most Wampar speak not only Wampar but also PNG's lingua franca, Tok Pisin. Six decades of Wampar research has documented the extent and speed of change in the region. Today, mining, migration and the commodification of land are accelerating the pace of change in Wampar communities, resulting in great individual differences in knowledge of the vernacular. This dictionary covers largely forgotten Wampar expressions as well as loanwords from German and Jabêm that have become part of everyday language. Most entries contain example sentences from original Wampar texts. The dictionary is complemented by an overview of ethnographic research among Wampar, a sketch of Wampar grammar, a bibliography and an English-to-Wampar finder list.

The Art of Bangin' Kalib Wilson,2017-09-26 Kalib Wilson an ex-gang member of Los Angeles California gives a factual, and an opinionated history of blacks in America, and why some young black males may find it necessary to join and be a part of a group that can be more harmful than it can be helpful. Once a person becomes a member of a gang, their life as they once knew it changes. A very in depth and detailed description of the principles that are to be applied under any and every circumstance are conveyed, and from the application of these principles are the consequences that are endured. So through experience comes the compassion, empathy, and willingness to disclose strength, hope, encouragement, and belief that unhealthy behaviors can be avoided, remedied, and changed through confidence and motivation. Kalib Wilson is a certified drug and alcohol counselor, and a father of five. With an AA degree in drug and alcohol counseling, Kalib takes pride in helping others through positive encouragement, enlightenment, and praise. Bangin' Gears and Bustin' Heads Roger A. Jetter,2004-07 In the late 1950s, a teenager's most coveted item was a driver's license. It gave every 16-year-old relative freedom, but it also gave some teens a permit to do stupid things with what amounted to a four-wheeled weapon. In a small Midwestern town, that license was a way to explore surroundings, an opportunity to show off, and for a few, akin to signing a death certificate. When the newness of automobilia in general wore off, the next step was to soup up a car. Speed was the game, and fearlessness ran rampant: How good a driver were you? How fast could the car go? Seeing how many opponents could be beaten in illegal drag races on the streets and highways was weekend sport, tempered only by carnage left in the wake. These stories reach back to a time when a driver's license and a hopped-up car were easily the most important things in every teen's life...and the heartache of every parent.

My name is Charles Cook and between these covers I have chronicled the 12 months of insanity that were my life from June 2015 - June 2016. During that time I had my second mechanical heart implanted in my chest. After I recovered from that surgery I was placed on the transplant list in August 2015 and I received a heart transplant in April 2016. If you purchase this book you'll be helping me to spread a message about not giving up no matter how bad the odds are. The only way that I have found to get through my most difficult times is to hang in there and just Keep Bangin! Thank you for your support.

Trap Kitchen Malachi Jenkins,Roberto Smith,Marisa Mendez,2017-12-12 Jenkins and Smith, who once belonged to rival L.A. gangs, became friends and started a catering business marketed solely on Instagram. Media outlets took notice, as did Snoop Dogg and Martha Stewart, paving the way for their debut cookbook – Publishers Weekly When two former members of Los Angeles' most nefarious rival gangs decided to unite under one oven, they had no idea that they would be creating an empire. Trap Kitchen is more than just a cookbook. It's a glimpse into the meals that have now become famous in the LA streets thanks to the series of pop-up restaurants that continue to bloom throughout the area. Celebrities and residents alike flock to the locations for soulful meals, but it's more than that. Having lost friends and family to violence, we learn how the masterminds behind Trap Kitchen sought to change the paths they were on, using cooking as their driving force. While other cookbooks may boast a level of urban-skewed appeal in their realness, this cookbook also delves into the stories of why they became involved in cooking in the first place. It's both a heartfelt and stomach-filling experience to learn how two men changed their stars by seeking out peace and good food for themselves and their community.
