Crying in H Mart Michelle Zauner, 2021-04-20 #1 NEW YORK TIMES BESTSELLER • From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food, grief, love, and growing up Korean American—"in losing her mother and cooking to bring her back to life, Zauner became herself" (NPR). • CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BESTSELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

The 12 Bottle Bar David Solmonson, Lesley Jacobs Solmonson, 2014-07-29 It's a system, a tool kit, a recipe book. Beginning with one irresistible idea--a complete home bar of just 12 key bottles--here's how to make more than 200 classic and unique mixed drinks, including sours, slings, toddies, and highballs, plus the perfect Martini, the perfect Manhattan, and the perfect Mint Julep. It's a surprising guide--tequila didn't make the cut, and neither did bourbon, but genever did. And it's a literate guide--describing with great liveliness everything from the importance of vermouth and bitters (the "salt and pepper" of mixology) to the story of a punch bowl so big it was stirred by a boy in a rowboat.

The Rooster Bar John Grisham, 2017-10-24 #1 NEW YORK TIMES BESTSELLER • John Grisham's newest legal thriller takes you inside a law firm that's on shaky ground. Mark, Todd, and Zola came to law school to change the world, to make it a better place. But now, as third-year students, these close friends realize they have been duped. They all borrowed heavily to attend a third-tier, for-profit law school so mediocre that its graduates rarely pass the bar exam, let alone get good jobs. And when they learn that their school is one of a chain owned by a shady New York hedge-fund operator who also happens to own a bank specializing in student loans, the three know they have been caught up in The Great Law School Scam. But maybe there's a way out. Maybe there's a way to escape their crushing debt, expose the bank and the scam, and make a few bucks in the process. But to do so, they would first have to quit school. And leaving law school a few short months before graduation would be completely crazy, right? Well, yes and no ... Pull up a stool, grab a cold one, and get ready to spend some time at The Rooster Bar. Don't miss John Grisham's new book, THE EXCHANGE: AFTER THE FIRM!
