*New York City's Best Dive Bars* Wendy Mitchell, 2003 With New York City being overrun by cosmo-sipping, trance-listening, couch-sprawling hipsters, it's high time to explore the places where real people do real drinking. Learn which dives have the best jukeboxes, the strongest drinks, and the most fascinating clientele.

**Sitting in Bars with Cake** Audrey Shulman, 2015-04-07 A “sweet indulgence for your mind, heart, and tastebuds”—now a major motion picture starring Yara Shahidi, Odessa A’zion, and Bette Midler (Molly Tarlov, MTV’s Awkward). Meeting Mr. Right is never easy. And in a big city like Los Angeles, it’s even harder. So, after years of fruitless efforts at finding a soul mate, Audrey Shulman decided to take a different route to a man’s heart—through his sweet tooth. Whipping up a variety of sinfully delicious cakes, Audrey invaded the savage singles scene fully armed with butter, sugar, and frosting. Sitting in Bars with Cake recounts Audrey’s year spent baking, bar-hopping, and offering slices of cake to men in the hope of finding a boyfriend (or, at the very least, a date). With 35 inventive recipes, this charming book pairs each cake with a short essay and tongue-in-cheek lesson about picking up boys in bars. “This delectable mix of encouragement, anecdote and cream-filling is more than enough reason to start baking and flirting.” —Winnie Holzman, creator of My So-Called Life “This is a delightfully humble and enthralling tale about cake and bars and boys, but it’s really about life, and what it takes to get up every day and be the person you have always wanted to be.” —Tracy Moore, Jezebel

**The Library at Mount Char** Scott Hawkins, 2016-03-15 “Wholly original . . . the work of the newest major talent in fantasy.”—The Wall Street Journal “Freakishly compelling . . . through heart-thumping acts of violence and laugh-out-loud moments, this book practically dares you to keep reading.”—Atlanta Magazine A missing God. A library with the secrets to the universe. A woman too busy to notice her heart slipping away. Carolyn's not so different from the other people around her. She likes guacamole and cigarettes and steak. She knows how to use a phone. Clothes are a bit tricky, but everyone says nice things about her outfit with the Christmas sweater over the gold bicycle shorts. After all, she was a normal American herself once. That was a long time ago, of course. Before her parents died. Before she and the others were taken in by the man they called Father. In the years since then, Carolyn hasn't had a chance to get out much. Instead, she and her adopted siblings have been raised according to Father's ancient customs. They've studied the books in his Library and learned some of the secrets of his power. And sometimes, they've wondered if their cruel tutor might secretly be God. Now, Father is missing—perhaps even dead—and the Library that holds his secrets stands unguarded. And with it, control over all of creation. As Carolyn gathers the tools she needs for the battle to come, fierce competitors for this prize align against her, all of them with powers that far exceed her own. But Carolyn has accounted for this. And Carolyn has a plan. The only trouble is that in the war to make a new God, she's forgotten to protect the things that make her human. Populated by an unforgettable cast of characters and propelled by a plot that will shock you again and again, *The Library at Mount Char* is at once horrifying and hilarious, mind-blowingly alien and heartbreakingly human, sweepingly visionary and nail-bitingly thrilling—and signals the arrival of a major new voice in fantasy. Praise for *The Library at Mount Char* An engrossing fantasy world full of supernatural beings and gruesome consequences.—Boston Globe Vivid . . . the dialogue sings . . . you'll spend equal time shuddering and chortling.—Dallas Morning News

**The Temps** Andrew DeYoung, 2022-03-29 \*Named a Best SFF Book of 2022 by Book Riot\* They're underemployed. Underpaid. And trying to survive the end of the world while trapped inside an office complex. Who knew temp work could be this dangerous? Jacob Elliot doesn't want a temporary job in the mailroom at Delphi Enterprises, but after two post-college years of unpaid internships and living in his parents' basement, he needs the work. Then, on his first day, the unthinkable happens: toxic gas descends on a meeting in Delphi's outdoor amphitheater, killing all the regular employees and leaving Jacob stranded inside the vast office complex. Wandering through Delphi headquarters, Jacob finds other survivors: Lauren, the disillusioned classics major who's now writing online personality quizzes; Swati, the fitness instructor trying to escape a toxic relationship; and Dominic, the business school student who will do almost anything to get ahead. Stranded in the wreckage of the company that employed them, the temps band together to create a miniature world that's part spring break, part office culture—until a shocking discovery disrupts the survivors' self-made paradise and drives them to uncover the truth about the mysterious corporation that employed them and the apocalypse that brought their world to an end. A surprising, profound tribute to the absurdities and paranoia of modern life, *The Temps* is an epic exploration

of survival and human connection in the digital age.

*Historic Bars of Chicago* Sean Parnell, 2010 Offers profiles of one hundred bars in Chicago, including the type of food and drinks served, the kind of music played, and the history of each establishment.

**Stars and Bars** William Boyd, 2011-10-12 Sharply observed and brilliantly plotted, *Stars and Bars* is an uproarious portrait of culture clash deep in the heart of the American South, by one of contemporary literature's most imaginative novelists. A recent transfer to Manhattan has inspired art assessor Henderson Dore to shed his British reserve and aspire to the impulsive and breezy nature of Americans. But when Loomis Gage, an eccentric millionaire, invites him to appraise his small collection of Impressionist paintings, Dore's plans quite literally go south. Stranded at a remote mansion in the Georgia countryside, Dore is received by the bizarre Gage family with Anglophobic slurs, nausea-inducing food, ludicrous death threats, and a menacing face off with competing art dealers. By the time he manages to sneak back to New York City—sporting only a cardboard box—Henderson Dore realizes he is fast on the way to becoming a naturalized citizen.

Great Wisconsin Taverns Dennis Boyer, 2002-08 Enjoy a cold brew with good friends at one of Wisconsin's best bars. This guide features 101 different watering holes, so you're sure to find the best places to stop and taste the suds. This is the ultimate guide to Wisconsin's most unique and memorable taverns.

**Tavern League** Carl Corey, 2011-08-15 In *Tavern League*, photographer Carl Corey documents a unique and important segment of the Wisconsin community. Our bars are unique micro-communities, offering patrons a sense of belonging. Many of these bars are the only public gathering place in the rural communities they serve. These simple taverns offer the individual the valuable opportunity for face to face conversation and camaraderie, particularly as people become more physically isolated through the accelerated use of the internet's social networking, mobile texting, gaming, and the rapid-fire of email. This collection of 60 pictures captures the

Wisconsin tavern as it is today. Carl Corey's view is both familiar and undeniably unique, his pictures resonant with anyone who has set foot in a Wisconsin tavern. As the Milwaukee Journal Sentinel's Mary Louise Schumacher has written, "Carl Corey's photographs . . . document iconic American places that are taken for granted. . . . They are comforting images, places we know, but also eerie and remote, presented with a sense of romance and nostalgia that suggests they are already past."
