

Beach

Daniel F McAuley

The Beach Book Gloria Steinem,1963 Gloria Steinem's 1963 book celebrating beach culture dedicated To Ocean Beach Pier that was and to Paradise Island. Introduction by John Kenneth Galbraith (yes, the economist and diplomat). Fascinating peak into early '60s attitudes to leisure. --Amazon.com.

The Beach Alex Garland,1998-02-01 The irresistible novel that was adapted into a major motion picture starring Leonardo DiCaprio. The Khao San Road, Bangkok -- first stop for the hordes of rootless young Westerners traveling in Southeast Asia. On Richard's first night there, in a low-budget guest house, a fellow traveler slashes his wrists, bequeathing to Richard a meticulously drawn map to the Beach. The Beach, as Richard has come to learn, is the subject of a legend among young travelers in Asia: a lagoon hidden from the sea, with white sand and coral gardens, freshwater falls surrounded by jungle, plants untouched for a thousand years. There, it is rumored, a carefully selected international few have settled in a communal Eden. Haunted by the figure of Mr. Duck -- the name by which the Thai police have identified the dead man -- and his own obsession with Vietnam movies, Richard sets off with a young French couple to an island hidden away in an archipelago forbidden to tourists. They discover the Beach, and it is as beautiful and idyllic as it is reputed to be. Yet over time it becomes clear that Beach culture, as Richard calls it, has troubling, even deadly, undercurrents. Spellbinding and hallucinogenic, *The Beach* by Alex Garland -- both a national bestseller and his debut -- is a highly accomplished and suspenseful novel that fixates on a generation in their twenties, who, burdened with the legacy of the preceding generation and saturated by popular culture, long for an unruined landscape, but find it difficult to experience the world firsthand.

The Beach Book Melcher Media,2005 In these and seven other stories, *The Beach Book* gathers a seminal selection of fiction set on beaches around this big glue globe. Internationally acclaimed authors and emerging voices have all written eloquently about the sea's siren song. This book is completely waterproof. Put it right in your beach tote along with your sunscreen and beach ball!

The Beach Book Carl Heywood Hobbs,2012 Waves and tides, wind and storms, sea-level rise and shore erosion: these are the forces that shape our beaches, and beach lovers of all stripes can benefit from learning more about how these coastal processes work. With animation and clarity, *The Beach Book* tells sunbathers why beaches widen and narrow, and helps boaters and anglers understand why tidal inlets migrate. It gives home buyers insight into erosion rates and provides natural-resource managers and interested citizens with rich information on beach nourishment and coastal-zone development. And for all of us concerned about the long-term health of our beaches, it outlines the latest scientific information on sea-level rise and introduces ways to combat not only the erosion of beaches but also the decline of other coastal habitats. The more we learn about coastline formation and maintenance, Carl Hobbs argues, the better we can appreciate and cultivate our shores. Informed by the latest research and infused with a passion for its subject, *The Beach Book* provides a wide-ranging introduction to the shore, and all of us who love the beach and its associated environments will find it timely and useful.

Tar Beach Faith Ringgold,2020-08-18 CORETTA SCOTT KING AWARD WINNER • CALDECOTT HONOR BOOK • A NEW YORK TIMES BEST ILLUSTRATED BOOK Acclaimed artist Faith Ringgold seamless weaves fiction, autobiography, and African American history into a magical story that resonates with the universal wish for freedom, and will be cherished for generations. Cassie Louise Lightfoot has a dream: to be free to go wherever she wants for the rest of her life. One night, up on “tar beach,” the rooftop of her family’s Harlem apartment building, her dreams come true. The stars lift her up, and she flies over the city, claiming the buildings and the city as her own. As Cassie learns, anyone can fly. “All you need is somewhere to go you can’t get to any other way. The next thing you know, you’re flying among the stars.”

Palm Beach Aerin Lauder,2019-09-01 Early in the 1900s, one-time oil baron Henry Morrison Flagler took interest in the Southern coast of Florida and began developing an exclusive resort community. Establishing a railroad that would allow easier access to the area, he went on to build two hotels—his hope was that America’s first families would come to populate the area. This modest community would later evolve into an iconic American destination, hosting British royalty, American movie stars, and becoming the home-away-from-home to some of the country’s leading families. As the century continued, Palm Beach established itself as a luxury hideaway synonymous with old-world glamour and new-world sophistication. In this splendid volume, longtime resident and Palm Beach social fixture Aerin Lauder takes us through her Palm Beach. From favorite restaurants like Nandos and Renatos, to favorite houses like La Follia and Villa Artemis, she takes us to the elite shopping of Worth Avenue and the scenic walkways of the Lake Worth trail, all the while relating to us the histories, faces, and places that have become so identified with Palm Beach.

The Beach Book Bret Sigillo,2014 The ultimate guide to all of Eleuthera's 135 beaches --Cover.

Double Shot Death Emmeline Duncan,2022-04-26 At Campathon, an annual eco-friendly festival held on a farm outside of Portland ... Sage has scored a coveted place for her Ground Rules coffee cart thanks to her new-ish boyfriend, Bax, who's friendly with Maya, one of the musicians performing ... When Sage stumbles upon [a] dead body in the nearby woods--his hand still clutching one of her coffee mugs--it's clear that someone's grudge boiled over into murder--

Beach Read Emily Henry,2020-05-19 FROM THE #1 NEW YORK TIMES BESTSELLING AUTHOR OF PEOPLE WE MEET ON VACATION AND BOOK LOVERS! A romance writer who no longer believes in love and a literary writer stuck in a rut engage in a summer-long challenge that may just upend everything they believe about happily ever afters. Augustus Everett is an acclaimed author of literary fiction. January Andrews writes bestselling romance. When she pens a happily ever after, he kills off his entire cast. They’re polar opposites. In fact, the only thing they have in common is that for the next three months, they're living in neighboring beach houses, broke, and bogged down with writer's block. Until, one hazy evening, one thing leads to another and they strike a deal designed to force them out of their creative ruts: Augustus will spend the summer writing something happy, and January will pen the next Great American Novel. She'll take him on field trips worthy of any rom-com montage, and he'll take her to interview surviving members of a backwoods death cult (obviously). Everyone will finish a book and no one will fall in love. Really.

Miami Beach Horacio Silva,2020-10-01 Considered by many as the country’s most dynamic, fastest growing and sexiest city, Miami is more popular than ever before. Yet, it is a city that doesn’t merely change but evolves, never rewriting the past, just adding to its illustrious heritage. And this is the real beauty of Miami. The chic Surf Club and the vibrant Faena Hotel did not replace the emblematic Raleigh of the 1940s nor the Ritz Carlton of the 50s, rather they complement them. Classics like Joe’s Stone Crab continue to serve their signature fare to sell-out crowds each night, as new establishments attract with name chefs. The iconic art deco architecture remains on full display as the modern Herzog & de Meuron-designed Perez Art Museum stands in stark contrast. Replete with arts and culture year round from the international art at The Bass to the street art of Wynwood Walls, each December, the city is taken over by the global cultural elite for Art Basel Miami Beach, a fair that attracts over 80,000 visitors who turn out for the momentous art, such as Maurizio Cattelan’s show stopping “Comedian”, and the exuberant festivities hosted each evening.

Bats at the Beach ,2006 Quick, call out Tell all you can reach: the night is just perfect for bats at the beach So pack your buckets, banjos, and blankets don t forget the moon-tan lotion and wing with this bunch of fuzzy bats to where foamy sea and soft sand meet. Brian Lies s enchanting art and cheery beachside verse will inspire bedtime imaginations again and again. Come visit a bedazzling world of moonlight, firelight, and . . . bats

Steel Beach John Varley,1993-08-01 A science fiction epic from the best writer in America (Tom Clancy)—Hugo and Nebula award-winning author John Varley. Fleeing Earth after an alien invasion, the human race stands on the threshold of evolution. Their new home is Luna, a moon colony blessed with creature comforts, prolonged lifespans, digital memories, and instant sex changes. But the people of Luna are bored, restless, suicidal—and so is the computer that monitors their existence...

On the Beach Nevil Shute,2010-02-09 The most shocking fiction I have read in years. What is shocking about it is both the idea and the sheer imaginative brilliance with which Mr. Shute brings it off. THE SAN FRANCISCO CHRONICLE They are the last generation, the innocent victims of an accidental war, living out their last days, making do with what they have, hoping for a miracle. As the deadly rain moves ever closer, the world as we know it winds toward an inevitable end....

Monkey Beach Eden Robinson,2014-08-26 A young Native American woman remembers her volatile childhood as she searches for her lost brother in the Canadian wilds in an extraordinary, critically acclaimed debut novel As she races along Canada's Douglas Channel in her speedboat—heading toward the place where her younger brother Jimmy, presumed drowned, was last seen—twenty-year-old Lisamarie Hill recalls her younger days. A volatile and precocious Native girl growing up in Kitamaat, the Haisla Indian reservation located five hundred miles north of Vancouver, Lisa came of age standing with her feet firmly planted in two different worlds: the spiritual realm of the Haisla and the sobering “real” world with its dangerous temptations of violence, drugs, and despair. From her beloved grandmother, Ma-ma-oo, she learned of tradition and magic; from her adored, Elvis-loving uncle Mick, a Native rights activist on a perilous course, she learned to see clearly, to speak her mind, and never to bow down. But the tragedies that have scarred her life and ultimately led her to these frigid waters cannot destroy her indomitable spirit, even though the ghosts that speak to her in the night warn her that the worst may be yet to come. Easily one of the most admired debut novels to appear in many a decade, Eden Robinson's Monkey Beach was immediately greeted with universal acclaim—called “gripping” by the San Diego Union-Tribune, “wonderful” by the Milwaukee Journal Sentinel, and “glorious” by the Globe and Mail, earning nominations for numerous literary awards before receiving the Ethel Wilson Fiction Prize. Evocative, moving, haunting, and devastatingly funny, it is an extraordinary read from a brilliant literary voice that must be heard.

Good Night Beach Adam Gamble,2012-07-05 The beach, an iconic fixture of many children's summers, is artfully celebrated in this boardbook. Designed to soothe children before bedtime while instilling an early appreciation for the environment's natural wonders, the book features a multicultural group of people experiencing all that the beach has to offer. Rhythmic language guides children through the passage of a single day of fun at the seaside—splashing, playing in the waves, boating, fishing, identifying wildlife, and more.

On Chesil Beach Ian McEwan,2009-02-24 NOW A MAJOR MOTION PICTURE The #1 bestselling author of Saturday and Atonement brilliantly illuminates the collision of sexual longing, deep-seated fears and romantic fantasy in his unforgettable, emotionally engaging novel. The year is 1962. Florence, the daughter of a successful businessman and an aloof Oxford academic, is a talented violinist. She dreams of a career on the concert stage and of the perfect life she will create with Edward, the earnest young history student she met by chance and who unexpectedly wooed her and won her heart. Edward grew up in the country on the outskirts of Oxford where his father, the headmaster of the local school, struggled to keep the household together and his mother, brain-damaged from an accident, drifted in a world of her own. Edward's native intelligence, coupled with a longing to experience the excitement and intellectual fervour of the city, had taken him to University College in London. Falling in love with the accomplished, shy and sensitive Florence—and having his affections returned with equal intensity—has utterly changed his life. Their marriage, they believe, will bring them happiness, the confidence and the freedom to fulfill their true destinies. The glowing promise of the future, however, cannot totally mask their worries about the wedding night. Edward, who has had little experience with women, frets about his sexual prowess. Florence's anxieties run deeper: she is overcome by conflicting emotions and a fear of the moment she will surrender herself. From the precise and intimate depiction of two young lovers eager to rise above the hurts and confusion of the past, to the touching story of how their unexpressed misunderstandings and fears shape the rest of their lives, On Chesil Beach is an extraordinary novel that brilliantly, movingly shows us how the entire course of a life can be changed—by a gesture not made or a word not spoken.

How to Read a North Carolina Beach Orrin H. Pilkey,Tracy Monegan Rice,William J. Neal,2014-06-30 Take a walk on the beach with three coastal experts who reveal the secrets and the science of the North Carolina shoreline. What makes sea foam? What are those tiny sand volcanoes along the waterline? You'll find the answers to these questions and dozens more in this comprehensive field guide to the state's beaches, which shows visitors how to decipher the mysteries of the beach and interpret clues to an ever-changing geological story. Orrin Pilkey, Tracy Monegan Rice, and William Neal explore large-scale processes, such as the composition and interaction of wind, waves, and sand, as well as smaller features, such as bubble holes, drift lines, and black sands. In addition, coastal life forms large and small--from crabs and turtles to microscopic animals--are all discussed here. The concluding chapter contemplates the future of North Carolina beaches, considering the threats to their survival and assessing strategies for conservation. This indispensable beach book offers vacationers and naturalists a single source for learning to appreciate and preserve the natural features of a genuine state treasure. Southern Gateways Guide is a registered trademark of the University of North Carolina Press

Viking in Love Doug Cenko,2021-12-14 In this laugh-out-loud picture book, a Viking falls in love and must face the only thing in his way of attaining it: his fear of the sea. Stig is your quintessential Viking guy. He loves fresh air, stew, and adorable kittens . . . but he hates the sea. Ingrid is your quintessential Viking gal. She loves all of the above and the sea. What happens when Stig sees Ingrid? Of course, he falls head over heels. But there is one significant problem that stands in their way: the sea. Will Stig find a way to overcome his fears and woo the bold and beautiful Ingrid? Only if he uses his Viking ingenuity . . . and a few kittens.

Ocean Beach Wendy Wax,2012-06-26 Three women find a second chance—or is it a third—in this novel from the USA Today bestselling author of Best Beach Ever. When unlikely friends Madeline, Avery, and Nicole arrive in Miami's South Beach neighborhood, they're hoping for a do-over. Literally. They've been hired to bring a historic house back to its former glory on a new television show called Do Over. If they can just get this show off the ground, Nikki could fix her finances, Avery could restart her career, and Maddie would have a shot at keeping her family together. The women quickly realize that having their work broadcast is one thing, but having their personal lives play out on TV is another. Soon they're struggling to hold themselves, and the project, together. With a decades-old mystery—and hurricane season—looming, the women are forced to figure out just how they'll weather life's storms...

Manhattan Beach Jennifer Egan,2017-10-03 Manhattan Beach opens in Brooklyn during the Great Depression. Anna Kerrigan, nearly twelve years old, accompanies her father to the house of Dexter Styles, a man who, she gleans, is crucial to the survival of her father and her family. Years later, her father has disappeared and the country is at war. Anna works at the Brooklyn Naval Yard, where women are allowed to hold jobs that had always belonged to men. She becomes the first female diver, the most dangerous and exclusive of occupations, repairing the ships that will help America win the war. She is the sole provider for her mother, a farm girl who had a brief and glamorous career with the Ziegfeld Follies, and her lovely, severely disabled sister. At a nightclub, she chances to meet Dexter Styles again, and she begins to understand the complexity of her father's life, the reasons he might have vanished--
