**Leaving Birmingham** Paul Hemphill,2000 In 1963 Birmingham, Alabama, was the site of cataclysmic racial violence: Police commissioner Bull Connor attacked black demonstrators with dogs and water cannons, Martin Luther King, Jr., wrote his famous letter from the Birmingham jail, and four black children were killed in a church bombing. This incendiary period in Birmingham's history is the centerpiece of an intense and affecting memoir. A disaffected Birmingham native, Paul Hemphill decides to live in his hometown once again, to capture the events and essence of that summer and explore the depth of social change in Birmingham in the years since -- even as he tries to come to terms with his family, and with himself. -- back cover.

**But for Birmingham** Glenn T. Eskew,2000-11-09 Birmingham served as the stage for some of the most dramatic and important moments in the history of the civil rights struggle. In this vivid narrative account, Glenn Eskew traces the evolution of nonviolent protest in the city, focusing particularly on the sometimes problematic intersection of the local and national movements. Eskew describes the changing face of Birmingham's civil rights campaign, from the politics of accommodation practiced by the city's black bourgeoisie in the 1950s to local pastor Fred L. Shuttlesworth's groundbreaking use of nonviolent direct action to challenge segregation during the late 1950s and early 1960s. In 1963, the national movement, in the person of Martin Luther King Jr., turned to Birmingham. The national uproar that followed on Police Commissioner Bull Connor's use of dogs and fire hoses against the demonstrators provided the impetus behind passage of the watershed Civil Rights Act of 1964. Paradoxically, though, the larger victory won in the streets of Birmingham did little for many of the city's black citizens, argues Eskew. The cancellation of protest marches before any clear-cut gains had been made left Shuttlesworth feeling betrayed even as King claimed a personal victory. While African Americans were admitted to the leadership of the city, the way power was exercised--and for whom--remained fundamentally unchanged.

**Birmingham Landmarks** Victoria Myers,2009-10-01 Though the landscape has certainly changed, many of Birmingham's early landmarks--testaments to the steelworkers who built the city after the Civil War, as well as those who have since prospered here--remain. In Birmingham Landmarks, Alabama native Victoria Myers explores the Magic City's most prominent industrial and cultural features. Step back in time to discover Rickwood Field, one of America's oldest baseball parks, and the Carver Theater, the only venue that allowed African Americans to view first-run movies before the civil rights movement. Find out why Birmingham is known as the Pittsburgh of the South at Sloss Furnaces and learn the secrets of Vulcan, who was commissioned for the 1904 World's Fair and has become one of the state's most recognizable monuments.

**Carry Me Home** Diane McWhorter,2001-06-29 Now with a new afterword, the Pulitzer Prize-winning dramatic account of the civil rights era's climactic battle in Birmingham as the movement, led by Martin Luther King, Jr., brought down the institutions of segregation. The Year of Birmingham, 1963, was a cataclysmic turning point in America's long civil rights struggle. Child demonstrators faced down police dogs and fire hoses in huge nonviolent marches against segregation. Ku Klux Klansmen retaliated by bombing the Sixteenth Street Baptist Church, killing four young black girls. Diane McWhorter, daughter of a prominent Birmingham family, weaves together police and FBI records, archival documents, interviews with black activists and Klansmen, and personal memories into an extraordinary narrative of the personalities and events that brought about America's second emancipation. In a new afterword--reporting last encounters with hero Reverend Fred Shuttlesworth and describing the current drastic anti-immigration laws in Alabama--the author demonstrates that Alabama remains a civil rights crucible.

*Lost Birmingham* Beverly Crider, 2013-04-30 Some of Birmingham Alabama's history has been lost. This book takes a look at this lost history and brings it back to life. Birmingham has many notable historic landmarks today, but so many more are all but forgotten. The Bangor Cave Casino was once a world-renowned speakeasy. The Thomas Jefferson Hotel featured a zeppelin mooring station, drawing lots of attention from tourists. Other significant sites from the past, such as Hillman Hospital and the buildings on the Heaviest Corner on Earth, are unknown even to natives now. Local author Beverly Crider presents an intriguing and educational tour through these and more hidden treasures.

**We've Got a Job** Cynthia Levinson, 2018-09-18 The inspiring story of the 1963 Birmingham Children's March as seen through the eyes of four young people at the center of the action. The 1963 Birmingham Children's March was a turning point in American civil rights history. Black Americans had had enough of segregation and police brutality, but with their lives and jobs at stake, most adults were hesitant to protest the city's racist culture. So the fight for civil rights lay in the hands of children like Audrey Hendricks, Wash Booker, James Stewart, and Arnetta Streeter. *We've Got a Job* tells the little-known story of the four thousand Black elementary, middle, and high school students who answered Dr. Martin Luther King's call to fill the jails. Between May 2 and May 11, 1963, these young people voluntarily went to jail, drawing national attention to the cause, helping bring about the repeal of segregation laws, and inspiring thousands of other young people to demand their rights. Drawing on her extensive research and in-depth interviews with participants, award-winning author Cynthia Levinson recreates the events of the Birmingham Children's March from a new and very personal perspective. Archival photography and informational sidebars throughout. Back matter includes an afterword, author's note, timeline, map, and bibliography.

**Birmingham's Highland Park** Richard Dabney, 2006 Birmingham's Highland Park originated in the 1880s when a grand boulevard was dug and three lush parks were planned at the northern foothills of Red Mountain. This boulevard was Highland Avenue, at the time the widest street in the South. The development, built within three miles of the center of Birmingham, included the construction of a resort hotel and lake. A dummy line rail system conveyed the populace of The Magic City out to the beautiful Highland Park neighborhood, where in summer the air was both cooler and cleaner. Although Highland Avenue was lined with mansions of every architectural style, only 12 remain today. Indeed, some Highland Park dwellers have resided for generations in this neighborhood of true character and charm.

*The Book Makers of Old Birmingham* Joseph Hill (of Birmingham.), 1907

**The Novels of Stephen Birmingham** Stephen Birmingham, 2017-09-05 A quartet of novels from the New York Times–bestselling author of “Our Crowd” and master chronicler of Manhattan’s rich, famous, and deceitful. These four gripping novels prove that “when it comes to the folkways of the rich, the powerful, and the privileged, Stephen Birmingham knows what he’s talking about” (Los Angeles Times). *Carriage Trade*: One of New York’s most elegant and exclusive retail establishments, Tarkington’s has been the preferred shopping experience of Manhattan’s elite for decades. But the unexpected death of founder Silas Tarkington raises serious doubts about the future of the enterprise. At the reading of his will, disturbing questions arise about the tycoon’s past, and suggestions of a dark, secret life threaten to tear the family apart. The truth could destroy much more than the

family business—especially as it becomes more and more likely that Silas’s death was no accident. “[A] page turner . . . [that] offers a little bit of the best of everything” (The New York Times). *The Wrong Kind of Money*: The Liebling family is among the wealthiest in New York, but in the eyes of “old money” gentile aristocrats like the patrician Van Degans, they will always be lower-class Jewish nouveau riche. Jules Liebling got his start selling liquor during Prohibition while in cahoots with dangerous mobsters, and his widow, Hannah, now runs the family business with a tyrannical hand. But when her daughter-in-law meets Georgette Van Degan for lunch at Le Cirque, gossip circulates about a thaw between the families and, quite possibly, a partnership. As rumors fly in this “fast and wonderful” novel that has “something for everyone,” family skeletons on both sides are exposed, leading to jealousy, betrayal, and even violence (Cincinnati Enquirer). *The Auerbach Will*: The daughter of poor immigrant Russian-Jewish parents on the Lower East Side, Essie Litsky married Jack Auerbach, and together, they rose from poverty and amassed a fortune that dwarfed their wildest dreams. But money could never buy the affection of family or compensate for the true love Essie let slip away. And now, as she nears the end of her life, she must contend with blackmail and heartless legal assaults coming at her from all sides—the result of the ugly, persistent greed of her own children and grandchildren. But Essie is not dead yet, and those who underestimate the remarkable old woman are in for a shocking and powerful surprise. This New York Times bestseller is full of “delicious secrets” drawn from the “gossipy, Uptown/Downtown milieu Birmingham knows so well” (Kirkus Reviews). *Shades of Fortune*: Mireille “Mimi” Myerson took her grandfather’s struggling cosmetics company and turned it into an empire. But suddenly, as she prepares to launch a new perfume line, she is faced with hidden threats at every turn. Her efforts to further expand the company could be sabotaged from within by her own treacherous family. With the discovery of her husband’s affair and the return of real estate magnate Michael Horowitz, her first and most enduring love, Mimi must determine whom she can trust—especially in light of the shocking revelations that are about to emerge regarding the birth of the Miray Corporation.

*A History of Birmingham* Christopher Upton, 2011-05-01 Birmingham was a village worth only one pound in the Domesday Survey, yet it rose to become the second city of the British Empire with a population that passed a million. Its growth began when Peter de Birmingham obtained a market charter in 1154 for his little settlement by an insignificant river, with all roads leading to its all-important market-place, the great triangular Bull Ring, with the parish church of St Martin’s in the middle. In the succeeding centuries, Birmingham has been a product of market forces, as a market of agriculture, trade and metal work. By the 18th century, Birmingham overtook Coventry as the biggest town in Warwickshire and by 1800 it was ‘the toy shop of Europe’, having cornered the markets for gun-making, jewellery, buttons and buckles with a bewildering variety of specialist craftsmen and traders. The factory system had already begun and men like James Watt, Matthew Boulton, Joseph Priestley and William Murdock made Birmingham the powerhouse of the Industrial Revolution, selling their wares in vast quantities to the entire world. The middle of the 19th century saw Birmingham pioneering political reform, education and municipal government. In this first single-volume history of the city for half a century, Dr Upton looks at why Birmingham grew and what it has become. It has always been a place in which to experiment, from the steam engine to the factory in a garden; from the Bull Ring to Spaghetti Junction. To some, the story of Birmingham is one of great industries: Boulton and Watt, Dunlop, Cadbury’s, G.K.N., Lloyd’s Bank and Austin Rover. But there are many lesser known tales: of the Bull Ring Riots, the Onion Fair, the first floodlit football matches and the tripe sellers. It is a story of communities, too. The Quakers settled in the 17th century, the Irish and Italians in the 19th and, more recently, people from the Caribbean, the Indian subcontinent, China and Vietnam have all made Birmingham their home. As Birmingham makes its marks on the map of Europe again, one thing is certain... the story of the city that brought us Joseph and Neville Chamberlain, Thomas the Tank Engine, Fu Manchu and Mendelssohn’s Elijah can hardly be dull. Chris Upton’s lively account ensures that Birmingham’s fascinating story loses nothing in telling.

**Birmingham Sunday** Larry Dane Brimner, 2022-09-13 Jane Addams Children's Honor Book NCTE Orbis Pictus Honor Book Kirkus Reviews Best Children's Book of the Year This nonfiction picture book focuses on Birmingham Sunday, a fateful day and significant part of the Civil Rights movement, and places it in historical context. Racial bombings were so frequent in Birmingham, Alabama that it became known as Bombingham. Until September 15, 1963, these attacks had been threatening but not deadly. On that Sunday morning, however, a blast in the 16th Street Baptist Church ripped through the exterior wall and claimed the lives of four girls. The church was the ideal target for segregationists, as it was the rallying place for Birmingham's African American community, Martin Luther King, Jr., using it as his headquarters when he was in town to further the cause of desegregation and equal rights. Rather than triggering paralyzing fear, the bombing was the definitive act that guaranteed passage of the landmark 1964 civil rights legislation.

The Book of Birmingham Kit de Waal, Sibyl Ruth, Bobby Nayyar, Jendella Benson, C.D. Rose, Alan Beard, Sharon Duggal, Malachi McIntosh, Joel Lane, Balvinder Banga, 2018-09-27 Few cities have undergone such a radical transformation over the last few decades as Birmingham. Culturally and architecturally, it has been in a state of perpetual flux and regeneration, with new communities moving in, then out, and iconic post-war landmarks making way for brighter-coloured, 21st century flourishes. Much like the city itself, the characters in the stories gathered here are often living through moments of profound change, closing in on a personal or societal turning point, that carries as much threat as it does promise. Set against key moments of history – from Malcolm X's visit to Smethwick in 1965, to the Handsworth riots two decades later, from the demise of the city's manufacturing in the 70s and 80s, to the on-going tensions between communities in recent years – these stories celebrate the cultural dynamism that makes this complex, often divided 'second city' far more than just the sum of its parts.

The Most Dangerous Book Kevin Birmingham, 2015-05-26 Recipient of the 2015 PEN New England Award for Nonfiction "The arrival of a significant young nonfiction writer . . . A measured yet bravura performance." —Dwight Garner, The New York Times James Joyce's big blue book, *Ulysses*, ushered in the modernist era and changed the novel for all time. But the genius of *Ulysses* was also its danger: it omitted absolutely nothing. Joyce, along with some of the most important publishers and writers of his era, had to fight for years to win the freedom to publish it. *The Most Dangerous Book* tells the remarkable story surrounding *Ulysses*, from the first stirrings of Joyce's inspiration in 1904 to the book's landmark federal obscenity trial in 1933. Written for ardent Joyceans as well as novices who want to get to the heart of the greatest novel of the twentieth century, *The Most Dangerous Book* is a gripping examination of how the world came to say Yes to *Ulysses*.
