The Lives of Brian Brian Johnson, 2022-10-25 Brian Johnson's memoir from growing up in a small town to starting his own band to ultimately replacing Bon Scott, the lead singer of one of the world's biggest rock acts, AC/DC. They would record their first album together, the iconic Back in Black, which would become the biggest selling rock album of all time. Brian Johnson was born to a steelworker and WWII veteran father and an Italian mother, growing up in New Castle Upon Tyne, England, a working-class town. He was musically inclined and sang with the church choir. By the early '70s he performed with the glam rock band Geordie, and they had a couple hits, but it was tough going. So tough that by 1976, they disbanded and Brian turned to a blue-collar life. Then 1980 changed everything. Bon Scott, the lead singer and lyricist of the Australian rock band AC/DC died at 33. The band auditioned singers, among them Johnson, whom Scott himself had seen perform and raved about. Within days, Johnson was in a studio with the band, working with founding members Angus and Malcolm Young, Cliff Williams, and Phil Rudd, along with producer Mutt Lange. When the album, Back in Black, was released in July—a mere three months after Johnson had joined the band—it exploded, going on to sell 50 million copies worldwide, and triggering a years-long worldwide tour. It has been declared “the biggest selling hard rock album ever made” and “the best-selling heavy-metal album in history.” The band toured the world for a full year to support the album, changing the face of rock music—and Brian Johnson's life—forever.

With My Eyes Wide Open Brian "Head" Welch, Carol Traver, 2016-05-17 He left KoRn to help himself. He went back to help others. And along the way, he nearly lost everything. A life-changing spiritual awakening freed Brian "Head" Welch from a stranglehold of drugs and alcohol and prompted him to leave the highly successful nu-metal band KoRn in 2005. What followed was a decade-long trial by fire, from the perils of fathering a teen lost in depression and self-mutilation to the harsh realities of playing solo and surviving the shattering betrayal of a trusted friend. In this intensely inspiring redemption saga, perhaps most inspiring is Brian's radical decision to rejoin KoRn and reconcile with the tribe of people he once considered family in the metal music scene. Brian returned to his musical roots with a clear head and a devoted heart. Though his story is wild, hilarious, and deeply poignant, the message is simple: God will love you into the freedom of being yourself, as long as you keep the relationship going and never, ever quit.

Journey Brian Monk, A Play about two Saints holding court over two souls. One benevolent, the other baleful at times. Striving to see themselves as they were as their judgement is passed. Covered Bridge Brian Doyle, 2004-03 Centered on the theme of cherishing the past, *Covered Bridge* pits earnest Hubbo O'Driscoll against two determined, cynical land developers. Hubbo is beginning to enjoy the pleasures of country life while staying with his guardian aunt and uncle, and he even has a job as curator of the area's rustic covered bridge. When the old bridge -- home to a wayward ghost and her lovelorn postman -- is suddenly threatened by builders Ovide and Prootoo Proulx, Hubbo searches for a way to save it. Accompanied by his personable dog, Nerves, Hubbo tries to reconcile the charms of days gone by with the profit-driven demands of the present. At the last minute, help arrives in unexpected form: Foolish Father Foley from Farrelton, the two ghosts, and a crazy goat. But will it be enough to keep the old bridge of Mushrat Creek from demolition?

The Jeff Movie Brian Jaeger, Casey Palbicki, Jeff's buddies are coming to Whitewater, Wisconsin for Bar Bash Weekend. They want to drink, hang out with ladies, drink, ruin Jeff's life, and drink. Jeff realizes too late that buddies aren't always friends. However, readers realize that guys drinking and causing trouble tends to be funny, whether or not any of the characters have redeeming characteristics. The story has nice girls and slutty girls, drunk guys and less drunk guys, a wise friend who speaks with a Southern accent no one understands, an angry Vietnam vet, Club Ugly, and more debauchery than you can wave your index finger at in a shame-on-you kind of way. The story is also sweet and kind, but the reader has to search really deep for that, and it would pay to download copies for all your family and friends so that you can search for those elements in some kind of book club.

Brian Delilah Devlin, 2020-10-20 MONTANA BOUNTY HUNTERS: Authentic Men... Real Adventures... From readers... Great story! I don't know how she does it but there is so much packed into this story. It never slowed down... Get this book ASAP. I promise you won't regret it. The haunted gaze of one wounded warrior sparks a challenge in a woman determined to help him regain what he's lost whether he wants her help or not... Physical Therapist, Raydeen Pickering, has seen her fill of stubborn veterans, some too angry to get on with their lives, some still living in hell in their minds, and then some unwilling to let

their broken bodies hold them back. She hasn't figured out which Brian Cobb is yet. The first time she met the handsome, wounded warrior, he was wary and defensive, his gaze always sliding toward the door, looking for as a quick escape from the Soldiers' Sanctuary meetings. Even now, there's something about the ex-Army MP, now bounty hunter wrangler, that sets him apart from the other men she's helped mend. There's something more--not just the haunted look in his eyes or the stubborn set of his chin. The way he looks at her when he thinks her attention is elsewhere gives her hope that she'll reach him, and that he'll let her help him regain more of what he's lost. First though, he has to figure out he's in love with the wrong woman. The one he needs is right here, and if she has to do the chasing, so be it, because those looks he gives her have rekindled a fire she thought was lost forever...
