James E. McNabney

Brotherhood Anne Westrick, 2013-09-12 The year is 1867, the South has been defeated, and the American Civil War is over. But the conflict goes on. Yankees now patrol the streets of Richmond, Virginia, and its citizens, both black and white, are struggling to redefine their roles and relationships. By day, fourteen-year-old Shadrach apprentices with a tailor and sneaks off for reading lessons with Rachel, a freed slave, at her school for African-American children. By night he follows his older brother Jeremiah to the meetings of a group whose stated mission is to protect Confederate widows like their mother. But as the true murderous intentions of the group, now known as the Ku Klux Klan, are revealed, Shad finds himself trapped between old loyalties and what he knows is right. In this powerful and unflinching story of a family caught in the period of Reconstruction, A.B. Westrick provides a glimpse into the enormous social and political upheaval of the time.

Star Wars: Brotherhood Mike Chen, 2022-05-10 NEW YORK TIMES BESTSELLER • Obi-Wan Kenobi and Anakin Skywalker must stem the tide of the raging Clone Wars and forge a new bond as Jedi Knights in a high-stakes adventure set just after the events of Star Wars: Attack of the Clones. ONE OF THE BEST BOOKS OF THE YEAR: USA Today The Clone Wars have begun. Battle lines are being drawn throughout the galaxy. With every world that joins the Separatists, the peace guarded by the Jedi Order is slipping through their fingers. After an explosion devastates Cato Neimoidia, the jewel of

the Trade Federation, the Republic is blamed and the fragile neutrality of the planet is threatened. The Jedi dispatch Obi-Wan Kenobi, one of the Order's most gifted diplomatic minds, to investigate the crime and maintain the balance that has begun to dangerously shift. As Obi-Wan investigates with the help of a heroic Neimoidian guard, he finds himself working against the Separatists who hope to draw the planet into their conspiracy—and senses the sinister hand of Asajj Ventress in the mists that cloak the planet. Amid the brewing chaos, Anakin Skywalker rises to the rank of Jedi Knight. Despite the mandate that Obi-Wan travel alone—and his former master's insistence that he listen this time—Anakin's headstrong determination means nothing can stop him from crashing the party, and bringing along a promising but conflicted youngling. Once a Padawan to Obi-Wan, Anakin now finds himself on equal—but uncertain—footing with the man who raised him. The lingering friction between them increases the danger for everyone around them. The two knights must learn a new way to work together—and they must learn quickly, to save Cato Neimoidia and its people from the fires of war. To overcome the threat they face they must grow beyond master and apprentice. They must stand together as brothers.

Brotherhood Mohamed Mbougar Sarr, 2021-07-06 The Senegalese author's prize-winning novel explores brutality and resistance in a fictional North African city gripped by a fundamentalist regime. Under the regime of the so-called Brotherhood, two young people are publicly executed for having loved each other. In response, their mothers begin

a secret correspondence, their only outlet for the grief they share. Spurred by The Brotherhood's escalating brutality, a band of intellectuals seeks to foment rebellion by publishing an underground newspaper. Meanwhile, the regime's leader undertakes a personal crusade to find the responsible parties, and bring them to his own sense of justice. In Brotherhood, Mbougar Sarr explores how resistance and heroism can often give way to cowardice, all while giving voice to the personal struggles of each of his characters as they try to salvage the values they hold most dear. Winner of the French Voices Grand Prize, Prix Ahmadou Kourouma, and Grand Prix du Roman Métis

Brotherhood Tony Hendra, 2004-03 This New York Times bestseller is a stirring photographic tribute to the New York City firefighters who lost their lives on September 11, 2001. Adorned with votive candles, flowers and handwritten prayers, many of New York City's firehouses seem like red brick chapels since Sept. 11. Brotherhood gives a glimpse into the firefighters' lives after the tragedy.... A lively introduction by Frank McCourt reflects on the civil connection we feel with firefighters....The personalized spaces within the firehouses resonate as powerfully as the portraits of the firefighters themselves. -- The New York Times On September 11, 2001, more than 300 three New York City firefighters perished in the inferno and rubble of the World Trade Center. Brotherhood offers a moving photographic testament to those brave and honorable men, highlighting every engine, ladder and battalion that lost a brother

on that fateful, terrible day. Poignant and stirring images, by Albert Watson, Mary Ellen Mark, Mark Seliger, Christian Wittkin, Mark Borthwick, and more than 50 other New York photographers, depict the places where those firefighters worked, the grieving survivors, and the outpouring of gratitude and love from all over the world. Mayor Rudolph Giuliani, Fire Chief Thomas Von Essen, and Pulitzer Prize-winning writer Frank McCourt contribute their deeply felt reflections.

Brotherhood Catherine Merriman, 2003 A novel about the comradeship and loyalty of a crew of motor bike fanatics from South Wales who go on a long run to Cricieth in memory of a dead friend, and how old personal grudges can erupt in violent revenge with tragic results.

Brotherhood of Men and Nations John Davison Rockefeller (Jr.), 1918

The Beast J.R. Ward, 2016-04-05 Fan favorite couple Rhage and Mary return in this gripping novel in the #1 New York Times bestselling Black Dagger Brotherhood series. Nothing is as it used to be for the Black Dagger Brotherhood. The slayers of the Lessening Society are stronger than ever, preying on human weakness to acquire more money, more weapons, more power. But as the Brotherhood readies for an all-out attack on them, one of their own fights a battle within himself... For Rhage—the Brother with the biggest appetites, but also the biggest heart—life was supposed to be perfect. Or at the very least, perfectly enjoyable. But he can't understand or control the panic and insecurity that plague him. Terrified,

he must reassess his priorities after suffering a mortal injury. And the answer, when it comes to him, rocks his--and his beloved Mary's--world...

The King J.R. Ward, 2014-04-01 J.R. Ward's # 1 New York Times bestselling *Black Dagger Brotherhood* continues as a royal bloodline is compromised by a grave threat to the throne. Long live the King... After turning his back on the throne for centuries, Wrath, son of Wrath, finally assumed his father's mantle--with the help of his beloved mate. But the crown sets heavily on his head. As the war with the Lessening Society rages on, and the threat from the Band of Bastards truly hits home, he is forced to make choices that put everything--and everyone--at risk. Beth Randall thought she knew what she was getting into when she mated the last pure blooded vampire on the planet: An easy ride was not it. But when she decides she wants a child, she's unprepared for Wrath's response--or the distance it creates between them. The question is, will true love win out... or tortured legacy take over?

The Silent Brotherhood Kevin J. Flynn, Gary Gerhardt, 1989 This is the terrifying story of the most dangerous radical-right hate group to surface since the Ku Klux Klan first rode a century ago. The Silent Brotherhood attracted seemingly average citizens with their call for pride in race,

family, and religion and their mission to save white, Christian America from a communist conspiracy. Here is how they became criminals and assassins in their effort to establish an Aryan homeland. 8-page photo insert.

Search Maureen Myant,2012-03-15 Czechoslovakia, 1942. Jan's father has been summarily executed by the Nazis. John Matthew has come a long way since he was found living among humans, his vampire nature unknown to himself and to those around him. After he was taken in by the Brotherhood, no one could guess what his true history was—or his true identity. Indeed, the fallen Brother Darius has returned, but with a different face and a very different destiny. The Brotherhood Erick Stakelbeck,2013-07-15 The

Brotherhoods is the chilling chronicle of the alleged crimes and betrayals of NYPD Detectives Stephen Caracappa and Louis Eppolito, notorious rogue cops who stand charged with the ultimate form of police corruption-shielding their crimes behind their badges while they worked for the mob. These crimes included murder, kidnapping, torture, and the betrayal of an entire generation of New York City detectives and federal agents. This gripping real-life detective story reveals two brotherhoods, both with hierarchies, rituals, and codes of conduct. Chased for seven years by William Oldham, the brilliant and determined detective who didn't let the case die, Detectives Caracappa and Eppolito are at the centre of an investigation that moves from the mobbed-up streets of Brooklyn to Hollywood sets and the Las Vegas strip. Co-written with prize-winning investigative journalist Guy Lawson, the story spans three decades and showcases a cast of characters that runs the gamut from capo psychopaths to grieving mothers to a group of retired detectives and investigators working to see that justice is done. This quintessential American mob tale, both bizarre and compelling, ranks with such modern crime classics as *Serpico*, *Donnie Brasco*, and *Wiseguy*.

Born In Brotherhood James E. McNabney, 2006-06-19
Born in Brotherhood is not about outlaw bikers. Far from it. It's about the people who led America's fight for liberty. It's about their values and ingrained principles. It's about the solemn vows that, with rare exception, molded their character. Born In Brotherhood makes the War for Independence come alive. It provides a brutally candid look at the embryonic struggles to achieve the American dream. But James E. McNabney's book goes even further. By focusing on the Freemasons and revealing the Masonic vows taken by America's most revered forefathers, Born In Brotherhood answers many of the attacks made upon this secret fraternity. Except for the days of King Solomon, the world has been besieged by partisan struggles, religious wars, and sophistry from every persuasion --and lately, some slanted documentary and even terrorism. Born In Brotherhood begs us to take a deeper look at what America stands for: principles that unite, not divide humanity; principles that remind us to oppose tyranny in any form. American forefathers

sacrificed their lives and fortunes to form a new nation, constitutionally empowering people of every nationality, sect or opinion to live peacefully together without fear of injustice. Born In Brotherhood gives a small sample of the struggles, convictions and principles of our forefathers --principles that too many of us seem to have dangerously forgotten. Written from years of historic and Masonic research, Born In Brotherhood presents the reader with a generally unique and unexplored dimension to America's beginnings

LoWER AVENGED J. R. Ward, 2009 In the latest installment in a series that has introduced readers to a dark, mysterious world, vampire warriors defend their race against their slayers, as one man's loyalty to the Brotherhood is tested. Original.
