Button and Bundle Gretchen McLellan,2019-02-19 A tender story about two best friends who must move away from each other. With a sprinkle of imagination and a lot of love, Button and Bundle will learn the true meaning of friendship. Button and Bundle are best friends. So are their dolls. But when Button has to move away, she's sad and lonely without Bundle. Until one day, Button finds a single yellow balloon and an idea. With a little luck, maybe she can reunite Bundle with their dolls again! Knowing that her faraway friend would be happy is the happiest idea of all. This sweet and charming friendship story addresses how to cherish old friendships while making new ones. With fun, imaginative play, Button and Bundle create a world they'll share no matter how far apart they are.

The House without a Christmas Tree Gail Rock,2014-11-04 It's Christmastime in 1946, and all Addie wants is a pair of cowboy boots and a Christmas tree. Ten-year-old Addie lives in Clear River, Nebraska, population fifteen hundred, with her stoic but loving father and quirky grandmother. Carla Mae is her neighbor and best friend in the fifth grade. Carla Mae's house is different than Addie's—she has five siblings and another on the way, while Addie is an only child. It's the week before Christmas, and shopping lists are at the front of the girls' minds. Addie's house doesn't have a tree—her dad says they are a waste of money, and they'll be opening presents at Uncle Will's anyway. Uncle Will has a tree, but to Addie, it doesn't feel like Christmas without a tree of their own. Then she comes up with the perfect plan. Will it make this the best Christmas they've ever had, or will her father never forgive her?

The Night Before Preschool Natasha Wing,2011-05-12 It's the night before preschool, and a little boy named Billy is so nervous he can't fall asleep. The friends he makes the next day at school give him a reason not to sleep the next night, either: he's too excited about going back! The book's simple rhyming text and sweet illustrations will soothe any child's fears about the first day of school.

The Circles All Around Us Brad Montague,2021-05-18 The debut picture book from the creator of the viral sensation Kid President is a moving take on how we can create bigger and bigger circles of community and connections as we grow—now a New York Times bestseller! In the circles all around us, everywhere that we all go, there's a difference we can make and a love we can all show. This is the story of a circle. When we're first born, our circle is very small, but as we grow and build relationships, our circle keeps getting bigger and bigger to include family, friends, neighbors, community, and beyond. Brad Montague originally created Circles as an Instagram video adorably narrated by his kids, and now this picture book adaptation is the perfect way to start a conversation about how to expand our worlds with kindness and inclusivity—even if it seems scary or uncomfortable. This book makes an ideal new-baby, first-day-of-school, or graduation gift, or any milestone that celebrates someone's world getting bigger.

Lord of the Butterflies Andrea Gibson,2018-11-27 Andrea Gibson's latest collection is a masterful showcase from the poet whose writing and performances have captured the hearts of millions. With artful and nuanced looks at gender, romance, loss, and family, Lord of the Butterflies is a new peak in Gibson's career. Each emotion here is deft and delicate, resting inside of imagery heavy enough to sink the heart, while giving the body wings to soar.

Pass It On 3 Billy Goldfeder,2020-04-13 The third time is a charm and that's very true with the third edition of Billy Goldfeder's Pass It On 3. Chief Goldfeder and his friends have introduced more new contributors in this third edition of Pass It On, including stories that will continue to expand your knowledge as a firefighter, fire officer and emergency responder. A Little SPOT of Feelings Diane Alber,2020-07-24 Gives coping and managing techniques to deal with one's emotions.

Vector Bundles and Their Applications Glenys Luke,Alexander S. Mishchenko,1998-07-31 The book is devoted to the basic notions of vector bundles and their applications. The focus of attention is towards explaining the most important notions and geometric constructions connected with the theory of vector bundles. Theorems are not always formulated in maximal generality but rather in such a way that the geometric nature of the objects comes to the fore. Whenever possible examples are given to illustrate the role of vector bundles. Audience: With numerous illustrations and applications to various problems in mathematics and the sciences, the book will be of interest to a range of graduate students from pure and applied mathematics.

Pass it On Billy Goldfeder,2014-03-17 For his first book, Chief Billy Goldfeder, a 40-year fire service veteran, solicited insights and pearls of wisdom from our country's greatest firefighters, fire officers and emergency responders. The stories that make up this unprecedented collection share many perspectives of the emergency service experience and offer invaluable, often hard-won, lessons learned. Every firefighter, from probie to veteran, can find something to take

away from these factual, real-life, first-hand stories, which offer a range of emotions—from wit to heartache and basic common sense. Features: • Introductions by Billy Goldfeder to each chapter • Chapters written by a very diverse group of more than 80 well-known fire service veterans • Experiences of some of the best names in the fire service that most of us would not have the opportunity to learn from directly Chief Goldfeder is donating 100% of his royalties equally to the Chief Ray Downey Scholarship and the National Fallen Firefighters Foundation. Every contributor fully supported the benevolent mission of this book.
