Worry Says What? Allison Edwards,2018-09-04 Allison Edwards, author of the best-selling book *Why Smart Kids Worry*, gives a glimpse into the ways worry whispers to young minds, and offers a powerful tool all children can use to silence those fears. Worry's songs tie my tummy up in knots, and the things he says make my heart beat very fast. Sometimes he speaks in a whisper, and other times his voice gets so loud I can't hear anything else. Worry and anxiety are currently the top mental health issues among children and teens. Children have a number of worries throughout childhood that will come and go. The problem is not with the worries themselves, but that children believe the worries to be true. With a relatable story and beautiful artwork, *Worry Says What?* will help children (and adults) flip their thinking when anxious thoughts begin and turn them into powerful reminders of all they are capable of accomplishing.
