Buster Caleb Huett, 2021-04-06 Buster's a therapy dog who needs to take matters into his own paws to help a boy understand his own anxiety even if it means breaking a few rules. Buster's in big trouble. He's been dragged to Dog Court for breaking one of the most sacred of all dog rules: Never, ever talk to a human, or let a human know how smart you really are. But he swears he had a good reason! The boy he's been taking care of, Tonio, needed his help in a big way. You see, Tonio is afraid all the time -- afraid of saying or doing the wrong thing, afraid of making a fool of himself or (even worse) hurting someone else's feelings. His doctor thinks having a therapy dog will help his anxiety -- and Buster wants to help. He really wants to help. Even if it means breaking the rules

Why Are We Yelling? Buster Benson, 2019-11-19 Have you ever walked away from an argument and suddenly thought of all the brilliant things you wish you'd said? Do you avoid certain family members and colleagues because of bitter, festering tension that you can't figure out how to address? Now, finally, there's a solution: a new framework that frees you from the trap of unproductive conflict and pointless arguing forever. If the threat of raised voices, emotional outbursts, and public discord makes you want to hide under the conference room table, you're not alone. Conflict, or the fear of it, can be exhausting. But as this powerful book argues, conflict doesn't have to be unpleasant. In fact, properly channeled, conflict can be the most valuable tool we have at our disposal for deepening relationships, solving problems, and coming up with new ideas. As the mastermind behind some of the highest-performing teams at Amazon, Twitter, and Slack, Buster Benson spent decades facilitating hard conversations in stressful environments. In this book, Buster reveals the psychological underpinnings of awkward, unproductive conflict and the critical habits anyone can learn to avoid it. Armed with a deeper understanding of how arguments, you'll be able to: Remain confident when you're put on the spot Diffuse tense moments with a few strategic questions Facilitate creative solutions even when your team has radically different perspectives *Why Are We Yelling* will shatter your assumptions about what makes arguments productive. You'll find yourself having fewer repetitive, predictable fights once you're empowered to identify your biases, listen with an open mind, and communicate well.

Who Killed Buster? Edward Bufala,2009-01-23 If you are reading this now, you have the book I have written in your hands. If you choose to read this book you will actually be reading two stories, both stories are true. Remember that old cliché that the truth is sometimes stranger than fiction? Well this just happens to be stranger than fiction. You can't make this stuff up. Part one of my story is about Buster's life. And it was a rough start, almost from day one, which was November 2nd, 1942. It was if he was angry from his very first day on this earth. Starting with his eviction from 1 grade to his unsuccessful one day attendance at a Catholic school, to his one year stay at Philadelphia Children's Hospital for Rheumatic Fever, which left him with heart damage, I'd say that was a rough start, wouldn't you? Some may have described Buster as an angry, troubled young boy. That couldn't be farther from the truth I decided later on that Buster wasn't angry at all. He was just always trying to prove that he could be anything that he wanted to be. The fact was that he knew what he wanted to be at a very young age, he knew how he planned to get there, and he was determined to achieve his goals at any cost and no one was going to stop him. I talk about Buster's family and friends and how they may have influenced or had an impact on his life decisions, which ultimately led to his untimely death on October 8th, 1976. Part two of my book is the bizarre part of his story. If you don't find part one interesting enough, I suggest that you skip to part two. I guarantee you'll find it more interesting. There are several rumors as to why someone thought Buster had to die, we just don't know which is true or if there could be another reason that we don't know about. His young widowed wife Carol has spun many tales over the past years and truthfully we don't know what is true and what is a product of her imagination. She has told us about who the killers are and how the killers themselves end up murdered. She tells us how crooked the Las Vegas detectives investigating the murder are and how they try to implicate her own family. This goes on for over 30 years and we still don't know the truth. After reading this story, you can decide for yourself what is true and what is not, if you choose to. The problem is, unless you were there, you will have the same problem that I have to this day. I don't know why he had to die and I don't know who did it.

Buster's World Bjarne B. Reuter,1989 Buster's magic tricks get him in and out of trouble.

The Adventures of Buster Bear Thornton W. Burgess,2018-03-06 The Adventures of Buster Bear introduces a new

generation of children to Thornton W. Burgess's long-beloved Bedtime Stories characters. Buster Bear is new to the Green Forest and because he is so big (and his appetite is also so big), he's having some trouble making new friends. But there are always interesting stories about meeting the new folks in the neighborhood. Is a nice fat trout a good present for a new friend? Can someone as big as Buster be afraid of Farmer Brown's boy? How can a little tin pail cause any trouble? Children have laughed at the antics and adventures of the residents of the Green Meadows for five generations. And while laughing they're learning something about the natural world, and maybe something about themselves. A dedicated naturalist, Burgess imbues his stories with the good humor, imagination, and fun animal antics that all children will enjoy reading during story time. These essential childhood classic stories also feature the original black-and-white illustrations by Harrison Cady, lending this edition a vintage feel.

Jake Drake, Bully Buster Andrew Clements, 2012-07-24 Jake recounts his second grade introduction to Link Baxter, SuperBully, who becomes his class project partner, with surprising results. When Jake was three years old at Miss Lulu's Dainty Diaper Day Care Center, what did he know about bullies? Nothing. But he learned fast! Why? Because Jake was kind of smart and not a tattletale, and he had no big brother to protect him. He was a perfect bully magnet. But everything changed the year Jake was in second grade. That's when SuperBully Link Baxter moved to town. Jake had his hands full just trying to survive, until class project time. Who did the teacher assign to be Link's partner? You guessed it. Jake has to use all his smarts -- and his heart as well -- to turn himself from Jake Drake, Bully Magnet, to Jake Drake, Bully Buster.

Buster the Human Donkey and the Children Joan Astwood-Sutton LLB,2014-01-24 Buster the Human Donkey and the Children is about a jet-black donkey born in the wilds of Grand Turk, one of the Salt Islands in the Turks and Caicos Islands. Busters ancestry was imported to Grand Turk during the Salt Industrys days and left them to roam free on the island. He was later adopted by a large family with six children who took turn nursing him to an adult. In his time with the family, Buster accepted the children in his life; he watched TV with them, danced, brayed, swam, played tricks, met people, and more. Buster likes the islands culture, which is taught in the schools, especially the islands national music, which is called ripsaw. He also like one of the local songs called I Dig and sing to his hearts content. The island life is a breeze for him, and it is so wonderful that he could not help but express himself in whatever he does. After attending classes, the children found out later that Buster could talk, and that brought on another level of fun for him and the children. The children found out that there is never a doubt moment with Buster.

Learn how one forgotten old crop duster teaches a cocky young airliner, simply by remaining humble to do what is right. Find out what a real hero is made of, while enjoying this delightful tale with your child.
