

# CARTER

Thomishia Booker

**Why Not the Best?** Jimmy Carter,1996-08-01 Why Not the Best?, originally published in 1975, is President Carter's presidential campaign autobiography, the book that introduced the world to Georgia governor Jimmy Carter and asked the American people to demand the best and highest standards of excellence from our government.

**Stand-Up Comedy** Judy Carter,2010-03-03 If you think you're funny, buy this book! Whether you dream of becoming a star . . . A better public speaker . . . A more effective communicator . . . A funnier, happier human being . . . You can learn to leave 'em laughing! David Letterman learned to do it. Jay Leno learned to do it. Roseanne Barr learned to do it. So can you! Now successful stand-up comic Judy Carter—who went from teaching high school to performing in Las Vegas, Atlantic City, Lake Tahoe, and on over 45 major TV shows—gives you the same hands-on, step-by-step instruction she's taught to students in her comedy workshops. She shows you how to do it: create an act, perform it, make money with it, or apply it to everyday life. Discover: • The formulas for creating comedy material • How to find your own style • The three steps to putting your act together • Rehearsal do's and don'ts • What to do if you bomb • Ways to punch up your everyday life with humor

**Brown Boy Joy** Thomishia Booker,2018-07-20 This book is filled with all the things little brown boys love.

**My Brown Skin** Thomishia Booker,2019-08 A heartwarming story about embracing big who you are. A child's first words of confidence and pride.

**Angela Carter's Book Of Fairy Tales** Angela Carter,2015-11-19 Once upon a time fairy tales weren't meant just for children, and neither is Angela Carter's Book of Fairy Tales. This stunning collection contains lyrical tales, bloody tales and hilariously funny and ripely bawdy stories from countries all around the world- from the Arctic to Asia - and no dippy princesses or soppy fairies. Instead, we have pretty maids and old crones; crafty women and bad girls; enchantresses and midwives; rascal aunts and odd sisters. This fabulous celebration of strong minds, low cunning, black arts and dirty tricks could only have been collected by the unique and much-missed Angela Carter. Illustrated throughout with original woodcuts.

**Get Carter** Ted Lewis,2014-09-09 Famously adapted into the iconic film starring Michael Caine, Get Carter—originally published as Jack's Return Home—ranks among the most canonical of crime novels. With a special Foreword by Mike Hodges, director of Get Carter It's a rainy night in the mill town of Scunthorpe when a London fixer named Jack Carter steps off a northbound train. He's left the neon lights and mod lifestyle of Soho behind to come north to his hometown for a funeral—his brother Frank's. Frank was very drunk when he drove his car off a cliff and that doesn't sit well with Jack. Mild-mannered Frank never touched the stuff. Jack and Frank didn't exactly like one another. They hadn't spoken in years and Jack is far from the sentimental type. So it takes more than a few people by surprise when Jack starts plying his trade in order to get to the bottom of his brother's death. Then again, Frank's last name was Carter, and that's Jack's name too. Sometimes that's enough. Set in the late 1960s amidst the smokestacks and hardcases of the industrial north of England, Get Carter redefined British crime fiction and cinema alike. Along with the other two novels in the Jack Carter Trilogy, it is one of the most important crime novels of all time.

**Carter : I Am Carter, What's Your Superpower ? **President Carter** Stuart E. Eizenstat,2018-04-24 The definitive history of the Carter Administration from the man who participated in its surprising number of accomplishments—drawing on his extensive and never-before-seen notes. Stuart Eizenstat was at Jimmy Carter's side from his political rise in Georgia through four years in the White House, where he served as Chief Domestic Policy Adviser. He was directly involved in all domestic and economic decisions as well as in many foreign policy ones. Famous for the legal pads he took to every meeting, he draws on more than 5,000 pages of notes and 350 interviews of all the major figures of the time, to write the comprehensive history of an underappreciated president—and to give an intimate view on how the presidency works. Eizenstat reveals the grueling negotiations behind Carter's peace between Israel and Egypt, what led to the return of the Panama Canal, and how Carter made human rights a presidential imperative. He follows Carter's passing of America's first comprehensive energy policy, and his deregulation of the oil, gas, transportation, and communications industries. And he details the creation of the modern vice-presidency. Eizenstat also details Carter's many missteps, including the Iranian Hostage Crisis, because Carter's desire to do the right thing, not the political thing, often hurt him and alienated Congress. His willingness to tackle intractable problems, however, led to major, long-lasting accomplishments. This major work of history shows first-hand where Carter succeeded, where he failed, and how he set up many successes of later presidents.

**His Very Best** Jonathan Alter,2020-09-29 From one of America's most respected journalists and modern historians comes the highly acclaimed, "splendid" (The Washington Post) biography of Jimmy Carter, the thirty-ninth president of the United States and Nobel Prize-winning humanitarian. Jonathan Alter tells the epic story of an enigmatic man of faith and his improbable journey from barefoot boy to global icon. Alter paints an intimate and surprising portrait of the only president since Thomas Jefferson who can fairly be called a Renaissance Man, a complex figure—ridiculed and later revered—with a piercing intelligence, prickly intensity, and biting wit beneath the patented smile. Here is a moral exemplar for our times, a flawed but underrated president of decency and vision who was committed to telling the truth to the American people. Growing up in one of the meanest counties in the Jim Crow South, Carter is the only American president who essentially lived in three centuries: his early life on the farm in the 1920s without electricity or running water might as well have been in the nineteenth; his presidency put him at the center of major events in the twentieth; and his efforts on conflict resolution and global health set him on the cutting edge of the challenges of the twenty-first. "One of the best in a celebrated genre of presidential biography," (The Washington Post), His Very Best traces how Carter evolved from a timid, bookish child—raised mostly by a Black woman farmhand—into an ambitious naval nuclear engineer writing passionate, never-before-published love letters from sea to his wife and full partner, Rosalynn; a peanut farmer and civic leader whose guilt over staying silent during the civil rights movement and not confronting the white terrorism around him helped power his quest for racial justice at home and abroad; an obscure, born-again governor whose brilliant 1976 campaign demolished the racist wing of the Democratic Party and took him from zero percent to the presidency; a stubborn outsider who failed politically amid the bad economy of the 1970s and the seizure of American hostages in Iran but succeeded in engineering peace between Israel and Egypt, amassing a historic environmental record, moving the government from tokenism to diversity, setting a new global standard for human rights and normalizing relations with China among other unheralded and far-sighted achievements. After leaving office, Carter eradicated diseases, built houses for the poor, and taught Sunday school into his mid-nineties. This "important, fair-minded, highly readable contribution" (The New York Times Book Review) will

change our understanding of perhaps the most misunderstood president in American history.

**Baby Carter** Dina Santorelli, 2018-08-28 She thought he was dead. But when her daughter finds an explosive device at the White House, will he be the only one who can keep them alive? When a bomb is discovered in the White House during the first year of Phillip Grand's tenure as president of the United States, press secretary Jamie Carter takes her daughter, Faith, to the one place she believes to be safe—an address in Wyoming given to her years before by reputed mobster Don Bailino. Bailino—thought to be dead by just about everyone, except recently retired FBI special agent Paul Wilcox—has been laying low out west for more than three years, but is propelled out of hiding to protect the woman he loves and the daughter he's fathered. Will Bailino be able to keep them safe from this new threat? Or will Wilcox finally get his man? Can Jamie and Faith ever stop running? The explosive finale of the Baby Grand Trilogy!

**Carter : Carter's Shit LIST. Unique Personalized Journal Gift for Carter - Journal with Beautiful Colors, 120 Page, Thoughtful Cool Present for Carter ( Carter Notebook)** Carter Personalized Journal Pub, 2020-01-12 Creative Journal / Notebook for Carter UNDER 10 DOLLARS ! **The Little Baby Snoogle-Fleejer** Jimmy Carter, 2014-12-01 “Once upon a time there was a little boy named Jeremy who lived with his mother in a small house near the sea. His mother earned a bare living for the two of them by washing clothes for some of the wealthy families in their town. Jeremy loved her very much.” So begins the enchanting fairy tale president Jimmy Carter first spun for his daughter Amy as a child. Originally published in 1995, this favorite family story has been joined with Amy Carter’s vibrant illustrations to bring to life a secret friendship that produces unexpected rewards when tragedy looms in a young boy’s life.

**Blue 2 (Limited Edition)** David A. Carter, 2006-11-28 It's another work of art by David Carter! The guessing continues in the sequel to New York Times bestseller One Red Dot with Blue Two. This book has a limited print of 100 copies in full-cloth binding and full-cloth slip case. An additional pop-up is embedded into the front cover. Each copy is hand-signed and numbered by the author. Blue 2 is a beautiful cacophony delighting everyone! From a to z each letter gives a clue to where the Blue 2 is hidden in each of these spectacular pop-up sculptures. There's a glistening Blue 2, a slippery Blue 2, and even a suspended Blue 2. With gleeful helixes, jubilant kookiness, and mobile nonsense, each page will stun with its paper pop-up phenomenon. This sequel to One Red Dot is surely one to treasure.

**Wild at Home** Hilton Carter, 2019-04-09 Hilton Carter's love for plants is infectious... His lush and exuberant displays are inspiring reminders that plants can be so much more than neat little containers on a window sill. Grace Bonney, Founder and Editor-in-Chief, Design\*Sponge Take a tour through Hilton's own apartment and other lush spaces, filled with a huge array of thriving plants, and learn all you need to know to create your own urban jungle. As the owner of over 200 plants, Hilton feels strongly about the role of plants in one's home – not just for the beauty they add, but for health benefits as well: 'having plants in your home not only adds life, but changes the airflow throughout. It's also a key design element when styling your place. For me, it wasn't about just having greenery, but having the right variety of greenery. I like to see the different textures of foliage all grouped together. You take a fiddle leaf fig and sandwich it between a birds of paradise and a monstera and.... yes!' You will be armed with the know-how you need to care for your plants, where to place them, how to propagate, how to find the right pot, and much more, and most importantly, how to arrange them so that they look their best. Combine sizes and leaf shapes to stunning effect, grow your own succulents from leaf cuttings, create your own air plant display, and more.

**Curse of the Phoenix** Aimée Carter, 2022-06-21 Sent to England for a summer with relatives, twins Zac and Lu learn that their recently-deceased mother's tales of mythical creatures are true, and they must find a phoenix to break a curse.

**Ron Carter** Dan Ouellette, 2014 Autobiography of Legendary Jazz Bassist Ron Carter

**The Outlier** Kai Bird, 2022-06-14 “Important . . . [a] landmark presidential biography . . . Bird is able to build a persuasive case that the Carter presidency deserves this new look.”—The New York Times Book Review An essential re-evaluation of the complex triumphs and tragedies of Jimmy Carter’s presidential legacy—from the expert biographer and Pulitzer Prize-winning co-author of American Prometheus Four decades after Ronald Reagan’s landslide win in 1980, Jimmy Carter’s one-term presidency is often labeled a failure; indeed, many Americans view Carter as the only ex-president to have used the White House as a stepping-stone to greater achievements. But in retrospect the Carter political odyssey is a rich and human story, marked by both formidable accomplishments and painful political adversity. In this deeply researched, brilliantly written account, Pulitzer Prize-winning biographer Kai Bird deftly unfolds the Carter saga as a tragic tipping point in American history. As president, Carter was not merely an outsider; he was an outlier. He was the only president in a century to grow up in the heart of the Deep South, and his born-again Christianity made him the most openly religious president in memory. This outlier brought to the White House a rare mix of humility, candor, and unnerving self-confidence that neither Washington nor America was ready to embrace. Decades before today’s public reckoning with the vast gulf between America’s ethos and its actions, Carter looked out on a nation torn by race and demoralized by Watergate and Vietnam and prescribed a radical self-examination from which voters recoiled. The cost of his unshakable belief in doing the right thing would be losing his re-election bid—and witnessing the ascendance of Reagan. In these remarkable pages, Bird traces the arc of Carter’s administration, from his aggressive domestic agenda to his controversial foreign policy record, taking readers inside the Oval Office and through Carter’s battles with both a political establishment and a Washington press corps that proved as adversarial as any foreign power. Bird shows how issues still hotly debated today—from national health care to growing inequality and racism to the Israeli-Palestinian conflict—burned at the heart of Carter’s America, and consumed a president who found a moral duty in solving them. Drawing on interviews with Carter and members of his administration and recently declassified documents, Bird delivers a profound, clear-eyed evaluation of a leader whose legacy has been deeply misunderstood. The Outlier is the definitive account of an enigmatic presidency—both as it really happened and as it is remembered in the American consciousness.

**Jimmy Carter** Sheila Anderson, 2008-01-01 Brief biography of Jimmy Carter, a former president of the United States and winner of the Nobel Peace Prize.

**Carter's Cookbook** Carter Were, 2020 A simple book of food that Carter makes. Made to use.--Publisher description.

**The Outlier** Kai Bird, 2021-06-15 “Important . . . [a] landmark presidential biography . . . Bird is able to build a persuasive case that the Carter presidency deserves this new look.”—The New York Times Book Review An essential re-evaluation of the complex triumphs and tragedies of Jimmy Carter’s presidential legacy—from the expert biographer and Pulitzer Prize-winning co-author of American Prometheus Four decades after Ronald Reagan’s landslide win in 1980, Jimmy Carter’s one-term presidency is often labeled a failure; indeed, many Americans view Carter as the only ex-president to have used the White House as a stepping-stone to greater achievements.
