

CEO

Robert B. Catell,Kenny Moore,Glenn Rifkin

CEO Excellence Carolyn Dewar,Scott Keller,Vikram Malhotra,2022-03-15 Based on extensive interviews with today's . . . corporate leaders, this look at how the best CEOs do their jobs focuses on the mindsets and actions that foster an environment of excellence--

CEO Leadership Thomas A. Cole,2019-11-20 Corporate governance for public companies in the United States today is a fragile balance between shareholders, board members, and CEOs. Shareholders, who are focused on profits, put pressure on boards, who are accountable for operations and profitability. Boards, in turn, pressure CEOs, who must answer to the board while building their own larger vision and strategy for the future of the company. In order for this structure to be successful in the long term, it is imperative that boards and CEOs come to understand each other's roles and how best to work together. Drawing on four decades of experience advising boards and CEOs on how to do just that, Thomas A. Cole offers in CEO Leadership a straightforward and accessible guide to navigating corporate governance today. He explores the recurring question of whose benefit a corporation should be governed for, along with related matters of corporate social responsibility, and he explains the role of laws, market forces, and politics and their influence on the governance of public companies. For corporate directors, he provides a comprehensive examination of the roles, responsibilities, and accountability the role entails, while also offering guidance on how to be as effective as possible in addressing both routine corporate matters and special situations such as mergers and acquisitions, succession, and corporate crises. In addition, he offers practical suggestions for CEOs on leadership and their interactions with boards and shareholders. Cole also mounts a compelling case that a corporate culture that celebrates diversity and inclusion and has zero tolerance for sexual misconduct is critical to long-term business success. Filled with vignettes from Cole's many years of experience in the board room and C-suite, CEO Leadership is an invaluable resource for current and prospective directors, CEOs, and other senior officers of public companies as well as the next generation of corporate leaders and their business and financial advisors.

How to Act Like a CEO: 10 Rules for Getting to the Top and Staying There D. A. Benton,2000-11-20 If anybody knows what it takes to get you to the top of the corporate ladder, it's #1 executive coach Debra Benton. Now, in this follow-up to her best-selling How to Think Like a CEO, she draws upon her work with top-level executives at corporate giants such as AT&T, Colgate, Pepsi, Mobil Oil, Nabisco, American Express, and McKinsey, and interviews she conducted with 100 CEOs around the world, to: • Identify the 10 "rules of the game" ambitious managers need to follow if they want to make it to the top slot • Show how successful CEOs apply the rules in their everyday business dealings, and what happens when they break them • Provide managers with valuable pointers on how to apply each rule in their professional lives Written by one of the most respected executive coaches in the world, How to Act Like a CEO is must reading for ambitious managers in every industry, whether they aspire to being CEOs or not.

CEO Selection George P. Hollenbeck,1994 Although CEO selection may be the most important decision an organization makes, there is little practical literature available on the subject. In this report, the author, a management psychologist and a former human resources executive, reviews selected books and articles on CEO selection and presents his personal views on the topic.

The Five Temptations of a CEO Patrick Lencioni,2011-02 A commemorative edition of the landmark book from Patrick Lencioni When it was published ten years ago, The Five Temptations of a CEO was like no other business book that came before. Highly sought-after management consultant Patrick Lencioni deftly told the tale of a young CEO who, facing his first annual board review, knows he is failing, but ...

The CEO, Strategy, and Shareholder Value Peter Kontes,2010-08-20 A new look at delivering effective shareholder value from Peter Kontes, a true leader in the world of strategic management In The CEO, Strategy, and Shareholder Value, Peter Kontes, a true leader in the strategic management field, outlines the key to creating and growing shareholder value. The proper focus, contends Kontes, is in using quantitative measurements as guideposts on the path to success. The book first outlines the basics of the argument Kontes is making. He then briefly covers the five most important areas for business leaders, followed by a more detailed look at each of the focus areas. Finally, Kontes provides readers with a road map to implementing his suggestions. Presents an argument for a more holistic approach to delivering shareholder value Defines and then elaborates a new approach to strategic management Written by a true thought leader in the field, regularly featured in publications such as Fortune and BusinessWeek Never before have business leaders experienced the kind of tough decisions they are being forced to make as the economy undergoes incredibly rapid shifts. The common sense guide to successful leadership, The CEO, Strategy, and Shareholder Value delivers exactly the kind of solid, dynamic advice that will keep your organization moving on an upward path.

The CEO and the Monk Robert B. Catell,Kenny Moore,Glenn Rifkin,2004-01-16 In a business era in which executives are taken away in handcuffs and corporate malfeasance and scandal dominates the business headlines, there is tremendous value in the stories of ethical companies and spiritual business leaders. The CEO and the Monk is one such compelling story, the story of KeySpan, the nation's fifth largest energy giant and a profitable, Fortune 500 company, and the two KeySpan executives—one a former monk—whose unique working relationship is based on something as simple and powerful as doing the right thing. This isn't yet another prescriptive business guide written by breathless consultants. It is a story about a real business and how two unusual and dedicated humanists can keep their eyes on profits and ethics at the same time.

Wisdom at the Top Scott D. Rosen,2010-06-18 Scott Rosen's book, Wisdom at the Top, features exclusive interviews with 35 of the Greater Philadelphia area's elite CEOs. Through candid conversations, they share inspiring stories of how they achieved success while overcoming personal and professional challenges. Readers will gain invaluable knowledge and wisdom from seasoned professionals who have made it to the top. Yet these stories also offer lessons on life and leadership that transcend the business world. Wisdom at the Top will resonate with all who aspire to leadership positions and want to make important contributions to our economy, as well as the greater good.

The Ride of a Lifetime Robert Iger,2019-09-23 #1 NEW YORK TIMES BESTSELLER • A memoir of leadership and success: The executive chairman of Disney, Time's 2019 businessperson of the year, shares the ideas and values he embraced during his fifteen years as CEO while reinventing one of the world's most beloved companies and inspiring the people who bring the magic to life. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR Robert Iger became CEO of The Walt Disney Company in 2005, during a difficult time. Competition was more intense than ever and technology was changing faster than at any time in the company's history. His vision came down to three clear ideas: Recommit to the concept that quality matters, embrace technology instead of fighting it, and think bigger—think global—and turn Disney into a stronger brand in international markets. Today, Disney is the largest, most admired media company in the world, counting Pixar, Marvel, Lucasfilm, and 21st Century Fox among its properties. Its value is nearly five times what it was when Iger took over, and he is recognized as one of the most innovative and successful CEOs of our era. In The Ride of a Lifetime, Robert Iger shares the lessons he learned while running Disney and leading its 220,000-plus employees, and he explores the principles that are necessary for true leadership, including: • Optimism. Even in the face of difficulty, an optimistic leader will find the path toward the best possible outcome and focus on that, rather than give in to pessimism and blaming. • Courage. Leaders have to be willing to take risks and place big bets. Fear of failure destroys creativity. • Decisiveness. All decisions, no matter how difficult, can be made on a timely basis. Indecisiveness is both wasteful and destructive to morale. • Fairness. Treat people decently, with empathy, and be accessible to them. This book is about the relentless curiosity that has driven Iger for forty-five years, since the day he started as the lowliest studio grunt at ABC. It's also about thoughtfulness and respect, and a decency-over-dollars approach that has become the bedrock of every project and partnership Iger pursues, from a deep friendship with Steve Jobs in his final years to an abiding love of the Star Wars mythology. "The ideas in this book strike me as universal" Iger writes. "Not just to the aspiring CEOs of the world, but to anyone wanting to feel less fearful, more confidently themselves, as they navigate their professional and even personal lives."

The CEO of Technology Hunter Muller,2017-12-18 The CIO playbook, with lessons from the world's best leaders The CEO of Technology shows today's CIOs how to become exceptional leaders and bring value to their organization. By taking lessons from some of the world's best CEOs, you'll develop the traits and characteristics that drive legendary leadership. Interviews with top executives at leading global technology

companies including Apple, Boeing, Direct TV, Facebook, Texas Instruments, and more provide deep and valuable insight into what it means to lead in a hyper-driven tech environment. These stories provide valuable lessons that don't come from a classroom, but only from the in-the-trenches experience of the world's best leaders—coupled with a groundbreaking leadership approach designed for the demands of today's markets, to give you the ultimate CIO handbook. You'll learn how to maximize the value of your greatest asset—your team—and how to drive performance to unprecedented levels. You'll discover how great leaders communicate business strategy across the modern enterprise, and become a driving force behind your organization's success. The IT industry is experiencing a seismic shift that is revolutionizing the way companies do business. The stakes are high, everything is in flux, and there are no guaranteed paths to success. Whether this revolution means crisis or opportunity is up to you; this book gives you a game-changing approach to IT leadership in the 21st century enterprise. Improve the quality of your leadership and strengthen the C-suite bond Attract top talent, build great teams, and align IT with overall strategic vision Become the indispensable leader who consistently drives achievement Integrate technology and business strategy to become a high-value CIO Modern CIOs face a radically new array of leadership challenges in today's ultra-competitive, highly volatile markets; are you capable of leading the charge to the top? The CEO of Technology offers a visionary approach and the wisdom of experience to help you join the ranks of great leaders.

Put the Moose on the Table Randall L. Tobias,Todd Tobias,2003-04-03 This is the book that needed to be written in this time of tribulation for American business.... a must-read. -- Norman R. Augustine, Chairman of the Executive Committee, Lockheed Martin Corporation Aspiring CEOs and leaders of all kinds -- as well as anyone depressed at recent revelations of the dark side of American business behavior -- should read this book. -- Nannerl O. Keohane, President, Duke University He has accurately described the critical role that character plays in the leadership equation... and in life. This is a superb book. -- General Charles C. Krulak (Ret), 31st Commandant of the U.S. Marine Corps Like a moose in the living room, some problems are hard to ignore. Randall Tobias says that whether these problems are in business or in life, it is best to confront them openly and honestly. Put the Moose on the Table sets forth the ethical lessons Tobias first learned as a youth in Remington, Indiana, which continued to guide his upward trajectory through the business world. Among the topics he discusses are leading by example, dealing with wrenching change, the importance of openness versus secrecy, mentoring, and the vision thing. This is an enlightening and hopeful book about succeeding without selling out, turning change to advantage, and confronting difficult issues, told from the point of view of one who has played a significant role in two of the major corporate transformations of our time.

The Right CEO Frederick W. Wackerle,2001-10-01 The CEO selection and succession process is notoriously dysfunctional. Often, the wrong person is selected or the right person is put into a situation that blocks them from doing a good job. This is the first book on the topic to address the interrelationships between the five key groups in the CEO selection process--boards, HR executives, recruiters, CEOs, and CEO candidates. The authors also identify the fatal flaws in the current CEO selection systems and offer recommendations for creating a process that will guarantee the best leadership outcome possible. The book is filled with helpful insider examples and anecdotes to illustrate how this often ineffectual process can be righted.

The CEO Next Door Elena L. Botelho,Kim R. Powell,Tahl Raz,2018-03-06 NEW YORK TIMES AND WALL STREET JOURNAL BESTSELLER • Winner of CMI Management Book of the Year 2019 Based on an in-depth analysis of over 2,600 leaders drawn from a database of more than 17,000 CEOs and C-suite executives, as well 13,000 hours of interviews, and two decades of experience advising CEOs and executive boards, Elena L. Botelho and Kim R. Powell overturn the myths about what it takes to get to the top and succeed. Their groundbreaking research was the featured cover story in the May-June 2017 issue of Harvard Business Review. It reveals the common attributes and counterintuitive choices that set apart successful CEOs—lessons that we can apply to our own careers. Much of what we hear about who gets to the top, and how, is wrong. Those who become chief executives set their sights on the C-suite at an early age. In fact, over 70 percent of the CEOs didn't have designs on the corner office until later in their careers. You must graduate from an elite college. In fact, only 7 percent of CEOs in the dataset are Ivy League graduates--and 8 percent didn't graduate from college at all. To become a CEO you need a flawless résumé. The reality: 45 percent of CEO candidates had at least one major career blowup. What those who reach the top do share are four key behaviors that anyone can master: they are decisive; they are reliable, delivering what they promised when the promise it, without exception; they adapt boldly, and they engage with stakeholders without shying away from conflict. Based on this breakthrough study of the most successful people in business, Botelho and Powell offer career advice for everyone who aspires to get ahead. Based on research insights illustrated by real life stories from CEOs and boardrooms, they tell us how to: - Fast-track our career by deploying the career catapults used by those who get to the top quickly - Overcome the hidden handicaps to getting the job we want. - Avoid the 5 hazards that most commonly derail those promoted into a new role. For everyone who aspires to rise up through the organization and achieve their full potential, The CEO Next Door is an essential guide.

The Transformative CEO: IMPACT LESSONS FROM INDUSTRY GAME CHANGERS Jeffrey J. Fox,Robert Reiss,2012-07-13 Leadership Lessons from the World's Greatest CEOs "Fox and Reiss have created a new leadership category—The Transformative CEO." —Rafael Pastor, CEO, Vistage International Bestselling author Jeffrey Fox literally wrote the book on How to Become CEO, and radio talk show host Robert Reiss has explored strategy with some of the world's biggest business legends. Now, in The Transformative CEO, they have identified the key traits and characteristics that describe this remarkable type of leader. Filled with fascinating insights from superstar CEOs, this one-of-a-kind guide puts you right on the front lines with the men and women who have transformed businesses with spectacular success. You'll learn how to: Turn around a company (Marvel Entertainment) Build superior customer service (Zappos) Think big and go global (MTV International) Perform while transforming (UPS) Have a higher purpose (ING DIRECT) Innovate and make everything better (Eggland's Best) You'll learn how CEOs think and act in good times and bad—and you'll get a front-row seat to some of the most profitable industry game changers of our time, including AT&T Mobility, Danaher Corp. and many others. The Transformative CEO provides a new definition of leadership. Jeffrey J. Fox and Robert Reiss show how anyone can become a transformative leader. Find out how: HOME DEPOT cofounder and CEO Bernie Marcus built a new model of retail culture for customers—from the ground up. 1-800-FLOWERS.COM founder and CEO Jim McCann turned the 800 number into a brand—and delivered record profits and growth. PAUL MITCHELL SYSTEMS founder John Paul DeJoria higher purposes first—success unshared is failure. BLACK ENTERTAINMENT TELEVISION (BET) CEO Robert L. Johnson founded a television network—and transformed television. CAMPBELL SOUP CEO Douglas Conant warmed up employee morale—and made its business hot again.

The 360 Degree CEO Lorraine A. Moore,2018-01-15 The 360 Degree CEO provides the tools and insights to successfully navigate your personal and professional journeys while, elevating your health, your relationships, your results, and your organization's performance. Where are the courageous and CEOs, leading with integrity and generating notable business returns? This is the question Lorraine A. Moore wanted to highlight—for herself and her clients. This book provides an amalgamation of lessons from Moore's work with some of the best leaders in Fortune 1000 companies, privately held firms, mid-cap businesses, and not-for-profits. Drawing on real-life examples in her work with executives and boards of world-class technology firms, banks, credit unions, professional services, mining, retail, healthcare, energy/oil and gas, and more, Moore highlights the industry agnostic every leader can adopt. The 360 Degree CEO provides the tools and insights to successfully navigate your personal and professional journeys while, elevating your health, your relationships, your results, and your organization's performance.

The CEO's Secret Weapon Jan Jones,2016-01-11 Many executives don't take full advantage of the assistant who sits right outside their door. This book educates executives about all the ways in which they can

streamline and improve the way they work with the help of a great assistant, while teaching them to identify great candidates and maximize the benefits of this special relationship.

Startup CEO Matt Blumberg,2020-07-02 You’re only a startup CEO once. Do it well with Startup CEO, a master class in building a business. —Dick Costolo, Former CEO, Twitter Being a startup CEO is a job like no other: it’s difficult, risky, stressful, lonely, and often learned through trial and error. As a startup CEO seeing things for the first time, you’re likely to make mistakes, fail, get things wrong, and feel like you don’t have any control over outcomes. Author Matt Blumberg has been there, and in Startup CEO he shares his experience, mistakes, and lessons learned as he guided Return Path from a handful of employees and no revenues to over \$100 million in revenues and 500 employees. Startup CEO is not a memoir of Return Path's 20-year journey but a thoughtful CEO-focused book that provides first-time CEOs with advice, tools, and approaches for the situations that startup CEOs will face. You'll learn: How to tell your story to new hires, investors, and customers for greater alignment How to create a values-based culture for speed and engagement How to create business and personal operating systems so that you can balance your life and grow your company at the same time How to develop, lead, and leverage your board of directors for greater impact How to ensure that your company is bought, not sold, when you exit Startup CEO is the field guide every CEO needs throughout the growth of their company.

Does a CEO Sh*t in the Toilet? Robert W. Draeger,2011-03-23 Making the transition from student to an ambitious, I’m-going-succeed-at-going-to-the-executive-suite manager is difficult because the inherent nature of corporations. Organizations demand we sub-optimize our performance in our race to the top so the company can achieve it goals. The author who has climbed several major and many minor company pyramids shares over 200 coaching topics that explain how to succeed in what can be a crappy environment. More importantly, the mentoring tips put in plain words how to keep your integrity in your climb to the top of a corporate structure.

Indispensable and Other Myths Michael Dorff,2014-08-01 Prodded by economists in the 1970s, corporate directors began adding stock options and bonuses to the already-generous salaries of CEOs with hopes of boosting their companies’ fortunes. Guided by largely unproven assumptions, this trend continues today. So what are companies getting in return for all the extra money? Not much, according to the empirical data. In Indispensable and Other Myths: Why the CEO Pay Experiment Failed and How to Fix It, Michael Dorff explores the consequences of this development. He shows how performance pay has not demonstrably improved corporate performance and offers studies showing that performance pay cannot improve performance on the kind of tasks companies ask of their CEOs. Moreover, CEOs of large established companies do not typically have much impact on their companies’ results. In this eye-opening exposŽ, Dorff argues that companies should give up on the decades-long experiment to mold compensation into a corporate governance tool and maps out a rationale for returning to the era of guaranteed salaries.

CEO Book Review: Unveiling the Power of Words

CEO Introduction

In today's digital age, the availability of CEO books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of CEO books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of CEO books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing CEO versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, CEO books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing CEO books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for CEO books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, CEO books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of CEO books and manuals for download and embark on your journey of knowledge?

FAQs About CEO Books

What is a CEO PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a CEO PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a CEO PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a CEO PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a CEO PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
