The School Discipline Consensus Report CSG Justice Center, The School Discipline Consensus Report presents a comprehensive set of consensus-based and field-driven recommendations to improve conditions for learning for all students and educators, better support students with behavioral needs, improve police-schools partnerships, and keep students out of the juvenile justice system for minor offenses. More than 100 advisors representing policymakers, school administrators, teachers, behavioral health professionals, police, court leaders, probation officials, juvenile correctional leaders, parents, and youth from across the country helped develop more than two dozen policies and 60 recommendations to keep more students in productive classrooms and out of court rooms.

**Complex System Governance** Charles B. Keating,Polinpapilinho F. Katina,Charles W. Chesterman Jr.,James C. Pyne,2022-04-18 This book explores Complex System Governance (CSG)—an emerging field concerned with the design, execution, and evolution of essential functions necessary to ensure continued viability of a system. The book focuses on three primary development areas to better understand and utilize current developments CSG. First, the conceptual foundations for CSG are developed, from systems theory, management cybernetics, and governance. Second, a set of critical CSG topics are examined from conceptual as well as practice perspectives. Third, several development and application issues are discussed. Ultimately, CSG is positioned as an emerging field with strong theoretical grounding and significant implications for improving practices and performance to better address complex systems and their problems.
