United States. Congress. Senate. Committee on the District of Columbia

New York Cab Driver and His Fare Charles Vidich, 2017-09-29 Using information derived from research and interviews with cab drivers, Vidich has written a basic work on New York City cab drivers (hacks) that also provides passengers (fares) with a survival manual. Cab drivers are quoted by newspaper columnists, politicians, and at dinner parties; yet a hard look at the profession and its role in the transportation system of the city has been completely lacking. Vidich brings out in clear language the conflicts between the cab driver's position as a dispenser of a public service and his needs as a working person subjected to violence and pressure. It is difficult to imagine a more enjoyable introduction to an industry whose members are a folk tradition. At the same time, this book provides insight into the history and sociology of an important urban institution. It is a book about cab drivers everywhere; and cab drivers and fares in all cities have a new handbook in this volume.

Taxi! Graham Russell Gao Hodges, 2020-03-17 Why the cabdriver is the real victim of the false promises of Uber and the gig economy. 2007 Noteworthy Book in Industrial Relations and Labor Economics, Princeton University Industrial Relations Section Hailed in its first edition as a classic study of New York City's history and people, Graham Russell Gao Hodges's *Taxi!* is a remarkable evocation of the forgotten history of the taxi driver. This deftly woven narrative captures the spirit of New York City cabdrivers and their hardscrabble struggle to capture a piece of the American dream. From labor unrest and racial strife to ruthless competition and political machinations, Hodges recounts this history through contemporary news accounts, Hollywood films, and the words of the cabbies themselves. A new preface recalls the author's five years of hacking in New York City in the early 1970s, and a new concluding chapter explores the rise of app-based ridesharing services with the arrival of companies like Uber and Lyft. Sharply criticizing the use of the independent contractor model that is the cornerstone of Uber and the gig economy, Hodges argues that the explosion of for-hire vehicles in Manhattan reversed decades of environmental anti-congestion efforts. He calls for a return to the careful regulations that governed taxicabs for decades and provided a modest yet secure living for cabbies. Whether or not you've ever hailed a cab on Broadway, *Taxi!* provides a fascinating perspective on New York's most colorful emissaries.

Regulation of Taxicabs United States. Congress. Senate. Committee on the District of Columbia, 1930 Considers legislation to extend the jurisdiction of the D.C. Public Utilities Commission, relating to the liability and the transportation rates of taxicab owners and operators.

Financial Responsibility of Taxicab Owners United States. Congress. Senate. Committee on the District of Columbia, 1932 Considers legislation to establish insurance requirements for D.C. taxi owners and operators.

Taxi! Biju Mathew, 2005 An analysis of the taxi industry in New York City documents changes within today's business practices and how such changes reflect the city's shifting corporate climate, citing such elements as the 1998 Taxi Workers Alliance strike, the recent fare hike, and the impact of multiculturalism and urban renewal on the daily lives of drivers.

Authorization of Certain Programs and Activities of the Government of the District of Columbia United States. Congress. House. Committee on the District of Columbia. Subcommittee on Revenue and Financial Affairs, 1973

Taxicab Meters United States. Congress. Senate. Committee on the District of Columbia, 1972

Taxi Cab Alex Summers, 2017-01-01 Have you ever been in a taxi cab? In this title, early readers learn about taxi cabs and what to expect if you ride in one. Included are a picture glossary and websites to visit.

Omnibuses and Cabs Henry Charles Moore, 1902 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a

copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. Taxicab Regulation United States. Congress. House. Committee on the District of Columbia,1976

Taxi Industry in the Nation's Capital United States. Congress. House. Committee on the District of Columbia. Subcommittee on Government Operations and Metropolitan Affairs,1986

Hack Melissa Plaut,2007 In her late 20s, Plaut decided to honor a long-held secret ambition by becoming a New York City taxi driver. With wit and insight, she recreates the crazy parade of humanity that passes through her cab and shows how this grueling work provides her with a greater sense of self.

Taxi Alex Summers,2018 Young readers learn all about what it's like to ride in a taxi cab as well as all the parts and people that make it go.

Yellow Cab Robert Leonard,2006 The sharp insights of a cab driver into the workings of the hidden world of an American city after dark.

Taxi Christina Oxenberg,1986 Briefly sketches the history of taxi cabs, shares the stories of New York cabbies, and passengers describe unusual experiences riding in taxis.

Driving While Black Kenneth Meeks,2010-03-10 A practical handbook for people who want to be safe and do something. Racial profiling does happen. And while cases where victims find themselves looking down the barrel of a policeman's gun make the six o'clock news, dozens of less extreme, yet troubling, examples occur every day. Cabs that whiz by only to be seen stopping for safer-looking people just up the block; being asked for multiple pieces of identification when making purchases with credit cards; being followed around a department store by salespeople and security while never being asked if they need any assistance; being detained for hours and extensively searched in an airport or train station--Driving While Black clearly defines the system officially known as CARD (class, age, race, dress) and offers advice about how to handle potentially life-threatening situations with the police, as well as recourse for readers who suspect their civil rights have been denied due to racial profiling. A book written to save lives, Driving While Black is not just for people of color, but for anyone who likes to wear a baseball cap, baggy jeans, sneakers, and a tee shirt and finds they are often treated like a suspect.

Cab Tales Eric Muirhead,2012-04-01 This collection of short stories featuring the denizens of Houston's demimonde in the early 1970s is told from a cabdriver's perspective. The revised second edition includes a new foreword by the author.

Omnibuses and Cabs Henry Charles Moore,2016-06-27 Excerpt from Omnibuses and Cabs: Their Origin and History Some old omnibus names - Story of the Royal Blues -omni bus racing - Complaints against conductors - Passengers' About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Taxi Cab Stories John Egan,2018-12-22 Infused with John's unique sense of wry humor, these stories take the reader along on a ride through John's experiences as a cab driver in Brockton, Mass during the late 1970s. The stories are a mixture of the hilarious, odd, insightful, and sorrowful; introducing the reader to such characters as Black Laurel and Hardy, Captain Quaalude, and Mr. Magoo.This is how one cab ride ended as John pulled up to an ER...An orderly, hearing the tires give up their remaining tread in an anguished squeal, ran out expecting a near death emergency arrival. I jammed my driver seat forward and ran over to open Mom's door. She got out calmly, I was

anticipating a warm thanks. She got hold of her purse. I figured to get the fare and a great tip. Instead, she starts beating me with it! Hard! I am 6'4" and she was able to hit me squarely on top of my head. She was going to nail me into the ground like a human spike! She said, I told you to get me to the hospital quickly, not to put me in it! (as she rained beats down on me with her purse) Little Guy (her son) was hopping up and down saying Can we do that again!?! That was unbelievable! which made Mom angrier. The orderly skidded to a stop, wondering if I was the bad guy, Mom was a maniac, or this might be some personal matter between two consenting adults, especially one (Mom) that weighed about 4 times what he did. He said nothing, did not come an inch closer. He seemed frozen in fear, a desire for personal safety, and a crushing curiosity to see how it played out. This is how another cab ride ended after two guys considered robbing John...I got them to their destination in one piece. The fare was just under \$10, blond threw me a twenty and said, Keep it, as they fell over themselves in their hurry to get out. I didn't even thank them for the tip, just acted as if I expected it. Like it was payment for the 'joy ride.' The last thing the black-haired guy said as the scrambled out. I never met someone as nuts as you, man. Never! Blond goes, You're not safe, man. You're nuts. You shouldn't be f**kin' driving! I looked at them with a bored, 'do this all the time' look and shrugged....I radioed for Gary to get the cops. I gave the address, a description, and said the cops should be careful as at least one was armed. Join John for other fares as he drives from experience to experience, wending his way through an incredible world of stories from his cab driving days.

The Taxicab Gorman Gilbert, Robert E. Samuels, 1982 The authors trace the evolution of the taxi from the early horse-drawn European vehicles to the futuristic paratransit vehicles of today, relating the development of mass transit to the taxi and showing how both forms of transportation changed in response to alterations in city and urban life. They discuss the economics, innovative services, and future of the taxi and maintain that this service has the potential to alleviate some of the current problems of urban transportation. Originally published in 1982. A UNC Press Enduring Edition -- UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original, and are presented in affordable paperback formats, bringing readers both historical and cultural value.

Adopting the Song of Term: An Emotional Symphony within **Cabs**

In a global taken by displays and the ceaseless chatter of instant transmission, the melodic beauty and psychological symphony developed by the published term usually diminish in to the backdrop, eclipsed by the persistent noise and distractions that permeate our lives. However, nestled within the pages of **Cabs** a wonderful fictional treasure overflowing with natural feelings, lies an immersive symphony waiting to be embraced. Crafted by a masterful composer of language, that captivating masterpiece conducts visitors on an emotional trip, well unraveling the hidden songs and profound affect resonating within each carefully crafted phrase. Within the depths of the moving review, we will explore the book's main harmonies, analyze their enthralling writing model, and submit ourselves to the profound resonance that echoes in the depths of readers' souls.

Cabs Introduction

Free PDF Books and Manuals for Download:
Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in

PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Cabs PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous

learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Cabs PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Cabs free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Cabs Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or

smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Cabs is one of the best book in our library for free trial. We provide copy of Cabs in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Cabs. Where to download Cabs online for free? Are you looking for Cabs PDF? This is definitely going to save you time and cash in something you should think about.
