**The World Café** Juanita Brown, David Isaacs, World Cafe Community, 2005-05-15 The World Cafe is a flexible, easy-to-use process for fostering collaborative dialogue, sharing mutual knowledge, and discovering new opportunities for action. Based on living systems thinking, this innovative approach creates dynamic networks of conversation that can catalyze an organization or community's own collective intelligence around its most important questions. Filled with stories of actual Cafe dialogues in business, education, government, and community organizations across the globe, this uniquely crafted book demonstrates how the World Cafe can be adapted to any setting or culture. Examples from such varied organizations as Hewlett-Packard, American Society for Quality, the nation of Singapore, the University of Texas, and many others, demonstrate the process in action. Along with its seven core design principles, The World Cafe offers practical tips for hosting conversations that matter in groups of any size—strengthening both personal relationships and people's capacity to shape the future together.

**Café Nevo** Barbara Rogan, 2014-04-01 Café Nevo is a Tel Aviv gathering place for artists, politicians, lovers, and Bohemians—Arabs and Jews, young and old, conservative and radical. Nevo is presided over by Emmanuel Sternholz, the waiter whose unblinking gaze takes in the tangled web of destinies and desires spun out around him. In this comic, tragic, and compelling mosaic of intertwined lives, Barbara Rogan has created a dazzling work of fiction—and a marvelously illuminating mirror of Israel in its pioneering heyday.

**Bailey's Café** Gloria Naylor, 1992 Roman.

Café "The Blue Danube" Radka Yakimov, 2008-11-06 In Café The Blue Danube, Radka Yakimov, a native of Bulgaria, recalls tales that are heartfelt, reflective and insightful. The communist regimes of Eastern Europe, the fight for women's rights and trying to adapt to a new life in Canada while suspended between two worlds are towering themes in this hard-hitting book. Yakimov takes her readers to faraway places. You'll meet Mrs. Bailey, who finds herself in a strange place—right in her own country; you'll learn how so many are struggling with life in the post-communists democracies while battling the consequences of totalitarianism; and you'll feel how agonizing it can be for a mother to yearn for a child in a faraway place. And of course, you'll walk through the doors of Café The Blue Danube, where immigrants united by a common love of dancing and music can congregate and come to terms with their own circumstances, their own problems and their own regrets all while looking to the future. The memoirs in Café The Blue Danube deftly point out that being a newcomer can be a difficult experience, but they also celebrate what makes us all different—as well as the same.

The World of the Paris Café W. Scott Haine, 1998-09-04 In The World of the Paris Café, W. Scott Haine investigates what the working-class café reveals about the formation of urban life in nineteenth-century France. Café society was not the product of a small elite of intellectuals and artists, he argues, but was instead the creation of a diverse and changing working population. Making unprecedented use of primary sources—from marriage contracts to police and bankruptcy records—Haine investigates the café in relation to work, family life, leisure, gender roles, and political activity. This rich and provocative study offers a bold reinterpretation of the social history of the working men and women of Paris.

A Rich Brew Shachar M. Pinsker, 2019-09-15 Finalist, 2018 National Jewish Book Award for Modern Jewish Thought and Experience, presented by the Jewish Book Council A fascinating glimpse into the world of the coffeehouse and its role in shaping modern Jewish culture Unlike the synagogue, the house of study, the community center, or the Jewish deli, the café is rarely considered a Jewish space. Yet, coffeehouses profoundly influenced the creation of modern Jewish culture from the mid-nineteenth to mid-twentieth centuries. With roots stemming from the Ottoman Empire, the coffeehouse and its drinks gained increasing popularity in Europe. The “otherness,” and the mix of the national and transnational characteristics of the coffeehouse perhaps explains why many of these cafés were owned by Jews, why Jews became their most devoted habitués, and how cafés acquired associations with Jewishness. Examining the convergence of cafés, their urban milieu, and Jewish creativity, Shachar M. Pinsker argues that cafés anchored a silk road of modern Jewish culture. He uncovers a network of interconnected cafés that were central to the modern Jewish experience in a time of migration and urbanization, from Odessa, Warsaw, Vienna, and Berlin to New York City and Tel Aviv. A Rich Brew explores the Jewish culture created in these social spaces, drawing on a vivid collection of newspaper articles, memoirs, archival documents, photographs, caricatures, and artwork, as well as stories, novels, and poems in many languages set in cafés. Pinsker shows how Jewish modernity was born in the café, nourished, and sent out into the world by way of print, politics, literature, art, and theater. What was experienced and created in the space of the coffeehouse touched thousands who read, saw, and imbibed a modern culture that redefined what it meant to be a Jew in the world.

The Last Days of Café Leila Donia Bijan, 2017-04-18 “A glorious treat awaits you at the literary table of Donia Bijan.” —Adriana Trigiani Set against the backdrop of Iran's rich, turbulent history, this exquisite debut novel is a powerful story of food, family, and a bittersweet homecoming. When we first meet Noor, she is living in San Francisco, missing her beloved father, Zed, in Iran. Now, dragging her stubborn teenage daughter, Lily, with her, she returns to Tehran and to Café Leila, the restaurant her family has been running for three generations. Iran may have changed, but Café Leila, still run by Zed, has stayed blessedly the same—it is a refuge of laughter and solace for its makeshift family of staff and regulars. As Noor revisits her Persian childhood, she must rethink who she is—a mother, a daughter, a woman estranged from her marriage and from her life in California. And together, she and Lily get swept up in the beauty and brutality of Tehran. Bijan's vivid, layered story, at once tender and elegant, funny and sad, weaves together the complexities of history, domesticity, and loyalty and, best of all, transports readers to another culture, another time, and another emotional landscape.

*The Ozone Café* Helen Hagemann, 2024-01-23 Set upon the undercurrents of corruption, The Ozone Café traces the lives of three consecutive owners from the 1950's until its demolition in the 1990's. Vincenzo Polamo, a Calabrian, builds the Ozone Café with his builder-brother in 1957 in fictional Satara Bay. He meets three children, Winifred, Casey, and Nicolas, creating a seascape mural on a café wall that includes them. The café changes from Italian to Australian cuisine. However, due to long hours of hard work and Vincenzo's wife unwilling to migrate to Australia, Vincenzo sells the café. Joe Pendlebury suffers setbacks with too few customers, poor health and problems due to a violent storm causing structural damage close to the mural. In major scenes, Pendlebury goes missing, and Nicolas dies from muscular dystrophy, heightening Winifred's concerns to keep the mural sacred. Con & Dion Lasaridis experience problems with the damage. Unable to convince the Heytesbury Shire the café is sound after a rebuild, they lose ownership in a court battle; the Shire evoking a Demolition Order, 1946. The Lasaridis believe this is due to an undercurrent of well-known council corruption; Mayor Tyrone being a principal player in corrupt land and property dealings. Vincenzo (et al) removes the mural reinstating it at his home. The mural becomes a lasting memorial to Nicolas Battersby, as well as the sole surviving piece of The Ozone Café.

The Beach Café & The Voice Mohammed Mrabet, 1980 In the first story, Fuad learns from Driss what real friendship is; in the second, Mseud

hears a voice that guides him through life.

*The Habana Café Cookbook* Josefa Gonzalez-Hastings,2004-06-01 Culinary wizard and cafe owner Josefa Gonzalez-Hastings offers this extravagance of Cuban cooking as a celebration of her heritage. Many of the recipes were passed down to her from her mother and aunts; others are nuevo Latino cuisine--a fusion of traditional Cuban foods with modern dishes. Cuban food and preparation always has been varied, she says, flavored by the ancestry of the island, with contributions from Spanish conquistadors, African slaves, Asian laborers, and Indian natives. Of course, she also includes Habana Cafe's standard sides of rice, black beans, and glazed golden-brown plantains. Customer favorites are all represented here in easy-to-follow recipes and colorful photographs--from appetizers and soups, seafood and vegetarian entrees, to classics (Cuban sandwiches and flan) and beverages (mojitos, sangria, cafe con leche, Cuba libre). Gonzalez-Hastings also provides a glossary explaining typical ethnic Cuban ingredients such as bijol, a condiment used to give rice a yellow color; naranja agria, the tart Seville orange often used to marinate meat and make mojo sauce; and malanga, a mild, nutty root that flavors soups and other sauces. In my Cuban family, she writes, two things were always certain-- food and good times. Gonzalez-Hastings shares family stories and photographs of life in pre-Castro Cuba, re-creating the days when Havana was a dining mecca, Ernest Hemingway frequented La Floridita restaurant, and the island gave birth to the daiquiri.

**The Knowledge Café** Benjamin Anyacho,2021-07-06 Knowledge Café is a process for sharing information, whether face to face or virtual. This popular and practical knowledge management tool supports a culture where projects and innovation thrive. The Knowledge Café is a mindset and environment for engaging, discussing, and exchanging knowledge within a group either face to face or virtually. At the café, participants can discuss hard-to-solve project issues or resolve a family or community crisis. This metaphorical town square supports knowledge circulation and rejuvenation and increases its velocity—making it a breeding ground for innovation. The aha moments at one Knowledge Café can match the benefits of multiple conferences, workshops, and training put together. When knowledge management (KM) is part of an organization's culture, performance improves, collaboration increases, and the competitive advantage accelerates. No one can force knowledge transfer. We must create the right environment where knowledge is freely shared, rewarded, and fun. This book demonstrates why the Knowledge Café is such an effective KM tool and shows how to design optimal café experiences and increase learning agility. The premium on knowledge and agility has never been greater. This book offers a technique for managing knowledge toward the greater good. Tips; templates; practical and relatable experiences; case studies; and examples of knowledge brokers, creators, and sharers across cultures are sprinkled throughout the book to show how the café interfaces with other KM techniques and in different work and project spaces.

*Café after Dawn* Xiao Yan,2020-05-05 For Readers of Rupi Kaur and Courtney Peppernell, a Poetic Diary that Confronts and Meditates on Love, Hope, and Despair There were two entrances to the café, but I always opted for the narrower one hidden in the shadows. I always chose the same table at the back of the little room to write my poems to you, day by day. Let the world around you fade, and close the door. Get rid of your rolling cigarettes. Yes, I'm writing this for you. Some beautiful things: warm nights after the rain, old books, tea in the afternoon, fresh laundry, and blurry moon. This might justify your life. Written in the vein of today's young confessional poets, Café after Dawn is a diary written in the form of poetry. Penned during the four years that Xiao Yan spent with her mother who was undergoing cancer treatment in New York, each poem is a reflection of her thoughts on existential crisis, universal truth, traumatized youth, death, romance, and the struggles between hope and despair in our modern society. Using the power of poetry and innovative visual design, as well as experiments on the connection between Eastern and Western culture, Café after Dawn unleashes a healing power that will set readers free from judgment, self-doubt, and anxiety.

*Café Europa Revisited* Slavenka Drakulic,2021-01-05 Drakulić's composite portrait provides a clear-eyed look at European values, and what they really amount to. —The New Yorker An evocative and timely collection of essays that paints a portrait of Eastern Europe thirty years after the end of communism. An immigrant with a parrot in Stockholm, a photo of a girl in Lviv, a sculpture of Alexander the Great in Skopje, a memorial ceremony for the 50th anniversary of the Soviet led army invasion of Prague: these are a few glimpses of life in Eastern Europe today. Three decades after the Velvet Revolution, Slavenka Drakulic, the author of Cafe Europa and A Guided Tour of the Museum Of Communism, takes a look at what has changed and what has remained the same in the region in her daring new essay collection. Totalitarianism did not die overnight and democracy did not completely transform Eastern European societies. Looking closely at artefacts and day to day life, from the health insurance cards to national monuments, and popular films to cultural habits, alongside pieces of growing nationalism and Brexit, these pieces of political reportage dive into the reality of a Europe still deeply divided.

*Constitution Café: Jefferson's Brew for a True Revolution* Christopher Phillips,2011-09-05 “A provocative extension of Jefferson’s original plan.”—Kirkus Reviews Thomas Jefferson believed that every generation of Americans should rewrite our Constitution from scratch—to mirror the progress of the human mind and, most of all, to maintain the revolutionary spirit. He would be dismayed that it’s considered untouchable these days. Taking up Jefferson’s cause, Christopher Phillips leads a motley group of Americans across the fruited plain in an offbeat Constitutional Convention. His Constitution Café project is sparking a much-needed conversation about our founding document and forging common ground at a time when our country needs it most.
