

Calypso

John Wharton Lowe

Calypso

Calypso David Sedaris, 2019-05-28 'Sedaris is the premier observer of our world and its weirdnesses' Adam Kay, author of *This is Going to Hurt* 'He's like an American Alan Bennett' Guardian A New York Times Notable Book of 2018 'Entrancing . . . This book allows us to observed not just the nimble-mouthed elf of his previous work, but a man in his seventh decade expunging his darker secrets and contemplating mortality . . . The brilliance of David Sedaris's writing is that his very essence, his aura, seeps through the pages of his books like an intoxicating cloud, mesmerising us so that his logic becomes ours' Alan Cumming, Scotsman If you've ever laughed your way through David Sedaris's cheerfully misanthropic stories, you might think you know what you're getting with *Calypso*. You'd be wrong. When he buys a beach house on the Carolina coast, Sedaris envisions long, relaxing vacations spent playing board games and lounging in the sun with those he loves most. And life at the Sea Section, as he names the vacation home, is exactly as idyllic as he imagined, except for one tiny, vexing realization: it's impossible to take a vacation from yourself. With *Calypso*, Sedaris sets his formidable powers of observation toward middle age and mortality. Make no mistake: these stories are very, very funny - it's a book that can make you laugh 'til you snort, the way only family can. Sedaris's writing has never been sharper, and his ability to shock readers into laughter unparalleled. But much of the comedy here is born out of that vertiginous moment when your own body betrays you and you realize that the story of your life is made up of more past than future. This is beach reading for people who detest beaches, required reading for those who loathe small talk and love a good tumour joke. *Calypso* is simultaneously Sedaris's darkest and warmest book yet - and it just might be his very best.

Creepy Crawly Calypso Tony Langham, 2019-09-01 Jump and jive with this funky band of mini-beasts, as they play their cool calypso beats! Introducing guitar-strumming ladybugs, trombone-blowing dragonflies and piano-tinkling centipedes, the catchy CD which accompanies the book will have everyone singing along enthusiastically. The counting theme throughout helps young learners with their numbers up to ten, and there are lots of creepy-crawly facts at the back of the book, in addition to information about the Caribbean and calypso bands.

Calypso Magic Catherine Coulter, 2004-01-06 The second book in Catherine Coulter's Magic trilogy While visiting London, a beautiful young woman becomes homesick for the West Indies. Unfortunately, her only available chaperone for the perilous journey is her rakish hot-tempered cousin...

Calypso Drift Steinberg Henry, 2014-01-16 Steinberg Henry has composed for us this magical island adventure into song. It is made up of 14 segments and 119 chapters integrating leaps in consciousness, methods and disciplines with skill surprising. *Calypso Drift* passes by way of an island Parliament, Dread/Rastafari, memorable black-sand beaches, religious systems, the KwÉyòl language business, high-school learning remembrances, a touch of Kalinago sensibility and, American song selections on Caribbean radio in the 70s and 80s. The text leaps to record seven years of Dominican Calypso lyrics, contributing in the process to archiving an island's history. *Calypso Drift* implores us to listen again to warnings of our song-poets. This is a book for lovers of Calypso globally, one for culture enthusiasts. Those embracing entertainment education, history and the arts in general should find its methods provocative. Students in the natural and social sciences can comfortably uncover themselves herein. And most of all, musicians, song-writers, composers and performers of Calypso find space in its consuming fire. Drift, globality is inside!

A Calypso Trilogy Rawle Gibbons, 1999 This drama trilogy shows the story of the Calypso art form over four decades of social and artistic change, 1930-1970. Sing de Chorus, the first in the series, recreates the conditions and conflicts that made the 1930s the classical era of the Calypso and placed the art on the international stage. Ah Wanna Fall is built around the Absurdist genius of Spoiler, who characterized the transitions of post-war Trinidad. Ten to One crowns the series with the triumphant rise of Sparrow in his struggle for social respect for the art and its performers.

The Dead Calypso Louis Alexander Robertson, 1901

Music, Memory, Resistance Sandra Pouchet Paquet, Patricia Joan Saunders, Stephen Stuempfle, 2007 Calypsonians have long been the 'voice of the people', delivering the complaints, criticisms and even the solutions to political leaders. In its earliest manifestations, calypso music emerged in response to a cultural climate that demanded creative modes of expression that could both resist and record political and historical changes taking place in Trinidad and Tobago. Since the 1920s and 1930s, calypsonians typically have composed songs that chronicle their observations and opinions on current events focusing on specific occurrences, from local scandals to current affairs while also examining broader trends. Not only has calypso served as an unofficial record of historical events, it emerged as a cultural weapon that yielded tremendous sway within the general audiences of the Caribbean region. This collection includes contributions from calypsonians, critics, novelists and poets alike, all engaged in representing Caribbean culture in its myriad forms. It represents an array of convergences across critical perspectives, political and social agendas, generations and national boundaries. The work of numerous calypsonians and other singers are explored, including Sparrow; Kitchener; Chalkdust; Denise Belfon; and writers such as Samuel Selvon, V.S. Naipaul, Jean Rhys, Errol John, Paul Marshall, Earl Lovelace and Lashkmi Persaud. The comparative analyses provide an interdisciplinary approach to Cultural Studies making the volume essential reading for students, scholars and calypso enthusiasts.

Roy Cape Jocelyne Guilbault, Roy Cape, 2014-09-17 Roy Cape is a Trinidadian saxophonist active as a band musician for more than fifty years and as a bandleader for more than thirty. He is known throughout the islands and the Caribbean diasporas in North America and Europe. Part ethnography, part biography, and part Caribbean music history, Roy Cape is about the making of reputation and circulation, and about the meaning of labor and work ethics. An experiment in storytelling, it joins Roy's voice with that of ethnomusicologist Jocelyne Guilbault. The idea for the book emerged from an exchange they had while discussing Roy's journey as a performer and bandleader. In conversation, they began experimenting with voice, with who takes the lead, who says what, when, to whom, and why. Their book reflects that dynamic, combining first-person narrative, dialogue, and the polyphony of Roy's bandmates' voices. Listening to recordings and looking at old photographs elicited more recollections, which allowed Roy to expand on recurring themes and motifs. This congenial, candid book offers different ways of knowing Roy's labor of love—his sound and work through sound, his reputation and circulation as a renowned musician and bandleader in the world.

Carnival, Canboulay and Calypso John Cowley, 1998 This book traces the evolution of Carnival in Trinidad and beyond, using fascinating documentary evidence.

Stolen Time Shane Vogel, 2018-09-07 In 1956 Harry Belafonte's *Calypso* became the first LP to sell more than a million copies. For a few fleeting months, calypso music was the top-selling genre in the US—it even threatened to supplant rock and roll. *Stolen Time* provides a vivid cultural history of this moment and outlines a new framework—black fad performance—for understanding race, performance, and mass culture in the twentieth century United States. Vogel situates the calypso craze within a cycle of cultural appropriation, including the ragtime craze of 1890s and the Negro vogue of the 1920s, that encapsulates the culture of the Jim Crow era. He follows the fad as it moves defiantly away from any attempt at authenticity and shamelessly embraces calypso kitsch. Although white calypso performers were indeed complicit in a kind of imperialist theft of Trinidadian music and dance, Vogel argues, black calypso craze performers enacted a different, and subtly subversive, kind of theft. They appropriated not Caribbean culture itself, but the US version of it—and in so doing, they mocked American notions of racial authenticity. From musical recordings, nightclub acts, and television broadcasts to Broadway musicals, film, and modern dance, he shows how performers seized the ephemeral opportunities of the fad to comment on black cultural history and even question the meaning of race itself.

The Trinidad Calypso Keith Q. Warner, 1983

The Greatest Minds in Calypso Music Trevor Wilkins, 2023-03-15 The Greatest Minds in Calypso Music takes you inside the great Desmond James's Calypso Cathedral with tens of thousands of Calypso records in mint condition and alphabetically organized. It's the Largest Calypso Library in the World and Desmond James - The Boss Man - knows every single record. The Impeccable Trevor Wilkins tells this true story with great passion, admiration, and love for the Greatest Music in the World. His Calypso Journey is riveting and exciting, with his weekly commitment to be an Under-study to the Boss Man. His journey encompasses Calypso oletalk, verbal Calypso stories, understanding his Calypso Collection, and heavy rum drinking, particularly Babash. Trevor Wilkins's Calypso research went on for over twenty-two years, until the passing of the Great Desmond James in 2021. Calypso Devotees and Musical Lovers: This book is exceedingly infectious and impeccably organized. The Greatest Minds in Calypso Music takes you on Trevor Wilkins's Calypso Sojourn from Elementary Calypso School to receiving his PhD in Calypso music. He now serves as the Calypso

Emeritus. Besides the Calypso themes, there are library photographs, some allegorical language, musical patterns, and humorous to thought-provoking Calypso topics. It reads like you are in a classroom and a Calypso party, simultaneously. It even has a synopsis of the radio business in New York City. You will enjoy the Calypso discoveries, the racy fast pace of the book. It will exercise your mind and might even get your heart rate up. This is probably the Greatest Calypso Book ever written because everything in it is True. Calypso Is Love! Listen to the Trevor Wilkins Show LIVE Every Saturday from 8 pm to 11 pm EST Online: TrevorWilkinsShow.com Radio (New York City): 91.5 FM WNYE Mr. Calypso Publishing © Copyright 2022

Night Calypso Lawrence Scott, 2014-08-21 LONGLISTED FOR THE INTERNATIONAL IMPAC DUBLIN LITERARY AWARD 1938 is a tumultuous year on the small Trinidadian island of El Caracol, which houses a leper colony and a convent. In the sultry heat of the dry season a young orphan, Theo, is sent to live with the island's doctor, Vincent Metivier. The doctor knows little of Theo's past, only that it has been troubled and that he now needs love and attention. As Theo settles into the rhythm of life in El Caracol, he begins to unburden himself of his demons. Every night, he sleepwalks his own strange, disturbing calypso about his childhood. Vincent listens and, gradually, learns what demons still haunt the boy's mind. And as his friendship with the passionate, unpredictable nurse Sister Weil intensifies, Vincent finds his settled life spirally dangerously out of control, as war in Europe looms on the horizon. A richly sensual, heartfelt novel, *Night Calypso* is the work of one of the world's most imaginative writers.

Calypso & Society in Pre-independence Trinidad Gordon Rohlehr, 1990

Rhythm and Blues Goes Calypso Timothy Dodge, 2019-03-15 Between 1945 and 1965 rhythm and blues artists made dozens of recordings incorporating West Indian calypso. This book draws musical and cultural connections that make the case for recognizing the significance of West Indian calypso in the history of African American popular music.

Calypso David Sedaris, 2018-05-29 David Sedaris returns with his most deeply personal and darkly hilarious book. If you've ever laughed your way through David Sedaris's cheerfully misanthropic stories, you might think you know what you're getting with Calypso. You'd be wrong. When he buys a beach house on the Carolina coast, Sedaris envisions long, relaxing vacations spent playing board games and lounging in the sun with those he loves most. And life at the Sea Section, as he names the vacation home, is exactly as idyllic as he imagined, except for one tiny, vexing realization: it's impossible to take a vacation from yourself. With Calypso, Sedaris sets his formidable powers of observation toward middle age and mortality. Make no mistake: these stories are very, very funny—it's a book that can make you laugh 'til you snort, the way only family can. Sedaris's powers of observation have never been sharper, and his ability to shock readers into laughter unparalleled. But much of the comedy here is born out of that vertiginous moment when your own body betrays you and you realize that the story of your life is made up of more past than future. This is beach reading for people who detest beaches, required reading for those who loathe small talk and love a good tumor joke. Calypso is simultaneously Sedaris's darkest and warmest book yet—and it just might be his very best.

Calypso Magnolia John Wharton Lowe, 2016-02-08 In this far-reaching literary history, John Wharton Lowe remakes the map of American culture by revealing the deep, persistent connections between the ideas and works produced by writers of the American South and the Caribbean. Lowe demonstrates that a tendency to separate literary canons by national and regional boundaries has led critics to ignore deep ties across highly permeable borders. Focusing on writers and literatures from the Deep South and Gulf states in relation to places including Mexico, Haiti, and Cuba, Lowe reconfigures the geography of southern literature as encompassing the circumCaribbean, a dynamic framework within which to reconsider literary history, genre, and aesthetics. Considering thematic concerns such as race, migration, forced exile, and colonial and postcolonial identity, Lowe contends that southern literature and culture have always transcended the physical and political boundaries of the American South. Lowe uses cross-cultural readings of nineteenth- and twentieth-century writers, including William Faulkner, Martin Delany, Zora Neale Hurston, George Lamming, Cristina Garcia, Edouard Glissant, and Madison Smartt Bell, among many others, to make his argument. These literary figures, Lowe argues, help us uncover new ways of thinking about the shared culture of the South and Caribbean while demonstrating that southern literature has roots even farther south than we realize.

Calypso Jews Sarah Phillips Casteel, 2016-01-12 In original and insightful ways, Caribbean writers have turned to Jewish experiences of exodus and reinvention, from the Sephardim expelled from Iberia in the 1490s to the Calypso Jews who fled Europe for Trinidad in the 1930s. Examining these historical migrations through the lens of postwar Caribbean fiction and poetry, Sarah Phillips Casteel presents the first major study of representations of Jewishness in Caribbean literature. Bridging the gap between postcolonial and Jewish studies, Calypso Jews enriches cross-cultural investigations of Caribbean creolization. Caribbean writers invoke both the 1492 expulsion and the Holocaust as part of their literary archaeology of slavery and its legacies. Despite the unequal and sometimes fraught relations between Blacks and Jews in the Caribbean before and after emancipation, Black-Jewish literary encounters reflect sympathy and identification more than antagonism and competition. Providing an alternative to U.S.-based critical narratives of Black-Jewish relations, Casteel reads Derek Walcott, Maryse Condé, Michelle Cliff, Jamaica Kincaid, Caryl Phillips, David Dabydeen, and Paul Gilroy, among others, to reveal a distinctive interdiasporic literature.

Ballad of Calypso Dennis C McGuire, 2022-01-20 *Ballad of Calypso* is a true story told in a fanciful fashion, employing a 445-quatrain ballad derived directly from Calypso's logbook. The prose, cartoon illustrations and photos which are woven into the ballad places the reader at the helm of a 26' wooden sailboat with a pair of newlyweds on their journey from Portsmouth, Rhode Island to Port Townsend, Washington. The two-year endeavor begins with a successful commercial dive harvest of herring roe on kelp in Prince William Sound in the spring of 1979. Following the harvest and a cross country train ride to the east coast, the pair discover the Newport Used Boat Show. There is an immediate attraction to Calypso when come upon at the show. The purchase is made, and her new crew move aboard in Portsmouth RI. The *Ballad of Calypso* may be considered a primer on how to take a world class sailing voyage on the cheap. Many lessons will be learned as they are embedded in the story for discovery by the reader who will have a grip on the spokes of the wheel and throw sheets to the wind in perilous situations as they transit the Intracoastal Waterway to Florida. Bridges and ocean entrances provide a variety of obstacles to be overcome. They are plagued by a leaky vessel as well and an engine constantly breaking down. Ultimately the engine is sold, Calypso is readied for a sail to the Bahamas when the crew learn of the Mariel Boatlift. Plans change; they opt to sail for Cuba to make their fortune bringing refugees back to Florida. Becalmed, they meet and have lunch with Cuban fishermen. The following day they are sideswiped by a Cuban gunboat, boarded by the captain and first officer who ultimately expel Calypso and crew from the country. The crew throws the I-Ching as a navigation tool which turns them west for Mexico. Two weeks later, they drop anchor at Isla Mujeres. The voyage continues down the Yucatan coast and after many challenges and much calamity, they arrive in Belize City, where Calypso is hauled into Jones's Boatyard for repairs. In Honduras, Calypso rides out hurricane Hermine in the mangroves of Isla Utila. They make their way to Panama by sailing back north to Isla Mujeres from Roatan. Here the crew bring on Doug, their friend from Port Townsend and sail for Panama, 1000 miles distant. They stop in Great Corn Island, Nicaragua which is recovering from the recent revolution and move on to Panama. Calypso transits the Canal making a nefarious deal at a secret cove, one which will guarantee them a grubstake on their arrival up north. Leaving Panama, they sail into the Doldrums, make friends with a fish, drift 600 miles then are hit with a vicious storm force wind. Unbeknownst to the crew, they are attacked by teredos (naval shipworms). Calypso is sinking mid-pacific. They buck the Northeast Trades taking on a boatload of blue-footed booby birds for a week. The I-Ching now turns them west for Hawaii, 3700 miles distant. She manages, after 97 days, to reach Hilo, where she makes repairs then ventures out into the North Pacific during the stormy month of September. If one finds the previous chapters remindful of Thor Heyerdahl's *Kon Tiki*, then one may be reminded of Shackleton's James Caird on this leg of the journey. Surviving the Equinox storms, she sails into the Strait of Juan de Fuca, completing her two-year voyage when she is run down by a freighter in the night.

Calypso Calaloo Donald R. Hill, 1993 Classic calypso, one of the greatest creations of Caribbean culture, is more than the frivolous music played for tourists in pink hotels overlooking tropical beaches. Much traditional calypso is also social commentary and has reflected, sometimes not so subtly, Trinidad's difficult social and political evolution.

Calypso Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the energy of words has are more evident than ever. They have the ability to inspire, provoke, and ignite change. Such may be the essence of the book **Calypso**, a literary masterpiece that delves deep to the significance of words and their impact on our lives.
