**Lit Chat** Book Riot,2017-10-03 Get the conversation started—at your book club, writer’s group, or any friendly get-together—with these 100 reading-themed questions. Some invoke books that are tied to memories (name your favorite childhood picture book); others prompt you to choose ideal reading material for a hypothetical situation (if you were stranded on a desert island, what book would you want with you?). Some of them aim to get people comparing their favorite (and not-so-favorite) characters or authors, and others engage in popular debates among readers (name a movie adaptation you liked and defend your choice). Created to give readers of all persuasions an excuse to talk about books, ideas, and life itself, this collection from the largest independent community for book lovers in North America is a delight for any bibliophile. Reading is a solitary experience—but being a reader is a shared experience, and that shared experience is what Lit Chat is all about.

**Church Chat** Tom Smith,2014-12-19 On March 13, 2013, the Catholic Church changed dramatically when Pope Francis I, the Argentine slum walker, immediately began to redefine the papacy. His refreshing yet humble leadership collides with the approach of previous popes and revives the themes of the Second Vatican Council. In Church Chat, author Tom Smith catalogues that remarkable transition in an entertaining and thought provoking style. A collection of previously published columns dating from 2009 and into 2014, Church Chat fearlessly displays some flaws of the Catholic Church while applauding the leadership of Pope Francis. It is written by a progressive, and still practicing, Catholic who insists It's my Church, too! Transition times stir things up, cause unusual hopes and fears, bring stuff at the bottom to the top and take one set of priorities and replace them with another. Things move quickly during major transitions, what was standard at one time is replaced by a new approach. Since this new period is just beginning, we don't know how it will turn out, but one thing is certain: these are historic times in the Catholic Church. Pope Francis is moving quickly on many fronts and the vision of Vatican II is growing some flesh. Finally. Every Catholic -- liberal, conservative, or confused -- will benefit from Tom Smith's intelligent book Church Chat. I highly recommend this lively and loving book. -Michael Leach, author of Why Stay Catholic? Unexpected Answers to a Life-Changing Question Church Chat is a great read for veteran Church reformers as well as for people in the pews. The issue treatment is very comprehensive and right on... all done in a friendly conversational style. The reader thus comes away with a window into a hope filled near future for the People of God as well as a warm connection with Tom on his soulful journey forward. -Dan and Sheila Daley, Co-Founders of Call to Action

**Robins and Chats** Peter Clement,2016-01-28 This authoritative handbook, part of the Helm Identification Guides series, looks in detail at the world's 170 species of robins and chats. This large family of small passerines was formerly considered to be part of the thrush family (Turdidae), but is now usually treated as a separate family, Muscicapidae, together with the Old World flycatchers. The vast majority of species are Eurasian or African, with only a handful of species straying into the New World or Australasia. The Australian Robins, although superficially similar, have long been regarded as a separate family. Robins and chats are a diverse family comprising both highly colourful and visible species, such as the robin-chats of Africa, as well as some of the most skulking and elusive birds, such as the shortwings of Asia. Many chats, such as the well-known Nightingale, are renowned songsters, and a good number are highly sought-after by world listers for their extreme rarity or simply because they are hard to see. This book discusses the identification and habits of these birds on a species-by-species basis, bringing together the very latest research with accurate range maps, more than 600 stunning colour photographs that illustrate age and racial plumage differences, and 64 superb colour plates by the internationally renowned artist, Chris Rose. This authoritative and sumptuous book will be an essential purchase for all chat enthusiasts, and will become the standard reference on the subject for many years to come.
