Chica, Why Not? Sandra Hinojosa Ludwig,2021-04-27 Winner of the 2022 International Latino Book Awards, Best Spiritual/New Age Book Written by a Latina who's lived it, this book is an invitation to overcome your familial and cultural expectations, fears, and limiting beliefs, while remaining true to yourself and your roots! For those who feel stuck in life, who don't see a way forward, who don't believe they deserve to claim their dreams, Sandra Hinojosa Ludwig has one question: Chica, Why Not? With this book, you will find all the tools you need to accept that the life of your dreams is not only within reach, it is your right. Sandra grew up in Mexico, where she experienced violence, frustration, and sadness as everyday settings. After unsuccessfully chasing happiness in a corporate career, she found deeper meaning in spirituality and now helps others to realize their dreams while still being true to themselves and their roots. In this book, she guides you through her six-step program for manifesting the life you want, addressing career, family, love, wealth, and health. She gently breaks down the most common fears and excuses people make that hold them back, inviting you to practice self-compassion as you overcome your own fears and limiting beliefs as well as outside pressures-including familial and cultural expectations familiar to some in the Latino community.

American Chica Marie Arana,2011-07-06 In her father's Peruvian family, Marie Arana was taught to be a proper lady, yet in her mother's American family she learned to shoot a gun, break a horse, and snap a chicken's neck for dinner. Arana shuttled easily between these deeply separate cultures for years. But only when she immigrated with her family to the United States did she come to understand that she was a hybrid American whose cultural identity was split in half. Coming to terms with this split is at the heart of this graceful, beautifully realized portrait of a child who "was a north-south collision, a New World fusion. An American Chica." Here are two vastly different landscapes: Peru—earthquake-prone, charged with ghosts of history and mythology—and the sprawling prairie lands of Wyoming. In these rich terrains resides a colorful cast of family members who bring Arana's historia to life...her proud grandfather who one day simply stopped coming down the stairs; her dazzling grandmother, "clicking through the house as if she were making her way onstage." But most important are Arana's parents: he a brilliant engineer, she a gifted musician. For more than half a century these two passionate, strong-willed people struggled to overcome the bicultural tensions in their marriage and, finally, to prevail.

Finding Chika Mitch Albom,2019-11-05 Mitch Albom has done it again with this moving memoir of love and loss. You can't help but fall for Chika. A page-turner that will no doubt become a classic." --Mary Karr, author of The Liars' Club and The Art of Memoir From the #1 New York Times bestselling author of Tuesdays With Morrie comes Mitch Albom's most personal story to date: an intimate and heartwarming memoir about what it means to be a family and the young Haitian orphan whose short life would forever change his heart. Chika Jeune was born three days before the devastating earthquake that decimated Haiti in 2010. She spent her infancy in a landscape of extreme poverty, and when her mother died giving birth to a baby brother, Chika was brought to The Have Faith Haiti Orphanage that Albom operates in Port Au Prince. With no children of their own, the forty-plus children who live, play, and go to school at the orphanage have become family to Mitch and his wife, Janine. Chika's arrival makes a quick impression. Brave and self-assured, even as a three-year-old, she delights the other kids and teachers. But at age five, Chika is suddenly diagnosed with something a doctor there says, "No one in Haiti can help you with." Mitch and Janine bring Chika to Detroit, hopeful that American medical care can soon return her to her homeland. Instead, Chika becomes a permanent part of

their household, and their lives, as they embark on a two-year, around-the-world journey to find a cure. As Chika’s boundless optimism and humor teach Mitch the joys of caring for a child, he learns that a relationship built on love, no matter what blows it takes, can never be lost. Told in hindsight, and through illuminating conversations with Chika herself, this is Albom at his most poignant and vulnerable. Finding Chika is a celebration of a girl, her adoptive guardians, and the incredible bond they formed—a devastatingly beautiful portrait of what it means to be a family, regardless of how it is made.

Imagining la Chica Moderna Joanne Hershfield,2008-06-27 In the years following the Mexican Revolution, visual images of la chica moderna, the modern woman, au courant in appearance and attitude, popped up in mass media across the country. Some of the images were addressed directly to women through advertisements, as illustrations accompanying articles in women’s magazines, and on the “women’s pages” in daily newspapers. Others illustrated domestic and international news stories, promoted tourism, or publicized the latest Mexican and Hollywood films. In *Imagining la Chica Moderna*, Joanne Hershfield examines these images, exploring how the modern woman was envisioned in Mexican popular culture and how she figured into postrevolutionary contestations over Mexican national identity. Through her detailed interpretations of visual representations of la chica moderna, Hershfield demonstrates how the images embodied popular ideas and anxieties about sexuality, work, motherhood, and feminine beauty, as well as class and ethnicity. Her analysis takes into account the influence of mexicanidad, the vision of Mexican national identity promoted by successive postrevolutionary administrations, and the fashions that arrived in Mexico from abroad, particularly from Paris, New York, and Hollywood. She considers how ideals of the modern housewife were promoted to Mexican women through visual culture; how working women were represented in illustrated periodicals and in the Mexican cinema; and how images of traditional “types” of Mexican women, such as la china poblana (the rural woman), came to define a “domestic exotic” form of modern femininity. Scrutinizing photographs of Mexican women that accompanied articles in the Mexican press during the 1920s and 1930s, Hershfield reflects on the ways that the real and the imagined came together in the production of la chica moderna.
