The Christmas Box Richard Paul Evans,2012-10-09 A special anniversary edition of the unforgettable Christmas classic that has touched the hearts of millions of readers: “the most popular holiday tale since Tiny Tim” (Newsweek). Since The Christmas Box was first published, more than eight million people around the world have been touched by its magic. It is a holiday classic that is as beloved in our time as A Christmas Carol was in Dickens’s. This special 20th Anniversary Edition contains a new Introduction by the author, explaining how this personal tribute to his children, intended for just a few family members and friends, became a worldwide phenomenon that brings inspiration and healing to everyone who reads it. As he reiterates his intention to remind families of the preciousness of their love for each other, Evans explains how The Christmas Box has also helped children who have no families find love and hope. The miracle of The Christmas Box springs from its timeless message that knows no season.

Moments for Christmas Robert Strand,1994-08-01 Have you ever thought about how the first Christmas came to be because of a gift? Yes, the spirit of giving started in a most heavenly way. An innocent and wholly good man gave His life for all of humanity. Jesus inspired this most blessed of holidays when He hung on a cross, thus creating a spiritual window of escape for each man, woman, and child. It is in that spirit that Moments for Christmas welcomes the reader into a warm set of thirty stories that will uplift and delight, capturing the goodness of Jesus on its pages. From modern-day tales to those of Christmas Past, Moments for Christmas offers a look into this universal holiday. This little volume will truly become a treasured holiday heirloom for your family, as it finds a place on your mantle and in your heart.

Loving My Actual Christmas Alexandra Kuykendall,2017-09-05 The Christmas season is a particularly difficult time for women to slow down and relish what's right in front of them. An annual marker for many, it is a holiday that can often remind us how life is not going as we'd planned. Our family relationships remain strained, our finances stretched, and our schedules stuffed with too much to do in too little time. Following the formula of her successful Loving My Actual Life, Alexandra Kuykendall shares with readers her own personal experiment to be completely present in her life as it is during the holiday season. Addressing the themes of Advent and Christmas, she reflects on hope, love, joy, peace, and relishing the season, with practical pullouts on common Christmas stressors, such as finances, schedules, and extended family. Kuykendall's signature candor helps women go easy on themselves, remember what truly matters, and find joy in their imperfect Christmases.
