Chubby the Bear's Big Choice Daryl McCullough,2023-10-15 Chubby the Bear enjoys eating honey and swinging on the branches of redwood trees high above the forest floor. When bear-cub bullies tease and shame him about his weight, Chubby wrestles with how to respond. Two of his forest friends – a raccoon and a beaver – encourage him to embrace his differences, which might even be his strengths. Chubby takes matters into his own paws and delivers an unforgettable message to his bullies. He makes a big choice to stand up for himself and demonstrate his courage and skills. In doing so, he finds his confidence and ability to love himself and his body. Ultimately, Chubby the Bear also earns the respect and attention of the other bear cubs, who see things differently in the end. Chubby the Bear's Big Choice is a picture book with messages for children and adults, especially those struggling with bullying, body image, weight, or self-esteem issues.
