The Cleaner Brett Battles, 2007-06-26 "The Cleaner has it all: exotic locales, James Bondian derring-do, and ingenious plot twists that will keep you sweating all the way 'til the end."—Tess Gerritsen Meet Jonathan Quinn: a freelance operative with a take-no-prisoners style and the heart of a loner. His job? Professional "cleaner." Nothing too violent, just disposing of bodies, doing a little cleanup if necessary. But Quinn's latest assignment is about to change everything, igniting a harrowing journey of violence, betrayal, and revenge. The job seemed simple enough: investigating a suspicious case of arson. But when a dead body turns up where it doesn't belong—and Quinn's handlers turn strangely silent—he knows he's in over his head. Quinn's only hope may be Orlando, a woman from his past who could hold the key to solving the case. Suddenly the two are prying into old crimes, struggling to stay alive long enough to unbury the truth. But as the hunt intensifies, Quinn is stunned by what he uncovers: a brilliantly orchestrated conspiracy—with an almost unimaginable goal. Praise for *The Cleaner* "Battles is a compelling new voice in the thriller genre. *The Cleaner* combines the best elements of Lee Child, John le Carré and Robert Ludlum. . . . A stellar debut."—Sheldon Siegel "A brilliant and heart-pounding thriller."—Jeffery Deaver "A tightly written page-turner."—Booklist

Relentless Tim S. Grover, Shari Wenk, 2014-03-11 An award-winning trainer draws on experience with such top athletes as Michael Jordan, Kobe Bryant and Ken Griffey, Jr. to explain how to tap dark competitive reflexes in order to succeed regardless of circumstances, explaining the importance of finding internal resources and harnessing the power of personal fears and instincts.

The Trauma Cleaner Sarah Krasnostein, 2018-04-10 Winner of the Victorian Prize for Literature, Sarah Krasnostein's *The Trauma Cleaner: One Woman's Extraordinary Life in the Business of Death, Decay, and Disaster* is the fascinating biography of one of the people responsible for tidying up homes in the wake of natural—and unnatural—catastrophes and fatalities. Homicides and suicides, fires and floods, hoarders and addicts. When properties are damaged or neglected, it falls to Sandra Pankhurst, founder of Specialized Trauma Cleaning (STC) Services Pty. Ltd. to sift through the ashes or sweep up the mess of a person's life or death. Her clients include law enforcement, real estate agents, executors of deceased estates, and charitable organizations representing victimized, mentally ill, elderly, and physically disabled people. In houses and buildings that have fallen into disrepair, Sandra airs out residents' smells, throws out their weird porn, their photos, their letters, the last traces of their DNA entombed in soaps and toothbrushes. The remnants and mementoes of these people's lives resonate with Sandra. Before she began professionally cleaning up their traumas, she experienced her own. First, as a little boy, raised in violence and excluded from the family home. Then as a husband and father, drag queen, gender reassignment patient, sex worker, small businesswoman, and trophy wife. In each role she played, all Sandra wanted to do was belong. *The Trauma Cleaner* is the extraordinary true story of an extraordinary person dedicated to making order out of chaos with compassion, revealing the common ground Sandra Pankhurst—and everyone—shares with those struck by tragedy.

The Night Cleaner Florence Aubenas, 2011-04-11 The idea was simple: pack a suitcase, go to another city where you have no connections and try to find a job,

anonymously. That was the idea that took Florence Aubenas - one of France's most accomplished undercover journalists - on a journey into the worst recession since the Great Depression. Day after day she searched for work, one unemployed worker among others, with no special skills or qualifications. She immersed herself in the crowd of job seekers, going from one employment office to another, eventually managing to cobble together a few hours working as a night cleaner on a ferry that crossed the English Channel. For many people the global financial crisis seems real enough but remote from their daily lives. They have little sense of what it really means to be unemployed in the midst of a recession. Florence Aubenas was determined to find out. This book is the story of her journey. *The Night Cleaner* became an instant number one bestseller in France and has subsequently become a bestseller in many countries throughout the world. Better than any academic treatise on the topic, this book shows what recession means today.

The Gentle Art of Swedish Death Cleaning Margareta Magnusson, 2018-01-02 *The basis for the wonderfully funny and moving TV series developed by Amy Poehler and Scout Productions* A charming, practical, and unsentimental approach to putting a home in order while reflecting on the tiny joys that make up a long life. In Sweden there is a kind of decluttering called *döstädning*, *dö* meaning “death” and *städning* meaning “cleaning.” This surprising and invigorating process of clearing out unnecessary belongings can be undertaken at any age or life stage but should be done sooner than later, before others have to do it for you. In *The Gentle Art of Swedish Death Cleaning*, artist Margareta Magnusson, with Scandinavian humor and wisdom, instructs readers to embrace minimalism. Her radical and joyous method for putting things in order helps families

broach sensitive conversations, and makes the process uplifting rather than overwhelming. Margareta suggests which possessions you can easily get rid of (unworn clothes, unwanted presents, more plates than you'd ever use) and which you might want to keep (photographs, love letters, a few of your children's art projects). Digging into her late husband's tool shed, and her own secret drawer of vices, Margareta introduces an element of fun to a potentially daunting task. Along the way readers get a glimpse into her life in Sweden, and also become more comfortable with the idea of letting go.

The Cleaner Mark Dawson, 2020-12-10 The first in a high-octane thriller series that is perfect for fans of Jack Reacher and Jason Bourne.

The Cleaner Paul Cleave, 2012-03-01 Surprising and compelling this powerfully written novel is a terrifyingly vivid rendering inside the mind of a serial killer. Meet Joe. He's a nice guy out to catch a copycat killer. The one copying himself. Joe is in control of

everything in his simple life, including both his day job at the police department and his 'night work'. He remembers to feed his fish twice a day and visit his mother at least once a week, although he occasionally peppers her coffee with rat poison. He is not bothered by the reports of The Christchurch Carver, who - they say - murdered seven women. Joe knows the carver has killed only six. He knows that for a fact. And Joe is going to find that copy-cat killer, punish him for the one murder and then frame him for the rest. It's a perfect plan because he already knows he can outwit the police. All he has to do now is take care of all the women who keep getting in his way - his domineering mother for one. Then there is Sally, the maintenance worker who sees him as a replacement for her dead brother, and the mysterious Melissa, the only woman to have ever understood him, but whose fantasies of blackmail and torture no longer have any place in Joe's investigation... The Carver Series: Book 1: The Cleaner Book 2: Joe Victim

The Vacuum Cleaner Carroll Gantz, 2012-09-21 House cleaning has been an innate human activity forever but only since the early 19th century have mechanical devices replaced the physical labor (performed mostly by women). Mechanical carpet sweepers were replaced by manual suction cleaners, which in turn were replaced by electric vacuum cleaners in the early 20th century. Innovative inventors, who improved vacuum cleaners as electricity became commonly available, made these advances possible. Many early manufacturers failed, but some, such as Bissell, Hoover, Eureka and others, became household names as they competed for global dominance with improved features, performance and appearance. This book describes the fascinating people who made this possible, as well as the economic, cultural and technological contexts of their times. From

obscure beginnings 200 years ago, vacuum cleaners have become an integral part of modern household culture.

The Lost Art of JAN M. DOUGHERTY, 2011-03 Yes! you really can clean your house and everything in it using just 3 products and it will cost you about \$20 per year. I have owned a residential cleaning company since 2004 and this book actually started life as my employees' handbook. Since this book was first published not much has changed. Dirt is still dirty and whether or not you want to clean your home, it still has to be cleaned. Most people hate to clean simply because they don't know how to do it, they were never taught. Were you actually taught how to clean? Probably not, but that's not your fault. Do you want to learn how to do it, like a professional, using minimal products and saving a bucket of money on cleaning supplies? If you do, then buy my book. First, I will send you to the store with a short shopping list; I will explain why I use each product and then how to use each product or tool, which by the way isn't much. I will then explain the logic behind my

method of cleaning, called The PATH and then I will literally walk you through cleaning the different rooms in your house. The beauty of The PATH is that you can start and stop a cleaning job in any room and not lose your place. Just pick up where you left off and continue until the room is clean. So go answer the phone or change the baby. I only use 3 readily available products in both my business and in my house to clean everything. No more need for window, floor, counter, toilet, sink, tub, shower and mirror cleaners. No more polishes, waxes or air fresheners. Just think about how much you spend a year on cleaning products? Go ahead, I'll wait while you look under your sinks and calculate that. More than \$20.00 per year? If you are spending more than that you need my book. Everyone that embraces my methodology has a cleaner home, extra money to spend on the important things and the time to enjoy them. I have a website; The Lost Art of House Cleaning.com where I have uploaded a number of videos demonstrating my methodology and posted numerous articles on cleaning particular things. I have read all the reviews posted about my book on Amazon and I found the vast majority to be very complimentary. I have also found that some of the harshest critics still recognized that my methodology works. In addition to the Amazon reviews I have personally received comments and compliments directly from the people that have bought my book. And I know that what I say in my book has helped thousands realize that cleaning their home is not all it's cracked to be if you know what you are doing. So buy my book, read it the first time for entertainment then read it a second time for inspiration and then, Enjoy the Clean! Thanks, Jan M Dougherty

My Cleaner Maggie Gee, 2012-05-28 Ugandan Mary Tendo worked for many years in

the white middle-class Henman household in London, cleaning for Vanessa and looking after her only child, Justin. More than ten years after Mary has left, Justin - now twenty-two - is too depressed to get out of bed. To his mother's surprise, he asks for Mary. When Mary responds to Vanessa's cry for help and returns from Uganda to look after Justin, the balance of power in the house shifts dramatically. Both women's lives change irrevocably as tensions build towards a climax on a snowbound motorway. 'Beautifully observed, intelligent and moving ... a carefully wrapped surprise that gets better and better with the unravelling.' The Scotsman 'A moving, funny, engrossing book.' The Observer 'Gee satirises the liberal conscience of the chattering classes with uncomfortable perception in this hugely enjoyable novel ... her portrayal of Britain's new underclass of immigrant workers is presented with her trademark stinging clarity.' Metro 'Maggie Gee is a superb and pitiless analyser of middleclass angst. Elegant, humorous and surprising, this is a classy performance.' The Times 'It's amazing how many details, characters, stories within stories, Maggie Gee's unquenchable exuberance crams into this comparatively short book.' The Spectator 'An intelligent and satisfying read.' The Sunday Times 'A masterful study in Africa/UK relations which manages to be supremely uncomfortable without being cynical, and clever without being calculating.' Big Issue 'The Flood was chillingly predictive. My Cleaner is a calmer, happier novel. Yet a gnawing tragedy lies in the shadows, all the more poignant for the deftness with which it's brushed aside.' The Independent

Head Cleaner David James Keaton,2023-01-31 HEAD CLEANER is a hugely original blend of thriller, science fiction, and horror that takes our love of nostalgia to task for its morbid obsessions with dead media and dead-end jobs: Clerks meets Black Mirror (with a little Groundhog Day and Russian Doll thrown in for good measure): The last Blockbuster video store in the United States is hanging on by a thread. And after a crazy night attempting to track down a lost VCR rental to collect the record-setting and internet-famous late fee, three employees, idealistic Eva, cinephile Jerry, and their tyrannical manager Randy, discover that this machine may actually have the power to change the endings of popular films, which, depending on the historical basis of the film, might also be changing the real world around them. Or could this just be an elaborate, increasingly deadly prank? When they begin receiving videotapes and voicemails seemingly depicting their deaths, Eva, Jerry, and Randy scramble to keep the VCR from falling into the wrong hands. And as one action-packed evening begins to seemingly repeat itself (or does it?), scores are settled and unwanted confessions begin to fly, until a Final Girl finally unravels a grand psychological experiment orchestrated at the highest levels of a crumbling social media empire.
