Latrivia S. Nelson

The Curated Closet Anuschka Rees,2016-09-20 Is your closet jam-packed and yet you have absolutely nothing to wear? Can you describe your personal style in one sentence? If someone grabbed a random piece from your closet right now, how likely is it that it would be something you love and wear regularly? With so many style and shopping options, it can be difficult to create a streamlined closet of pieces that can be worn easily and confidently. In *The Curated Closet*, style writer Anuschka Rees presents a fascinatingly strategic approach to identifying, refining, and expressing personal style and building the ideal wardrobe to match it, with style and shopping strategies that women can use every day. Using *The Curated Closet* method, you'll learn to: • Shop smarter and more selectively • Make the most of your budget • Master outfit formulas and color palettes • Tweak your wardrobe for work • Assess garment fit and quality like a pro • Curate a closet of fewer, better pieces Including useful infographics, charts, and activities, as well as beautiful fashion photography, *The Curated Closet* is the ultimate practical guide to authentic and unique style.

The Conscious Closet Elizabeth L. Cline,2019-08-20 From journalist, fashionista, and clothing resale expert Elizabeth L. Cline, “the Michael Pollan of fashion,”* comes the definitive guide to building an ethical, sustainable wardrobe you'll love. Clothing is one of the most personal expressions of who we are. In her landmark investigation *Overdressed: The Shockingly High Cost of Cheap Fashion*, Elizabeth L. Cline first revealed fast fashion's hidden toll on the environment, garment workers, and even our own satisfaction with our clothes. *The Conscious Closet* shows exactly what we can do about it. Whether your goal is to build an effortless capsule wardrobe, keep up with trends without harming the environment, buy better quality, seek out ethical brands, or all of the above, *The Conscious Closet* is packed with the vital tools you need. Elizabeth delves into fresh research on fashion's impacts and shows how we can leverage our everyday fashion choices to change the world through style. Inspired by her own revelatory journey getting off the fast-fashion treadmill, Elizabeth shares exactly how to build a more ethical wardrobe, starting with a mindful closet clean-out and donating, swapping, or selling the clothes you don't love to make way for the closet of your dreams. *The Conscious Closet* is not just a style guide. It is a call to action to transform one of the most polluting industries on earth—fashion—into a force for good. Readers will learn where our clothes are made and how they're made, before connecting to a global and impassioned community of stylish fashion revolutionaries. In *The Conscious Closet*, Elizabeth shows us how we can start to truly love and understand our clothes again—without sacrificing the environment, our morals, or our style in the process. *Michelle Goldberg, *Newsweek/The Daily Beast*

Steel Closets Anne Balay,2014-04-07 Even as substantial legal and social victories are being celebrated within the gay rights movement, much of working-class America still exists outside the current narratives of gay liberation. In *Steel Closets*, Anne Balay draws on oral history interviews with forty gay, lesbian, and transgender steelworkers, mostly living in northwestern Indiana, to give voice to this previously silent and invisible population. She presents powerful stories of the intersections of work, class, gender, and sexual identity in the dangerous industrial setting of the steel mill. The voices and stories captured by Balay--by turns alarming, heroic, funny, and devastating--challenge contemporary understandings of what it means to be queer and shed light on the incredible homophobia and violence faced by many: nearly all of Balay's narrators remain closeted at work, and many have experienced harassment, violence, or rape. Through the powerful voices of queer steelworkers themselves, *Steel Closets* provides rich insight into an understudied part of the LGBT population, contributing to a growing body of scholarship that aims to reveal and analyze a broader range of gay life in America.

Closet Design Bible Lisa Adams,2018 Once upon a time, closets were merely a place to store clothes. LA Closet Design presents *Closet Design Bible* - a compilation of ultra high-end closet spaces, spanning multiple countries for more than a decade. As the industry leader in custom closet design, Lisa Adams' clientele includes world-renowned figures in entertainment, professional sports, politics, and business. Complete with boutique display lighting and all the techy extras, these spaces reflect the specific needs of each client, while challenging conventional idea of the closet. For the first time, the details of these very personal sanctuaries are made public. Rich with imagery of carefully appointed spaces, this book gives readers an in-depth look at the fully custom features of Lisa's closets. Among these pages are many of the designer's own expert tips, which readers can use to elevate this once overlooked space, and ultimately calm the chaos of everyday life.

The Closet Book Elin Schoen,1982

The Celluloid Closet Vito Russo,1981 Praised by the Chicago Tribune as an impressive study and written with incisive wit and searing perception--the definitive, highly acclaimed landmark work on the portrayal of homosexuality in film.

The Digital Closet Alexander Monea,2023-05-02 An exploration of how heteronormative bias is deeply embedded in the internet, hidden in algorithms, keywords, content moderation, and more. A Next Big Idea Club nominee. In *The Digital Closet*, Alexander Monea argues provocatively that the internet became straight by suppressing everything that is not, forcing LGBTQIA+ content into increasingly narrow channels—rendering it invisible through opaque algorithms, automated and human content moderation, warped keywords, and other strategies of digital overreach. Monea explains how the United States' thirty-year “war on porn” has brought about the over-regulation of sexual content, which, in turn, has resulted in the censorship of much nonpornographic content—including material on sex education and LGBTQIA+ activism. In this wide-ranging, enlightening account, Monea examines the cultural, technological, and political conditions that put LGBTQIA+ content into the closet. Monea looks at the anti-porn activism of the alt-right, Christian conservatives, and anti-porn feminists, who became strange bedfellows in the politics of pornography; investigates the coders, code, and moderators whose work serves to reify heteronormativity; and explores the collateral damage in the ongoing war on porn—the censorship of LGBTQ+ community resources, sex education materials, art, literature, and other content that engages with sexuality but would rarely be categorized as pornography by today's community standards. Finally, he examines the internet architectures responsible for the heteronormalization of porn: Google Safe Search and the data structures of tube sites and other porn platforms. Monea reveals the porn industry's deepest, darkest secret: porn is boring. Mainstream porn is stuck in a heteronormative filter bubble, limited to the same heteronormative tropes, tagged by the same heteronormative keywords. This heteronormativity is mirrored by the algorithms meant to filter pornographic content, increasingly filtering out all LGBTQIA+ content. Everyone suffers from this forced heteronormativity of the internet—suffering, Monea suggests, that could be alleviated by queering straightness and introducing feminism to dissipate the misogyny.

Shop Your Closet Melanie Charlton Fascitelli,2008-04-08 Just when you feared your overstuffed, eyesore of a closet was a lost cause, here's the antidote to all your closet woes. Closet expert and style maven Melanie Charlton Fascitelli is here to help you whip your closet into shape, refreshing your wardrobe and saving you time along the way. With this accessible, stylish guide, you'll find out how to redo your closet and organize your clothes so that you can, yes, go shopping there—sort through shirts, pants, skirts, dresses, scarves, and shoes, all in perfect condition and ready to go. From the first closet face-off to long-term maintenance, Charlton Fascitelli takes you step by step through the entire process of turning your closet into a safe haven for your clothes. Learn how to: Face your inner packrat and clean out your closet Shop for and pick items that flatter your body Craft the best wardrobe for your lifestyle Create space in your closet by reworking it logistically Store your clothes and shoes so they last longer Charlton Fascitelli also covers consigning or donating all your old stuff; keeping your closet clean and tidy; packing smartly and efficiently; storing your linens; and organizing other areas of your home, including your medicine cabinet, pantry, or CD collection. Clearing clutter, organizing clothes, and remaking your wardrobe has never been so easy or attainable. *Shop Your Closet* is your go-to source for closet nirvana.

Organize Your Closet Debra Melchior,1997

The House in the Closet John Green,2017-12-05 Is the house a haven or a horror? A portal to the past or portent of the future? Jason Graham and Martha Conklin, each bearing deep emotional scars from their past, embark on a fascinating and frightening journey. Seeking closure to their memories, will they find a more important mission to pursue? This is short novel spanning a very long time. A time perhaps that never was and

never will be again. Set in slightly larger than normal type, to be easily read with tired eyes, in dim light or hiding in dark alleys.

Dmitry's Closet Latrivia S. Nelson,2009 Orphaned virgin Royal Stone is looking for employment in one of the country's toughest recessions. What she finds is the seven-foot, blond millionaire Dmitry Medlov, who offers her a job as the manager of his new boutique. What she does not know is that her knight in shining armor is also the head of the Medlov Organized Crime Family.

The Skeleton in the Closet Chad Shea,Danielle Beu,2014-08-01 The Skeleton in the Closet (tm) is a special Halloween visitor that awakens each year to monitor your Halloween spirit with their own tricks and 'treats. Epistemology of the Closet Eve Kosofsky Sedgwick,1990 Looks at the central importance of the homosexual/heterosexual dichotomy in the Western culture of the last century, in particular by a series of provocative readings of Melville, Wilde, James and Proust. A book of both political and literary importance.

Come Out of the Closet Rollin W. Coyle,1956

Shelves, Closets and Cabinets Peter Jones,1987 An indispensable guide to the art of designing, building and finishing a comprehensive range of storage units.

Sara Berman's Closet Maira Kalman,Alex Kalman,2018-12-04 Maira Kalman, the author of the bestsellers *The Principles of Uncertainty* and *The Elements of Style*, and Alex Kalman, the designer, curator, writer, and founder of Mmuseumm, combine their talents in this captivating family memoir, a creative blend of narrative and striking visuals that is a paean to an exceptional woman and a celebration of individuality, personal expression, and the art of living authentically. In the early 1950s, Jewish émigré Sara Berman arrived in the Bronx with her husband and two young daughters. When the children were grown, she and her husband returned to Israel, but Sara did not stay for long. In the late 1960s, at age sixty, she left her husband after thirty-eight years of marriage. One night, she packed a single suitcase and returned alone to New York City, moving into a studio apartment in Greenwich Village near her family. In her new home, Sara began discovering new things and establishing new rituals, from watching Jeopardy each night at 7:00 to eating pizza at the Museum of Modern Art's cafeteria every Wednesday. She also began discarding the unnecessary, according to the Kalmans: in a burst of personal expression, she decided to wear only white. Sara kept her belongings in an extraordinarily clean and organized closet. Filled with elegant, minimalist, heavily starched, impeccably pressed and folded all-white clothing, including socks and undergarments, as well as carefully selected objects—from a potato grater to her signature perfume, Chanel No.19—the space was sublime. Upon her death in 2004, her family decided to preserve its pristine contents, hoping to find a way to exhibit them one day. In 2015, the Mmuseumm, a new type of museum located in a series of unexpected locations founded and curated by Sara's grandson, Alex Kalman, recreated the space in a popular exhibit—Sara Berman's Closet—in Tribeca. The installation eventually moved to the Metropolitan Museum of Art, and in spring 2019, will become an outdoor monument to independence at the National Museum of American Jewish History on Independence Mall in Philadelphia. Inspired by the exhibit, this spectacular illustrated memoir, packed with family photographs, exclusive images, and Maira Kalman's distinctive paintings, is an ode to Sara's life, freedom, and re-invention. Sara Berman's Closet is an indelible portrait of the human experience—overcoming hardship, taking risks, experiencing joy, enduring loss. It is also a reminder of the significance of the seemingly insignificant moments in our lives—the moments we take for granted that may turn out to be the sweetest. Filled with a daughter and grandson's wry and touching observations conveyed in Maira's signature script, Sara Berman's Closet is a beautiful, loving tribute to one woman's indomitable spirit.

The Glass Closet John Browne,2015-06-11 Drawing on author's personal experiences and the experience of other gay and lesbian business leaders, and by investigating the research and the social contexts, this book strives to give courage and inspire the LGBT community that despite the risks involved, self-disclosure is best for employees and for the businesses that support them.

Black & Decker Build Your Own Custom Closet Gillett Cole,2007-08-15 There's almost nothing in the modern home that can delight us more than an intelligently organized, nicely featured closet—a place where things are organized in pleasing geometry, here we can find and retrieve that perfect tie or that just-right sweater, instantly. And there's nothing more disheartening and irritating than that murky closet from the netherworld, where boxes tumble down on our heads whenever the door opens, where the sheer clutter makes it impossible to identify what's inside, much less retrieve the item you need. Consumer desperation is why entire companies have sprung up devoted to closet organizing—it's the reason homeowners sometimes spend literally thousands of dollars to have a custom closet organizer designed and installed. Or, they can buy this book and do it themselves for a fraction of the cost. Today, virtually all the materials and hardware used by custom closet fabricators is available to consumers on the racks of home centers and hardware stores. *Build Your Own Custom Closet* is the first book to show consumers all the inside tips on designing a custom closet, and how to install it using materials they can buy themselves. This is the book that will lift readers from closet purgatory into the heaven of the well-organized closet—without selling their souls.

This is likewise one of the factors by obtaining the soft documents of this **Closet** by online. You might not require more time to spend to go to the ebook launch as skillfully as search for them.
