Unlocking the Clubhouse Jane Margolis, Allan Fisher, 2003-02-28 Understanding and overcoming the gender gap in computer science education. The information technology revolution is transforming almost every aspect of society, but girls and women are largely out of the loop. Although women surf the Web in equal numbers to men and make a majority of online purchases, few are involved in the design and creation of new technology. It is mostly men whose perspectives and priorities inform the development of computing innovations and who reap the lion's share of the financial rewards. As only a small fraction of high school and college computer science students are female, the field is likely to remain a male clubhouse, absent major changes. In *Unlocking the Clubhouse*, social scientist Jane Margolis and computer scientist and educator Allan Fisher examine the many influences contributing to the gender gap in computing. The book is based on interviews with more than 100 computer science students of both sexes from Carnegie Mellon University, a major center of computer science research, over a period of four years, as well as classroom observations and conversations with hundreds of college and high school faculty. The interviews capture the dynamic details of the female computing experience, from the family computer kept in a brother's bedroom to women's feelings of alienation in college computing classes. The authors investigate the familial, educational, and institutional origins of the computing gender gap. They also describe educational reforms that have made a dramatic difference at Carnegie Mellon—where the percentage of women entering the School of Computer Science rose from 7% in 1995 to 42% in 2000—and at high schools around the country.

Clubhouse Confidential Luis Castillo, William Cane, 2011-08-16 Clubhouse Confidential is the explosive, inside story of Yankees players and managers by a bat boy who saw it all You are invited to come behind the closed doors of the Yankees' clubhouse for the ride of your life in this intimate memoir about the team's recent glory years and the superstars who made it all possible. For the first time ever, Luis Squeegee Castillo, bat boy and clubbie for the Yankees from 1998 to 2005, talks about working with Derek Jeter, Andy Pettitte, Jorge Posada, Mariano Rivera, Joe Girardi, Bernie Williams, Roger Clemens, Joe Torre, and many other modern-day Yankee greats. Luis saw and heard what really happened in the privacy of the clubhouse, at parties, and in hotel rooms, bar fights, and secret meetings from Miami to St. Louis, from Detroit to Arizona, and from Toronto to New York. He even vacationed with some players and got to know them like family, discovering their pitching and hitting secrets, joining them in all-nighters, and learning their often hilarious methods of meeting girls and having fun on the road. Like a fly on the wall, Luis takes you backstage to show you how A-Rod's bragging when he hits home runs annoys teammates. Discover how manager

Joe Torre checks racing results during games. Hear what happens inside the sanctity of the clubhouse after Roger Clemens beans Mets catcher Mike Piazza and then-a few months later during the 2000 World Series-throws a bat at him. Find out how Mariano Rivera eats junk food during games, why Posada routinely fights with El Duque, what Jeter is really saying to players on other teams as he rounds the bases, and so much more. Everyone knows what happened on the field. Now pull up a chair and enjoy the secret stories that only Luis can tell about what really happened behind the scenes-and why.

The Best Clubhouse Ever Sharon Bomgaars, 2009-07 A train came through our

lines just below us. There were some demolition people from Regimental Headquarters Company who blew out a section of the outer rail. When the next train tried to come through, it derailed at the blown out track. This caused a lot of machine gun fire from that train, but they were firing blindly for we had not given ourselves away by firing back. When daylight came, it also was foggy. A lot of the people were wandering around the countryside. Most of them were German army women. All were dressed alike. The blouses were dark orange color and the skirts were brown. They were a sorry looking lot, sullen, tired and unhappy.

The Clubhouse Chronicles EMU-TCHC, 2018-11-30 THE CLUBHOUSE CHRONICLES (The Clubgoer's Handbook) is a book that reveals the untold stories about the events that happen within the clubhouse walls (dance clubs, pubs, regular bars, and strip bars). It uncovers the behavior and the patterns by which ordinary people, the working and nonworking classes operate under the influence of money, alcohol, drugs, and their emotions in reaction to the opposite sex. In fact, it is an unbelievable phenomenon. And as you read this book page by page, some of the observable facts will leave you grasping for more. There is no limitation to what people who are under the influence of alcohol, drugs, or sexist emotions can say or/and do. Sometimes their words are just not enough; their temperament speaks for them, good or bad. It doesn't matter. The effects of the alcohol or drugs or emotions kick in, and the act is turned on. "Woo! Woo! Woo!" some might say while reading this book. "No way! This is crazy," others may perhaps verbalize. And after reading this book, whether or not you believe in the particular revelation isn't what is important. What is important is the fact that these events even existed. <https://twitter.com/@clubhousechron> clubhousechronicle@yahoo.com
