David Bianculli

**Stand-Up Comedy** Judy Carter, 2010-03-03 If you think you're funny, buy this book! Whether you dream of becoming a star . . . A better public speaker . . . A more effective communicator . . . A funnier, happier human being . . . You can learn to leave 'em laughing! David Letterman learned to do it. Jay Leno learned to do it. Roseanne Barr learned to do it. So can you! Now successful stand-up comic Judy Carter—who went from teaching high school to performing in Las Vegas, Atlantic City, Lake Tahoe, and on over 45 major TV shows—gives you the same hands-on, step-by-step instruction she's taught to students in her comedy workshops. She shows you how to do it: create an act, perform it, make money with it, or apply it to everyday life. Discover:

- The formulas for creating comedy material
- How to find your own style
- The three steps to putting your act together
- Rehearsal do's and don'ts
- What to do if you bomb
- Ways to punch up your everyday life with humor

**The Comedy Bible** Judy Carter, 2010-05-04 Judy Carter, guru to aspiring comedy writers and stand-up comics, tells all about the biz of being funny and writing funny in this bright, entertaining, and totally practical guide on how to draw humor from your life and turn it into a career. Do you think you're funny? Do you want to turn

your sense of humor into a career? If the answer is yes, then Judy Carter's *The Comedy Bible* is for you. The guru to aspiring stand-up comics provides the complete scoop on being—and writing—funny for money. If you've got a sense of humor, you can learn to make a career out of comedy, says Judy Carter. Whether it's creating a killer stand-up act, writing a spec sitcom, or providing jokes for radio or one-liners for greeting cards, Carter provides step-by-step instructions in *The Comedy Bible*. She helps readers first determine which genre of comedy writing or performing suits them best and then directs them in developing, refining, and selling their work. Using the hands-on workbook format that was so effective in her bestselling first book, *Stand-Up Comedy: The Book*, Carter offers a series of day-by-day exercises that draw on her many years as a successful stand-up comic and the head of a nationally known comedy school. Also included are practical tips and advice from today's top comedy professionals—from Bernie Brillstein to Christopher Titus to Richard Lewis. She presents the pros and cons of the various comedy fields—stand-up, script, speech and joke writing, one-person shows, humor essays—and shows how to tailor your material for each. She teaches how to find your “authentic” voice—the true source of comedy. And, perhaps

most important, Carter explains how to take a finished product to the next level—making money—by pitching it to a buyer and negotiating a contract. Written in Carter’s unique, take-no-prisoners voice, *The Comedy Bible* is practical, inspirational, and funny.

**Sicker in the Head** Judd Apatow, 2022-03-29 NEW YORK TIMES BESTSELLER • An all-new collection of honest, hilarious, and enlightening conversations with some of the most exciting names in comedy—from lifelong comedy nerd Judd Apatow. “When I need to read an interview with a comedian while in the bathroom, I always turn to Judd Apatow for deeply personal insights into the comedic mind. Place one on your toilet today.”—Amy Schumer

**ONE OF THE BEST BOOKS OF THE YEAR:** *Vulture* No one knows comedy like Judd Apatow. From interviewing the biggest comics of the day for his high school radio show to performing stand-up in L.A. dive bars with his roommate Adam Sandler, to writing and directing *Knocked Up* and producing *Freaky and Geeks*, Apatow has always lived, breathed, and dreamed comedy. In this all-new collection of interviews, the follow-up to the New York Times bestselling *Sick in the Head*, Apatow sits down with comedy legends such as David Letterman, Whoopi Goldberg, and Will Ferrell, as well as the writers and performers who are pushing

comedy to the limits, and defining a new era of laughter: John Mulaney, Hannah Gadsby, Bowen Yang, Amber Ruffin, Pete Davidson, and others. In intimate and hilariously honest conversations, they discuss what got them into comedy, and what—despite personal and national traumas—keeps them going. Together, they talk about staying up too late to watch late-night comedy, what kind of nerds they were high school, and the right amount of delusional self-confidence one needs to “make it” in the industry. Like eavesdropping on lifelong friends, these pages expose the existential questions that plague even the funniest and most talented among us: Why make people laugh while the world is in crisis? What ugly, uncomfortable truths about our society—and ourselves—can comedy reveal? Along the way, these comics reminisce about those who helped them on their journey—from early success through failure and rejection, and back again—even as they look ahead to the future of comedy and Hollywood in a hyper-connected, overstimulated world. With his trademark insight, curiosity, and irrepressible sense of humor, Apatow explores the nature of creativity, professional ambition, and vulnerability in an ever-evolving cultural landscape, and how our favorite comics are able to keep us laughing along the way.

**Funny Business** Sol Saks,1991 A must read for writers interested in the field of screenwriting for film and television.

The Comic Offense from Vaudeville to Contemporary Comedy  
Rick DesRochers,2014-07-31 The Comic Offense from Vaudeville to Contemporary Comedy examines how contemporary writer/performers are influenced by the comedic vaudevillians of the early 20th century. By tracing the history and legacy of the vaudeville era and performance acts, like the Marx Brothers and The Three Keatons, and moving through the silent and early sound films of the early 1930s, the author looks at how comic writer/performers continue to sell a brand of themselves as a form of social commentary in order to confront and dispel stereotypes of race, class, and gender. The first study to explore contemporary popular comic culture and its influence on American society from this unique perspective, Rick DesRochers analyzes stand-up and improvisational comedy writing/performing in the work of Larry David, Tina Fey, Stephen Colbert, and Dave Chappelle. He grounds these choices by examining their evolution as they developed signature characters and sketches for their respective shows Curb Your Enthusiasm, 30 Rock, The Colbert Report, and Chappelle's Show.

The Laughing Stalk Judy Batalion, 2011-12-15 With

contributions by leading scholars, writers and comedians in the USA, the UK and Canada, *The Laughing Stalk: Live Comedy and Its Audiences* focuses on the dynamics of audience behavior. Performers, writers, historians, producers, and theorists explore the practice and reception of live comedy performance, including cultural and historical variations in comedy audience conduct, the reception of “low” versus “high” comedy, and the differences between televised and live jokes. Contributors reflect on the subjectivity of audience members and the spread of affect, as well as the two-way relationship between joker and listener. They investigate race, sexuality and gender in humor, and contemplate the comedy club as a distinct spatial and emotional environment. *The Laughing Stalk: Live Comedy and Its Audiences* includes excerpts and scripts from Michael Frayne’s *Audience* and Andrea Fraser’s *Inaugural Speech*. Judy Batalion interviews noted comic writers, performers, and theater designers, including Iain Mackintosh, Shazia Mirza, Julia Chamberlain, Scott Jacobson, and Andrea Fraser. Sarah Boyes contributes a short photographic essay on comedy clubbers. Essay contributors include Alice Rayner, Matthew Daube, Lesley Harbidge, Gavin Butt, Diana

Solomon, Rebecca Krefting, Kevin McCarron, Nile Seguin, Elizabeth Klaver, Frances Gray, AL Kennedy, Kéline Gotman, and Samuel Godin. The comedy duo of Sable & Batalion share their conclusions about audience responses to hip-hop theater.

The Improv Budd Friedman, Tripp Whetsell, 2017-09-19

Featured in the New York Times 2017 Holiday Gift Guide for Hardcover Fans Get an insider's oral history of the World's most iconic comedy club, featuring exclusive interviews with today's most hilarious stars recalling their time on stage (and off) at the Improv. In 1963, 30-year-old Budd Friedman—who had recently quit his job as a Boston advertising executive and returned to New York to become a theatrical producer—opened a coffee house for Broadway performers called the Improvisation. Later shortened to the Improv, its first seedy West 44th Street location initially attracted the likes of Judy Garland, Liza Minnelli, Albert Finney, and Jason Robards, as well as a couple of then-unknowns named Dustin Hoffman and Bette Midler. While it drew near-capacity crowds almost from day one, it wasn't until comedians began dropping by to try out new material that the Improv truly hit its stride. The club became the first venue to present live stand-up in a continuous format, and in the process reinvented the art form

and created the template for all other comedy clubs that followed. From the microphone to the iconic brick wall, the Improv has been the launching pad for practically every major name in American comedy over the last five-plus decades. Now, in *The Improv*, Friedman, along with a Who's Who of his most famous alumni—including Jay Leno, Jerry Seinfeld, Jimmy Fallon, Larry David, Billy Crystal, Lily Tomlin, Judd Apatow, Al Franken, Paul Reiser, Howie Mandel, Bob Saget, Drew Carey, and many more—tell it like it was in the first-ever oral history of how this game-changing comedy club came to be. *The Improv* gives readers an exclusive look at what really happened onstage and off-mic at one of America's most venerable institutions.

*The Funniest Decade: A Celebration of American Comedy in the 1930s* Garry Berman, Author Garry Berman gives readers a history lesson in comparing and overlapping the mediums of radio artists and film comedies during the decade of the 1930s. In doing so, he has not only created a new format, he has brought in fresh perspectives of the people that made the magic. – Bill Cassara, author of *Nobody's Stoooge* and *Edgar Kennedy: Master of the Slow Burn*. “It is a thorough and fascinating study, filled with interesting details.” – James Neibaur, author of *Arbuckle & Keaton*

and The Charley Chase Talkies. “Garry Berman has done a stellar job.” – Michelle Morgan, author of *The Ice Cream Blonde: The Whirlwind Life and Mysterious Death of Screwball Comedienne Thelma Todd*. If there was ever a “Golden Decade” of American comedy, it was the 1930s. At the dawn of that remarkable, laugh-filled era, comedians had, for the first time, three performing venues available to them: the stage, radio, and talking films (plus, in the final year of the decade, the arrival of television), resulting in this ten-year span producing the finest performances by the greatest comedians ever to make audiences laugh. In film, comedy titans Laurel & Hardy, The Marx Brothers, and W. C. Fields all reached their creative peaks, as did Mae West, Our Gang (a.k.a. The Little Rascals), the Three Stooges, and less-remembered teams such as Wheeler & Woolsey, Clark & McCullough, and the Ritz Brothers. At the same time, radio became a major entertainment force, allowing vaudevillians Jack Benny, Eddie Cantor, Fred Allen, Ed Wynn, George Burns & Gracie Allen, Edgar Bergen, Bob Hope, and Abbott & Costello to become national stars. On the stage, comedians including Bert Lahr, Fannie Brice, Jimmy Durante, and Wynn all thrived, while expanding their respective careers into films and radio. The Funniest Decade

devotes one chapter to each calendar year of the 1930s, covering the landmark comedy films, radio programs, and stage performances of each year, while focusing on the individual comedians and comedy teams at key moments in their professional careers, including their first major creative and popular breakthroughs. Dozens of photos, too! Entertainment historian Garry Berman has been writing about pop culture-especially television, music, and films-for over twenty years. He has contributed to Nostalgia Digest magazine, History magazine, and Beatlefan. He has also written and/or published several comedy scripts and humorous short pieces. This is his sixth non-fiction book.

Comedy: A Very Short Introduction Matthew Bevis, 2012-12-20

With a broad scope across the millennia, from high literature to popular culture, between page and stage and screen, this Very Short Introduction considers comedy not only as a literary genre, but also as a broader impulse at work in many other historical and contemporary forms of satire, parody, and play.

Screwball Comedy and Film Noir Thomas C. Renzi, 2012-01-27

This is a comprehensive comparative analysis of the screwball comedy and film noir genres--two popular Hollywood staples that

emerged around the same time. Despite their contrast in tone and theme, Screwball and Noir have many narrative elements in common. The author defines the two genres, discusses their historical development and inter-related conventions, and offers detailed comparative analyses of a number of films, among them *The Lady Eve* and *His Girl Friday* (screwballs), and *Gilda* and *Sunset Blvd.* (noirs).

*Get Started in Stand-Up Comedy* Logan Murray, 2015-03-26  
LEARN HOW TO WRITE AND PERFORM STAND UP COMEDY.  
A new edition of *Be A Great Stand-Up*, now fully revised and updated with new material on setting up and running a comedy night and mining almost any subject for jokes. Logan Murray has successfully taught the techniques of stand-up comedy to thousands, and in this book he distills his years of experience into the essential skills for a great and enjoyable performance. He will help you find your creative streak and your funny side, build the confidence to deliver, and explain the finer details of stagecraft, from dealing with hecklers to coping with props. There is a full guide to the practicalities, from finding gigs to securing an agent, with plenty of valuable hints, tips and advice. Drawing on Logan's years of teaching and his own successful stand-up career, with top

tips from some of the most well-known people in the business, it is guaranteed to bring a smile to both your face and that of your future audience. As well as full updates throughout the book, this new edition contains fresh material on how to set up and run a comedy night, mine any subject for jokes and advice on festivals.

**ABOUT THE SERIES** The Teach Yourself Creative Writing series helps aspiring authors tell their story. Covering a range of genres from science fiction and romantic novels, to illustrated children's books and comedy, this series is packed with advice, exercises and tips for unlocking creativity and improving your writing. And because we know how daunting the blank page can be, we set up the Just Write online community at [tyjustwrite](http://tyjustwrite.com), for budding authors and successful writers to connect and share.

**Screwball Comedy** Wes D. Gehring, 1986-02-21

**Dangerously Funny** David Bianculli, 2009-12-01 An unprecedented behind-the-scenes look at the rise and fall of The Smothers Brothers Comedy Hour -- the provocative, politically charged program that shocked the censors, outraged the White House, and forever changed the face of television. Decades before The Daily Show, The Smothers Brothers Comedy Hour proved there was a place on television for no-holds-barred political comedy

with a decidedly antiauthoritarian point of view. In this first-ever all-access history of the show, veteran entertainment journalist David Bianculli tells the fascinating story of its three-year network run -- and the cultural impact that's still being felt today. Before it was suddenly removed from the CBS lineup (reportedly under pressure from the Nixon administration), The Smothers Brothers Comedy Hour was a ratings powerhouse. It helped launch the careers of comedy legends such as Steve Martin and Rob Reiner, featured groundbreaking musical acts like the Beatles and the Who, and served as a cultural touchstone for the antiwar movement of the late 1960s. Drawing on extensive original interviews with Tom and Dick Smothers and dozens of other key players -- as well as more than a decade's worth of original research -- Dangerously Funny brings readers behind the scenes for all the battles over censorship, mind-blowing musical performances, and unforgettable sketches that defined the show and its era. David Bianculli delves deep into this never-told story, to find out what really happened and to reveal why this show remains so significant to this day.

Depression the Comedy Jessica Holmes, 2019-04-30

Comedian Jessica Holmes shares her life with depression.

**Comedy Comes Clean** ,1996 Including a hilarious collection of

quotable, laugh-out-loud humor, this book covers everything from family life to job jokes to sports stories to pet problems. More than 50 voices ranging from the timeless--Bill Cosby and Bob Newhart--to the contemporary--Steven Wright and Jay Leno--to rising stars like Brad Stine and Robert G. Lee are featured.

Funny: The Book David Misch, 2012-04-01 FUNNY: THE BOOK - EVERYTHING YOU ALWAYS WANTED TO KNOW ABOUT COMEDY

All a Mistake W. Coleman Parker, 1903

*Bring the Funny* Greg DePaul, 2016-07-15 A sharp, funny book about comedy screenwriting from a successful screenwriter that uses recent – as in this century – movies you've actually seen as examples. Greg DePaul (Screenwriter, *Bride Wars*, *Saving Silverman*) has sold scripts to Miramax, Fox, Disney, New Line, Sony, MGM and Village Roadshow. He's worked with comedy stars like Jack Black, Kate Hudson, Jason Biggs and Amanda Peet. Now Greg takes everything he knows about writing comedy and breaking into the biz, tosses it into a blender and serves up this tasty, fat-free smoothie of a book that's easy to read, brutally honest, and straight from the heart ... of Hollywood. *Bring the Funny* is chock full o' tricks, strategies and insider terms used by

successful comedy screenwriters, including: Comic Justice Wrylies Genre-Bending Shadow Characters The BDR's The Two-Hander The Conceit Comedic Escalation Gapping A.I.C. Fish Outta Water The Idea Factory Really Important Comedy Screenwriting Rules Number 99 and 100 If you're looking to write funnier and better screenplays, you want this book. But if you're ready to pack up your car, drive out to L.A., and dive into a career as a comedy screenwriter, you need this book. Now. Buy it, jam it into your pocket, and hit the gas. Greg's got your back.

**The Love List** Norm Foster, 2006 In this sidesplitting and thought-provoking new comedy, Leon and Bill concoct a list of attributes of the ideal woman, but when this allegedly ideal woman arrives on the scene, the men quickly learn that their list could use a few revisions.

Comedy by the Numbers Eric Hoffman, Gary Rudoren, 2007 A comprehensive list of all comedy characters, bits, scenarios, sketches, skits, shtick, and much more - and includes special hints, tips and unboring comedy history.--Publisher's description
