**Michael G. Schechter**

The PowerShell Conference Book Mike Robbins,2018-09-12 This book is designed to be like a conference in a book where each chapter is written by a different author who is a subject matter expert on the topic covered in their chapter. Each chapter is also independent of the others so you can read one chapter, ten chapters, or all of them. You can start with the first chapter, the last one, or somewhere in-between and not miss out on anything related to that particular topic. This book is written for the intermediate to advanced audience. Prior experience with PowerShell is highly recommended.100% of the royalties from this book are donated to the PowerShell + DevOps Global Summit's OnRamp Scholarship Program. **United Nations Global Conferences** Michael G. Schechter,2005 This new book covers the origins purposes, trends and controversies of the United Nations' global conferences. There are 30 such conferences to compare, and many argue that they have not been worth the money spent on them. Others, however, suggest that they offer the only effective way to address global problems, like racism, sexism, overpopulation, environmental degradation, overfishing, urbanization, and the proliferation of small arms. This is the first comprehensive study of this key topic, delivering information essential to the ongoing debate on multilateralism, with examinations of: \* the typical structure of a conference \* description of the Global Conferences \* substantive and institutional outcomes of the conferences \* changes resulting from the conferences \* UN Conferences as mechanisms for coping with the problems of the 21st Century This book is essential reading for students of the United Nations, international organisation and global governance, as well as practitioners from non-governmental organizations.

**If I Had Two Wings: Stories** Randall Kenan,2020-08-04 Finalist for 2020 National Book Critics Circle Award in Fiction Longlisted for the 2020 National Book Award for Fiction Finalist for the 2021 Aspen Words Literary Prize Mingling the earthy with the otherworldly, these ten stories chronicle ineffable events in ordinary lives. In Kenan's fictional territory of Tims Creek, North Carolina, an old man rages in his nursing home, a parson beats up an adulterer, a rich man is haunted by a hog, and an elderly woman turns unwitting miracle worker. A retired plumber travels to Manhattan, where Billy Idol sweeps him into his entourage. An architect who lost his famous lover to AIDS reconnects with a high-school fling. Howard Hughes seeks out the woman who once cooked him butter beans. Shot through with humor and seasoned by inventiveness and maturity, Kenan riffs on appetites of all kinds, on the eerie persistence of history, and on unstoppable lovers and unexpected salvations. *If I Had Two Wings* is a rich chorus of voices and visions, dreams and prophecies, marked by physicality and spirit. Kenan's prose is nothing short of

wondrous.

The Top Books of the Year Conference The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Conference : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman

who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
