

# Connection

Roberto J. González

**Connected** Nicholas A. Christakis,James H. Fowler,2009-09-28 Celebrated scientists Nicholas Christakis and James Fowler explain the amazing power of social networks and our profound influence on one another's lives. Your colleague's husband's sister can make you fat, even if you don't know her. A happy neighbor has more impact on your happiness than a happy spouse. These startling revelations of how much we truly influence one another are revealed in the studies of Dr. Christakis and Fowler, which have repeatedly made front-page news nationwide. In *Connected*, the authors explain why emotions are contagious, how health behaviors spread, why the rich get richer, even how we find and choose our partners. Intriguing and entertaining, *Connected* overturns the notion of the individual and provides a revolutionary paradigm-that social networks influence our ideas, emotions, health, relationships, behavior, politics, and much more. It will change the way we think about every aspect of our lives.

**The Philadelphia Connection** ,2015 Philadelphia is one of America's most interesting and innovative cities for theater, rich in new theaters, new plays, and rising playwrights. This book paints a picture of the city's burgeoning scene through interviews with some of Philadelphia's most influential and successful playwrights. Featuring interviews with Bruce Graham, Michael Hollinger, Thomas Gibbons, Seth Rozin, Louis Lippa, Jules Tasca, Kimmika Williams-Witherspoon, Ed Shockley, Larry Loebell, Arden Kass, Nicholas Wardigo, Alex Dremann, Katharine Clark Gray, and Jacqueline Goldfinger, the book will be a source of inspiration for playwrights in Philadelphia and far beyond.

**Connection** Randy Olson,Dorie Barton,Brian Palermo,2013 The power and importance of storytelling is now widely accepted, but this book goes further to focus on storymaking. CONNECTION brings together a former scientist, a story consultant, and an improv actor to give you the critical thinking of science combined with a century of Hollywood knowledge in the creation and shaping of stories. The material is relevant to lawyers, politicians, public health workers, educators, activists-- everyone. In today's Twitterfied world, CONNECTION provides the narrative tools for effective communication.

*[Dis]Connected Volume 1* Amanda Lovelace,Iain S Thomas,Nikita Gill,Trista Mateer,Cyrus Parker,2018-10-01 Humanity exists in a hyper connected world, where our closest friends, loves and enemies lie but a keyboard stroke away. Few know this better than the poets who have risen to the top of their trade by sharing their emotion, opinion and art with millions of fans. What happens when... Poets connect with readers? Poets connect with each other? Poetry connects with short fiction? Combining the forces of some of today's most popular and confessional poets,[DIS]CONNECTED presents poems and short stories about connection wrapped up in a most unique exercise in creative writing. Follow along as your favorite poets connect with each other; offering their work to the next poet who tells a story based on the concept presented to them. With contributions from: Amanda Lovelace Nikita Gill Iain S. Thomas Trista Mateer Cyrus Parker R.H. Swaney Pierre Alex Jeanty Liam Ryan Yena Sharma Purmasir Canisia Lubrin Sara Bond With poetry, stories and art, [DIS]CONNECTED is a mixed media presentation of connection and collaboration. Be sure to also read [DIS]CONNECTED Volume Two.

Pocket Guide to Facilitating Human Connections Rod Lee,Chad Littlefield,2015-05-18 This incredible resource is a guide to facilitating powerful activities to create more connected and more engaged teams.

*The Connections Book* Emma Serlin,2017-08-07 This book will give people simple usable tools to improve and enrich their communication in 5 key areas, so they feel more confident and effective in meetings, presentations, interviews, social situations and can even have arguments more effectively

The Unexpected Connection Dena Levin,2019-01-15 While sitting poolside near her grandmother's West Palm Beach condo, young millennial Vanessa overhears a strange conversation: "What, you want to have phone sex?" Accustomed to little more than old folks with their card games and early bird dinners, Vanessa is shocked—but intrigued—and soon makes the acquaintance of Michelle. As it turns out, Michelle is a widow trying online dating, while Vanessa is single and still recovering from tragic loss. Their morning meetings become a comforting daily occurrence. Separated by decades in age, the two women are extremely similar in many other ways and become fast friends. For Michelle, being single, no matter what age, is a roller coaster: one can accept the excitement and unpredictability or get off the ride. Michelle has learned to embrace the ride, and she encourages Vanessa to do the same, no matter past trauma. Michelle even gifts Vanessa with her memoir, *Keep Walking*, based on her life as a widow and her baby boomer dating experience. At home in New York, Vanessa will have decisions to make as she has a new job waiting and a possible relationship in the wings. Michelle's insights and optimism change everything. Surviving life is a challenge, but to thrive, young Vanessa must find her authentic self, all with the help of a serendipitous friendship by a Florida pool. *The Unexpected Connection* is a provocative book filled with timely stories, insightful reflections, and humor that readers of all ages, gender, and personal status can relate to. As the tales are told, the reader becomes witness to the inner struggles and ultimate growth both Michelle and Vanessa experience. As with *The Dance Partner* we may love to dance but finding the right partner is a challenge. F.J. Strauss- Author, Life Coach, Professor

**Clarity & Connection** Yung Pueblo,2021-04-27 NEW YORK TIMES BESTSELLER From the celebrated author of *Inward* comes the second in series, a collection of poetry and short prose focused on understanding how past wounds impact our present relationships. In *Clarity & Connection*, Yung Pueblo describes how intense emotions accumulate in our subconscious and condition us to act and react in certain ways. In his characteristically spare, poetic style, he guides readers through the excavation and release of the past that is required for growth. To be read on its own or as a complement to *Inward*, Yung Pueblo's second work is a powerful resource for those invested in the work of personal transformation, building self-awareness, and deepening their connection with others.

**Together** Vivek H. Murthy, M.D.,2020-04-07 The book we need NOW to avoid a social recession, Murthy's prescient message is about the importance of human connection, the hidden impact of loneliness on our health, and the social power of community. Humans are social creatures: In this simple and obvious fact lies both the problem and the solution to the current crisis of loneliness. In his groundbreaking book, the 19th surgeon general of the United States Dr. Vivek Murthy makes a case for loneliness as a public health concern: a root cause and contributor to many of the epidemics sweeping the world today from alcohol and drug addiction to violence to depression and anxiety. Loneliness, he argues, is affecting not only our health, but also how our children experience school, how we perform in the workplace, and the sense of division and polarization in our society. But, at the center of our loneliness is our innate desire to connect. We have evolved to participate in community, to forge lasting bonds with others, to help one another, and to share life experiences. We are, simply, better together. The lessons in *Together* have immediate relevance and application. These four key strategies will help us not only to weather this crisis, but also to heal our social world far into the future. Spend time each day with those you love. Devote at least 15 minutes each day to connecting with those you most care about. Focus on each other. Forget about multitasking and give the other person the gift of your full attention, making eye contact, if possible, and genuinely listening. Embrace solitude. The first step toward building stronger connections with others is to build a stronger connection with oneself. Meditation, prayer, art, music, and time spent outdoors can all be sources of solitary comfort and joy. Help and be helped. Service is a form of human connection that reminds us of our value and purpose in life. Checking on a

neighbor, seeking advice, even just offering a smile to a stranger six feet away, all can make us stronger. During Murthy’s tenure as Surgeon General and during the research for Together, he found that there were few issues that elicited as much enthusiastic interest from both very conservative and very liberal members of Congress, from young and old people, or from urban and rural residents alike. Loneliness was something so many people have known themselves or have seen in the people around them. In the book, Murthy also shares his own deeply personal experiences with the subject--from struggling with loneliness in school, to the devastating loss of his uncle who succumbed to his own loneliness, as well as the important example of community and connection that his parents modeled. Simply, it’s a universal condition that affects all of us directly or through the people we love—now more than ever.

*The Scorsese Connection* Lesley Stern,1995 This account of Martin Scorsese's films explores 2 main avenues: the way Scorsese remakes other movies (Raging Bull replays The Red Shoes and Taxi Driver as a resurgence of The Searchers); and the way viewers absorb and relate to films.

**Connections** James Burke,1978-01-01

The Book of Nature Connection Jacob Rodenburg,2022-04-19 Unplug from technology and plug in to nature through the wonder of your senses. The Book of Nature Connection is packed with fun activities for using all our senses to engage with nature in a deep and nourishing way. From extend-a-ears and acorn whistles to bird calls, camouflage games, and scent scavenger hunts, enjoy over 70 diverse, engaging, sensory activities for all ages that promote mindfulness and nature connection. With activities grouped by the main senses – hearing, sight, smell, touch, and taste – plus sensory walks and group games, The Book of Nature Connection is both a powerful learning tool kit and the cure for sensory anesthesia brought on by screen time and lives lived indoors. Whisper in birds, be dazzled by nature's kaleidoscope of colors, taste the freshness of each season, learn to savor the scented world of evergreens, hug a tree and feel the bark against your cheek. Spending time in nature with all senses tuned and primed helps us feel like we belong to the natural world – and in belonging, we come to feel more connected, nourished, and alive. Ideal for educators, camp and youth leaders, caregivers and parents, and anyone looking to reconnect and become a nature sommelier! AWARDS GOLD | 2023 Nautilus Book Awards | Special Honors: Educational Guidebooks SILVER | 2023 IPPY Awards: Nature SILVER | 35th IBPA Benjamin Franklin Book Awards: Nature & Environment

**The Animal Connection: A New Perspective on What Makes Us Human** Pat Shipman,2011-06-13 A bold, illuminating new take on the love of animals that drove human evolution. Why do humans all over the world take in and nurture other animals? This behavior might seem maladaptive—after all, every mouthful given to another species is one that you cannot eat—but in this heartening new study, acclaimed anthropologist Pat Shipman reveals that our propensity to domesticate and care for other animals is in fact among our species' greatest strengths. For the last 2.6 million years, Shipman explains, humans who coexisted with animals enjoyed definite adaptive and cultural advantages. To illustrate this point, Shipman gives us a tour of the milestones in human civilization—from agriculture to art and even language—and describes how we reached each stage through our unique relationship with other animals. The Animal Connection reaffirms our love of animals as something both innate and distinctly human, revealing that the process of domestication not only changed animals but had a resounding impact on us as well.

**The Dance of Connection** Harriet Lerner,2009-10-13 Bestselling author Harriet Lerner focuses on the challenge and the importance of being able to express one's authentic voice in intimate relationships. The key problem in relationships, particularly over time, is that people begin to lose their voice. Despite decades of assertiveness training and lots of good advice about communicating with clarity, timing, and tact, women and men find that their greatest complaints in marriage and other intimate relationships are that they are not being heard, that they cannot affect the other person, that fights go nowhere, that conflict brings only pain. Although an intimate, long-term relationship offers the greatest possibilities for knowing the other person and being known, these relationships are also fertile ground for silence and frustration when it comes to articulating a true self. And yet giving voice to this self is at the center of having both a relationship and a self. Much as she did in THE MOTHER DANCE, Lerner will approach this rich subject with tales from her personal life and clinical work, inspiring and teaching readers to speak their own truths to the most important people in their lives.

**Discovering Connection** Teresa Ferguson,Bruce Walker,Joyce Walker,David Ferguson,2020-06-23 Discovering Connection is the first step in your journey toward deeper connection with God and other people. Seventy percent of adults report feeling lonely much of the time. In spite of being around people, many of us long for greater connection and more meaningful relationships. God has created us to need deep connection with him and others,but many of us don't know how to create those connections. This practical resource shows you how!

*The Connection* Romona Kolma,2022-06-10 The Lord wants a connection with His people. He doesn't want us to do the work completely on our own, He doesn't want us to move ahead of him, and He does not want us to lag behind. He wants our cooperation in completing the work He has begun in us. When we lose our focus on Him and we try to fix the problem ourselves or we cannot see when He will fulfill His promise to us, so we move ahead of Him, thinking we are helping. All of a sudden we find ourselves in the middle of disasters, confusion, and bewilderment. It is at those very times when we let go that He then will reach down and pull us up. He can and will connect us back to Him when we let go of our plans and allow His plans to shine through you. It's our willingness to surrender ourselves for His purposes. This is a statement I read that sums it all up: The Lord has a great work to be done, and He will bequeath the most in the future life to those who do the most faithful, willing service in the present life. The Lord chooses His own agents, and each day under different circumstances, He gives them a trial in His plan of operation. In each truehearted endeavor to work out His plan, He chooses His agents, not because they are perfect but because, through a connection with Him, they may gain perfection. (BLJ 277.2)

**Craving Connection** (in)courage,2017-01-10 Craving Connection: 30 Challenges for Real Life Engagement is a journey with (in)courage writers sharing real-life stories, practical Scripture application, and connection challenges to deepen the reader's understanding of Scripture in order to invest in the people and community around them.

**The Christmas Connection** Karyn Lukasek,2016-06-15 The story of Jesus birth comes to life in this retelling from Luke 2.

**Connected** Roberto J. González,2020-08-10 This is the true story of how, against all odds, a remote Mexican pueblo built its own autonomous cell phone network—without help from telecom companies or the government. Anthropologist Roberto J. González paints a vivid and nuanced picture of life in a Oaxaca mountain village and the collective tribulation, triumph, and tragedy the community experienced in pursuit of getting connected. In doing so, this book captures the challenges and contradictions facing Mexico's indigenous peoples today, as they struggle to wire themselves into the 21st century using mobile technologies, ingenuity, and sheer determination. It also holds a broader lesson about the great paradox of the digital age, by exploring how constant connection through virtual worlds can hinder our ability to communicate with those around us.

**The Mind-Beauty Connection** Amy Wechsler,2008-10-07 It's not your age that's causing half of those lines and crinkles. It's your life. Now, Amy Wechsler, MD shows you how to de-stress your skin and take years -- years -- off your face. In 9 days. Liking the way you look is vital to your health and happiness. But that's not easy when life runs at warp speed -- you're simultaneously coping with ever-increasing demands: dependent kids, aging parents, or both; shopping; cooking; laundry; money pressures; and more, more, more. Good bet you're superstressed, tightly wound, sleep-deprived -- and it shows. Sure, but your thirties you've accumulated the first signs of normal aging: crow's feet, a bit of sag, some broken capillaries. But stress aging -- how the madness of

modern life affects your physical features inside and out -- is today's biggest skin and health challenge. Happily, stress aging is very reversible. And it takes only a few days. While you may never be able to totally turn off all the pressure (if only!), Dr. Wechsler has plenty of combination strategies -- from her own favorite stress buster to her number one wrinkle reverser -- to help you turn back the aging effects of tension and time. She'll also teach you how to slow down and, to some degree, reverse the natural aging process. This is your guide to feeling, looking, and living young. In her book, she shows you how to: Find out your SkinAge with a groundbreaking test that reveals how old (or young!) you really book Personalize a 9-day renewal plan that's right for your face, wallet, and psyche Understand the different cosmetic procedures and products available today Adopt a mind-beauty regimen that will keep your skin -- correction: your whole body -- looking and feeling terrific -- not just for now, but for life. The mind-beauty connection is powerful and can dramatically affect how well -- and how fast -- you age. The rewards for soling it go far beyond a quick fix. They're transforming. You'll not only look better, you'll also sleep better, feel better, and likely lose unwanted weight as you begin to feel healthier, less stress, and more alive. Ready for a whole new you? Open this book and let's start!

Connection Introduction

In the digital age, access to information has become easier than ever before. The ability to download Connection has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Connection has opened up a world of possibilities. Downloading Connection provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Connection has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Connection. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the

world. However, it is essential to be cautious while downloading Connection. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Connection, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Connection has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Connection Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Connection is one of the best book in our library for free trial. We provide copy of Connection in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Connection. Where to download Connection online for free? Are you looking for Connection PDF? This is definitely going to save you time and cash in something you should think about.
