CORKY LEE

📖 [La Finca Corky Parker](#), 2021-01-26 At age forty, Parker surrendered to her Swept Away meets Swiss Family Robinson fantasy of running an inn far from her home in the Pacific Northwest. For the next twenty-plus years Parker ran La Finca Caribe, an eco-lodge in Vieques, Puerto Rico. What started as a rough-and-tumble dream grew into a paradise enjoyed by guests from around the world. Sketchbook in hand, Parker chronicled her daily adventures living with the land. La Finca is a lively graphic memoir about a woman creating a new life amid countless challenges, including hurricanes that led her to reconsider everything. It is a story about trusting oneself, self-discovery, accepting disappointment and loss, and falling in love with a place.

📖 [Corky P. G. Kittrell](#), 2021-09-15 Teri has established a very unique friendship with her pet, an African Gray Parrot, by the name of Corky. On one of his flight times outside the home, he witnessed a murder. He helps law enforcement by testifying in court. This news worthy event attracts the FBI who solicit his help for a case they are working on in conjunction with the CIA. This case takes Corky back to Kenya where he is from. Now he has the chance to stay where he was born.

📖 [Corky Bonner](#) John J. Tomashek, 2013-11-01 What does a guy do when he tries to flush his life down the toilet and the plumbing gets jammed? Brian Corcoran Corky Bonner was a precocious child; as a teen, he has been a happy high school student who has achieved success as an athlete, musician, and writer. But during his senior year, everything changes. A crippling series of tragedies some caused by fate, others by malice brings Corky to his knees. Overwhelmed by misfortunes and the sudden death of Mark, his life twin and soul mate, Corky's life quickly spins out of control. Lacking support from his parents and community, his suffering culminates in a serious but failed suicide attempt. Now, a few months shy of his eighteenth birthday, Corky must essentially start his life over. As a freshman at university, Corky struggles, dragged down by the need to stay afloat in the wake of tragedy. Along the way, he needs help some of which he finds himself, while other help finds him. Corky must decide how to build his life anew, choosing those parts of his past that he wants to preserve and others he needs to discard. Can he find the strength to confront the ghosts of his past, the prejudices of his present, and the doubts of his future?

📖 [Corky's Story](#) Christopher Meehan, 2008-11-10 Corky Cunningham is a former U.S. Olympic hockey team hopeful and now works as a journalist at the World in Chicago. As a rookie reporter, she is sent to cover a fire at a building in inner city Chicago. She finds out that the building houses an incinerator used to burn the bodies of dogs that have been used in medical research. So after, she is part of the reporting team sent to cover a bombing at the Sears Tower. Later, she is on hand when one of the bombers blows himself up in Grant Park. With the help of a Chicago cop and a seasoned reporter from her paper, the World, Corky learns that terrorists trying to stop a doctor from using embryos to make a genetic medicine are the source of all of the mayhem.

By: Jerry Leichtling & Arlene Sarnier “Corky Hale is a rare American treasure, someone whose activism came of age during the Civil Rights movement and whose entertainment career has continued to surge since Hollywood’s Golden Age.” -Eric Garcetti, Mayor of Los Angeles “Corky has long been one of the most underrated artists on the entire music scene. She is a treat not to be missed” -Leonard Feather “Corky is one of a kind. She’s a character with a heart of gold. Smart, empathetic, generous and supportive of her friends beyond the call.” -Sally Kellerman “Talent, passion, commitment, joy; Corky combines them all like no one else.” -Jason Alexander “Corky is the embodiment of passion and dedication. She’s always true to her values, and that takes courage.” -Nancy Keenan, former-President NARAL-Pro Choice America “Corky Hale plays so beautifully that her performances set the standard” -Tony Bennett “Corky Hale is one of the most uniquely energetic and extraordinary people I know.” -Former Speaker of the House, Nancy Pelosi “We wanted to open a clinic in Los Angeles in 1999-2000. I knew I could count on Corky and she came through instantly. She’s one of a kind.” -Gloria Feldt, Past National President of Planned Parenthood “...she’s been more fun than anyone I’ve ever known. This long overdue book is wild, funny and outrageous – just like Corky.” -Dyan Cannon

📖 [Addison the Light Catcher](#) Courtney Kotloski, 2018-06-21 Listen to Addison tell the story of her super-duper light catcher. She made it when her brother with special needs was born to catch his light and share it with the world. This story about love, admiration and the special bond between siblings sheds light on the power of advocacy and the magic inside of everyone.

📖 [Corky and the Brothers Cool](#) P. J. Petersen, 1985 Thirteen-year-old Tim has never known anyone like Corky, a boy from the city who has just moved to Tim’s small town in the California wine country, but Corky’s practical jokes and pranks lead Tim into some uncomfortable situations.

📖 [In Search of Corky](#) Paul J. Greenhalgh, Jr., 2008-10-01 Corky lured me into his story of fame, addiction, lies and discovery of the only true path to freedom. In our world, athletes are idols someone whom followers desire what they have. What we desperately need is heroes someone we want to emulate. The transition, idol to hero, is a common challenge for all addicts. Each of us battles his own addictions; destructive behaviors that we cannot control. Addiction is loss of self. This is the story of Corky’s pain and acceptance by the One source of hope. If ever a life appeared wasted, it was Corky’s during the eighteen months I knew him. As a teenager in Newark, he perfected a deadly jump shot. His skill carried him to the Pistons and the Lakers. But first, he spent endless hours perfecting Newark City basketball moves as the only white kid in the neighborhood. He was compelled by an inner urge that guided him when and how to pass and when to shoot. Minimal notice was given to responsibility. For two years he set scoring records in junior college. Corky strutted into George Washington University. Coach Bill Reinhart molded a team that became champions of the Southern Conference (Corky is still highest scorer for three-year players). He finished as game high scorer in the East vs West college All-star game in Madison Square Garden. It was 1955 and his picture appeared on the cover of Life magazine. After pro-basketball, Corky fell under a deadly addiction to gambling. His story is told through the memories of those who knew him. My own interaction with him opens the book. Walter Corky’ Devlin lay comatose on a couch. I discovered him sleeping in a bipolar trance. Later, I would become fascinated by his pro basketball and fast lane experiences. I thought we became friends. But friendship requires differing contributions from its participants. Corky enlisted me as observer during his march to self-destruction. I served as willing accomplice. He boasted that he could, see my soul. During those days, I possessed limited understanding of what he revealed. Never trust a con. I knew nothing of compulsive gambling. I encouraged him to victimize me. Finally, penniless, he migrated to a monastery in Kentucky. Initially I planned to visit Corky to record his story on videotape. A fortuitous warning from a friend short-circuited my trip. Corky’s version of his life consistently fabricated facts. His death launched a posthumous search, which threatened my faith. I couldn’t accept writing write a life story risking a negative outcome. I solicited opinions and insights from those who knew him. Corky’s stories proved fraudulent the creation of what he wanted me to find. I uncovered a complex mosaic of a soul struggling with addiction before surrendering he admitted his lies. A few sources verified his accounts of basketball accomplishments at George Washington University. Corky starred on a renowned nationally ranked team. He constantly basked in his story of punching the villainous Hot Rod Hundley. He repeated that story for forty years. His punch proved only imagined. I spoke with players Hot Rod, Chuck Noble, Paul Arizin, Tom Gola and Zelda Spoelstra (at NBA Headquarters). Everyone liked charismatic Corky. Most gave him money. His gambling progressed into compulsion. He claimed that on the day his father died, he lost his wife to his best friend. Those traumas provided his trigger; neither incident proved true. Destructive gambling proved to be his real deal. He focused solely on his next bet feeling little regret for those he hurt. Corky’s younger brother, Bob, idolized players in the NBA. Bob enabled his brother’s addiction until Corky found Gethsemani, a Trappist monastery in Kentucky. Bob and his wife alone represented the family at Corky’s funeral. Jim Murray (1980 GM of the Philadelphia Eagles) and Corky were close friends. Jim founded the Ronald Mc

📖 **CORKY’S BEACH BAR** Phil Perkins,2019-10-01 This is a story of big goals and big dreams. Our hero, Corky Sandoval, a moderately talented surfer in the 1960s, dreams of riding epic waves and winning important surfing events. He and his best friend Gabe, who was born in Hawaii, travel from coast to coast finding adventure and occasionally good surf breaks along the way. Traveling with them is a budding journalist, the red headed vegetarian Abby Colter and a pup named Skipper. Abby kept the guys focused and Skipper mostly slept. Friendships are forged as the saga continues and life gets a bit more complicated as Corky and his traveling companions go on a “surfin surfari” that stretches from Florida to New England. Meanwhile, in present day, businessman Greg Priestly is planning some serious lifestyle changes and pitching his wife on joining him in a new adventure, one that would take them on a trip along that same coastline. Even with the different settings in time, Corky and Greg would cross paths in a most unusual way. All in all, a “Semi True Story”.

📖 **CORKY FLIES AGAIN** P. G. Kittrell,2024-02-05 This second book of Corky starts out with Teri’s new job as a trial assistant to the prosecuting attorney. This job also includes Corky being expected to show up for work as well. Their first case involves a young boy who was paralyzed by being shot in the back. Corky assists the boy in his physical therapy session; which also include veterans. A hard concept for Corky because his kind would have been tossed out of the nest. This became his motto to help them as well - Don’t Toss the Vets out of the Nest!

📖 **CORKY THE WANDER DOG** Janet DiLeo Wade,2018-11-22 Most people love dogs. And luckily, most dogs love people. But sometimes that love can cause problems. In her book Corky the Wander Dog: A New Family Member, author Janet DiLeo Wade shares stories of her family’s dog, Corky. He immediately makes himself at home, not only at his new house, but all over the neighborhood. Before long, he’s a fixture here, there, and everywhere. Wander with Corky through his many adventures in his New Orleans neighborhood. His fun-loving spirit and friendliness get him into a bit of trouble before he learns there’s no place like home!

📖 **CORKY’S DIARY** Richard J. Kneiser,2012-03

📖 **CORKY ECKELSBRIAR** Corinne Escobar Griffiths,2004-09 From the moment of her birth, Constance Kathleen seemed too formal a name for such a precocious little girl, so she soon became known as Corky. From investigating a tomato worm in the garden to drawing a line down the middle of her bedroom, Corky dealt with her environment in creative ways. Corky’s older sister Diane set a precedent of impeccable behavior. Dottie, the enthusiastic and typical 1950’s mother, kept Corky in line with ritualistic bath-time punishments and unwavering consistency. Walter, Corky’s soft-spoken father, taught her of duty and honor to country and community. Both gave her the comforting feel of security and love. Although Corky’s love for animals sometimes caused heartache, the deaths and disappointments made her a stronger person. Each experience taught Corky a valuable lesson of life. Through all her trials and tribulations, Corky becomes ready and able to take on junior high school.

📖 **CORKY LEE’S ASIAN AMERICA** Corky Lee,2024-04-09 A collection of over 200 breathtaking photos celebrating the history and cultural impact of the Asian American social justice movement, from a beloved photographer who sought to change the world, one photograph at a time “For generations, Corky taught us how to see ourselves—as individuals and as a community.”—Hua Hsu, Pulitzer Prize-winning author of Stay True Known throughout his lifetime as the “undisputed, unofficial Asian American photographer laureate,” the late photojournalist Corky Lee documented Asian American and Pacific Islander communities for fifty years, breaking the stereotype of Asian Americans as docile, passive, and, above all, foreign to this country. Corky Lee’s Asian America is a stunning retrospective of his life’s work--a selection of the best photographs from his vast collection, from his start in New York’s Chinatown in the 1970s to his coverage of diverse Asian American communities across the country until his untimely passing in 2021. Corky Lee’s Asian America traces Lee’s decades-long quest for photographic justice, following Asian American social movements for recognition and rights alongside his artistic development as an activist social photographer. Iconic photographs feature protests against police brutality in New York in the 1970s, a Sikh man draped in an American flag after 9/11, and a reenactment of the completion of the transcontinental railroad of 1869 featuring descendants of Chinese railroad workers, and his last photos of community life and struggle during the coronavirus pandemic. Asian American writers, artists, activists, and friends of Lee reflect on his life and career and provide rich historical and cultural context to his photographs, including a foreword from writer Hua Hsu and contributions from artist Ai Weiwei, filmmaker Renée Tajima-Peña, a writer Helen Zia, photographer Alan Chin, historian Gordon Chang, playwright David Henry Hwang, and more. Featuring never-before-seen photographs alongside his best-known images, Corky Lee’s Asian America represents Lee’s mission to chronicle a history of inclusion, resistance, ethnic pride, and patriotism. This is a remarkable documentation of vital moments in Asian American history and a timely reminder that it’s also a history that we continue to make.
