📖 **Crave** Tracy Wolff, 2020-04-07 The instant #1 New York Times bestselling series Glitter Magazine's #1 pick for Best YA of 2020 optioned for film by Universal My whole world changed when I stepped inside the Academy. Nothing is right about this place or the other students in it. Here I am, a mere mortal among gods...or monsters. I still can't decide which of these warring factions I belong to, if I belong at all. I only know the one thing that unites them is their hatred of me. Then there's Jaxon Vega. A vampire with deadly secrets who hasn't felt anything for a hundred years. But there's something about him that calls to me, something broken in him that somehow fits with what's broken in me. Which could spell death for us all. Because Jaxon walked himself off for a reason. And now someone wants to wake a sleeping monster, and I'm wondering if I was brought here intentionally—as the bait. ***INCLUDES 3 BONUS SCENES FROM THE HERO'S POV*** Don't miss a single book in the series that spawned a phenomenon! 📖 **Crush** Tracy Wolff, 2020-09-29 The instant #1 New York Times bestselling series Everything feels off—especially me. I've returned to Katmere Academy, but I'm haunted by fragments of days I have no recollection of living and struggling to understand who, or what, I really am. Just when I start to feel safe again, Hudson is back with a vengeance. He insists there are secrets I don't know about, threatening to drive a wedge between Jaxon and me forever. But far worse enemies are at our doorstep. The Circle is caught in a power play, and the Vampire Court is trying to drag me out of my world and into theirs. The only thing Hudson and Jaxon agree on is that leaving Katmere would mean my certain death. And not only am I fighting for my life, but now everyone else's is at stake—unless we can defeat an unspeakable evil. All I know is that saving the people I love is going to require sacrifice. Maybe more than I'm able to give. Don't miss a single book in the series that spawned a phenomenon! The Crave series is best enjoyed in order: Crave Crush Covet Court Charm Cherish

📖 **Cherish** Tracy Wolff, 2023-05-30 The sensational conclusion to the massive #1 New York Times bestselling series... It's been over three months since my friends and I took down Cyrus. Three months where my biggest fear was what paper was due next... But I should have known it was too good to last. Now everything is falling apart. The Vampire Court has no king, the Dragon Court has no heart, and the Gargoyle Court has me—a teenager in way over her head. And it's the worst possible timing, because a threat is brewing just as the Circle is collapsing. I have no choice but to return to the Shadow Realm and face the terrifying queen who nearly ended us...and make a deal with her to save Mekhi. But this time, I'm bringing my powerful friends with me—and Hudson. Except something is wrong with him, too. He's keeping a secret—even from me. All I know is that everyone's life hangs in the balance. And it's my fault—because I still owe the Crone a favor...and now she's come to collect. 📖 **Covet** Tracy Wolff, 2021-03-02 The instant #1 New York Times bestselling series An Amazon Best YA Book of the Month I may have reached my breaking point. As if trying to graduate from a school for supernaturals isn't stressful enough, my relationship status has gone from complicated to a straight-up dumpster fire. Oh, and the Bloodletter has decided to drop a bomb of epic proportions on us all... Then again, when has anything at Katmere Academy not been intense? And the hits just keep coming. Jaxon's turned colder than an Alaskan winter. The Circle is splintered over my upcoming coronation. As if things couldn't get worse, now there's an arrest warrant for Hudson's and my supposed crimes—which apparently means a lifetime prison sentence with a deadly unbreakable curse. Choices will have to be made...and I fear not everyone will survive. Don't miss a single book in the series that spawned a phenomenon! 📖 **Crave** Cynthia M. Bulik, Ph.D., 2010-12-01 February 2007, a landmark clinical study by researchers at Harvard University was published in Biological Psychiatry and was soon picked up widely by the media. A survey of 3,000 participants found that 2.8 percent of them suffered from binge eating disorder (BED); that women were twice as likely to report binge eating; and that BED occurs across the age span, from children to the elderly. By extrapolating the statistics to the general population, health professionals estimate 5,250,000 American women and 3,000,000 men suffer from binge eating. The same month the study was published Jane Brody revealed in the New York Times that when she was a 23 years old, her food binges were so extreme that many mornings I awakened to find partly chewed food still in my mouth.... Cynthia Bulik, director of the UNC Eating Disorders Program, is a foremost authority on binge eating. BED can affect anyone, and can be caused by brain chemistry, genetic predisposition, psychology, and cultural pressures—but none of those triggers make giving in to food cravings inevitable. Crave helps readers understand why they crave specific foods, recognize their individual triggers, and modify their responses to those triggers. Binge eating disorder is highly treatable; 70% to 80% of patients at the UNC Eating Disorders Program triumph over their binge eating by using techniques to curb the crave. Through the stories of some of these patients—men and women, young and old—and with the guidance of Bulik, readers will develop a variety of strategies to use in conquering their cravings and establishing healthy eating habits.
